## SOLVES AN AVIATION PROBLEM AND PAPA GETS A BATH

DEAR TOMMY: I made a model like this drawing and Papa and I took it over to the pond for a trial. It glided down the surface all right. I worked the motor and valves with strings, and it started to go up, only one of the air valves didn't let the water out until it was right over Papa's head! WILLIE. Yours, etc.,

## A BIG "PULP" DEAL

Montreal, Jan. 6.—The secret of the sensational rise in Laurentide is

behind the new Wayakamack Pulp & "an atrocious crime to be a young Paper Co. at Three Rivers, have had man." In fact young men predomina merger plan simmering in their ate, but very few, even in a new purchase of the control of the Laurentide.

made when Greenshields & Co. start- at the age of thirty-three. ed to buy Laurentide stock, but the Contrary to time-worn traditions, purchase of the control of Laurentide the youthful attorney-general is rethe question. Hence it is said that the large Laurentide holders will be approached with the idea of finding out if they will sell at a figure (so out if they will sell at a figure (so the "Street" says) in the vicinity of

The Wayagamack Co. is bonded for \$5,000,000 and \$3,000,000 6 per cent. 40-year bonds were recently added to from Nova Scotia in 1903, and enterthe underwriters who snapped them ed into a law partnership with the up in no time. Evidently it was the Hon. Mr. Justice Lamont, now one great success of this issue which de- of the judges of the supreme court of cided the people behind the plan to Saskatchewan, and practiced for four broaden the scope of their operations and look towards the control of Laurentide, which is the big winner in Nova Scotian could not, however, the pulp and paper field.
