JIM BARRY WON FROM SANDY FERGUSON TUESDAY

Boston, Jan. 25.—Jim Barry, the Chicago heavyweight, not only won the decision over Sandy Ferguson on their 12-round bout at the Armory A. A. last night, but he also gave Sandy about the worst whaling that he ever got around here.

While Sandy was never considered very seriously as one of the "hopes" he never will be after the showing he made last night. He had been put into pretty fair shape by Aleck McLean, but during most of the bout he acted as if he believed he was in a hugging match instead of a boxing engagement.

WARM REMARKS

While the boxers exchanged remarks a few times that would not look good on paper, and fell out of the ring onto the floor another time, still the fans were disappointed, as they expected to see some of the "rough house" work that the pair indulged in when they boxed at New Orleans last year.

It looked as if something would be started when Sandy walked over to Barry's corner to declare himself on the referee question. It had been agreed that Jack Sheehan should be the referee, but Dick Fleming appeared in the ring. Sandy made a kick, but Barry would not agree to Sheehan.

After a wordy wrangle Hector McInnes was picked as the third man in the ring. He was kept busy separating them and had to pull hard to get them apart.

When Ferguson spoke to Barry in the corner, Jim made a remark, that partly got Sandy up "in the air,"

RECORD CROWD WILL SEE OTTAWA AND WANDERERS PLAY

(Canadian Press)
Montreal, Que., Jan. 26.—A record crowd for the season will see Saturday night's big hockey game at the Arena when Wanderers and Ottawa come together for the second time this year. Every seat has been subscribed for, and big prices have been offered, five dollars for a seventy-five-cent seat being a common offer.

Ottawa is picked by many to win. The Senators are as yet unbeaten this year although away from home have failed to show the same class

but nothing happened.

WOULD NOT SHAKE HANDS

When time was called they would not shake hands. Barry made little attempt to do any work in the first few rounds, except to get under Sandy's rights and blocking the lefts. The latter managed to land some of his lefts on Barry, but most of them were of the push order.

In the third round Barry began to show some aggressive work, and he opened the session by swinging the right over onto Sandy's jaw. From that time the battle was a one-sided one.

In the 10th session when Barry was handing it out pretty stiff and fast to Sandy, the latter slipped to his knees, but he kept tight hold of Barry's waist.

BOTH FELL THROUGH ROPES

In several of the rounds Barry, in his efforts to get Sandy "fired," made some unpleasant remarks to him, but Sandy kept his head pretty well on those occasions.

In the last round the fans had a good chance to laugh. In a wild scramble both fell through the ropes. Barry managed to catch one of the ropes and prevent himself from falling to the floor. Sandy was not so lucky; he went to the floor and broke one of the chairs in his descent.

Neither was hurt and got back into the ring. Barry got to work very quickly on Sandy's body, while Sandy did a lot of holding to avoid the blows. Sandy never boxed so poorly, and it looks as if he is done as a boxer.

shown on Ottawa ice. The line up of their team is still doubtful. Fred Lake, the point, may not be at his position, but it is likely Bruce Stuart will make his first appearance of the year. Wanderers will go on the ice with their old line-up.

Small Boy—But if, just after some chicken had perched on a roost and made it a perch, some chickens came along and roosted on the perch and made it a roost, then the roost would be a perch and the perch would be a roost, and some of the chickens would be perched and the others would be roosters, and—

Hockey

U. N. B. HOCKEY TEAM LOST TO FREDERICTON 2 TO 1

Small Crowd Saw Close Game—Fredericton Forwards Show Greatly Improved Form—College Team Will Have to Improve Before Intercollegiate Games.

The U. N. B. hockey team of 1911 made its bow to the public, or rather a small section of the public, last night and was incidentally beaten, 2 to 1, by the Fredericton N. B. H. L. team. The College team played without Jack Feeney at centre, and his absence made a difference, as he had been depended upon to fill the position. Greg Feeney filled the place. The game, as a means of sizing up the U. N. B. team for the intercollegiate games, was not of much value, as the Fredericton team did not play as aggressively as it has, and the U. N. B. septette failed to show up as well as it has in practice. The College forwards seemed to be suffering from something akin to stage fright. Barry, who has lots of weight, particularly failed to make use of it. The wings, Machum and Pugh, were aggressive although light but showed too great a tendency to scrap and chop. Feeney, at centre, appeared to be nervous, but should improve, as should the other forwards. The U. N. B. defence was strong, Loggie putting up a steady game in the net, and Babbitt being effective at cover point, his corkscrew rushes being a feature. Arch Sterling was compelled to retire shortly after the game began, a hard shot from Duncan injuring his knee. During the few minutes that he played, Sterling showed his usual shortness of temper and had a mix-up with Fred McLean near the U. N. B. goal. Willis replaced him.

GOOD COMBINATION.

The Fredericton forwards played together as they have not played this season. They used a two-man combination that was very effective and should result in some goals in the rest of the N. B. H. L. games. Fred McLean was back at rover and was in great trim, while Galloway played centre as though he had never played any other position. The wing players played in good style also. McLean and Rowan and Galloway and Duncan worked together. The Red and White forwards were not playing as hard as they usually do, and checking was not very noticeable. "Axwell" Walker and "Selina" Clynick were at cover point and point for Fredericton, and performed in a manner which left little to be desired. Walker was right in the game from start to finish and will probably have a place on the team which will play Marysville tomorrow night, as Sterling's knee is in bad shape. One fault with Walker is his tendency to stay up the ice after he has made a rush. Clynick got in two or three long rushes. "Tart" Titus in goal was effective, but did not have a great deal of work to do.

FIRST HALF SLOW.

The first half was slow, mainly on account of Referee Staples' laxity. Sandy allowed all the offside play that could be imagined, as well as other things that the rule-book says are not allowed in well-regulated hockey. The U. N. B. team, with a strict referee, will be heavily penalized unless certain tactics are dropped. During the match only one penalty was handed out. Duncan started the scoring. U. N. B. rushed the puck from the face-off, but Duncan took it back and tallied with a shot from the side in just a few seconds short of a minute. That side-shot of Duncan's, by the way, has been responsible for more than one goal this winter. Galloway scored the second, after about fourteen minutes. The Fredericton forwards were able to get through but their shots were too long and were wide.

SECOND HALF.

The second half looked something like hockey. U. N. B. dug right in, and attempted to win out. The wings were particularly aggressive during this period. Greg Feeney scored U. N. B.'s last tally, after twelve minutes' play. The Fredericton forwards got in some pretty combination but Loggie didn't let any shots get by him.

The line-up was:
Fredericton (2). U. N. B. (1).
Goal Loggie
Point Babbitt
Clynick Sterling
Cover Point Babbitt (capt.)
Walker Babbitt
McLean Barry
Centre Barry
Galloway G. Feeney
Left Wing G. Feeney
Duncan (capt.) Machum

ST. JOHN BEAT CHATHAM 3 TO 2 LAST NIGHT

Game Close and Winners Had to Go Som: to Squeeze Out Victory.

N. B. H. L. STANDING.			
	Won	Lost	P.C.
St. John,	4	0	1.000
Sussex,	2	1	.666
Fredericton,	2	2	.500
Marysville,	1	2	.333
Chatham,	1	5	.166

Chatham, N. B., Jan. 25.—The return match between the St. John and Chatham teams in the N. B. H. L., took place this evening and resulted in a victory for the visitors by 3 to 2. The line-up was as follows:
St. John Chatham

	Goal	
Pierce	Point	Watters
McAvity	Cover Point	Watling
Philps	Left Wing	Millford
Parker	Right Wing	Flood
Mooney	Rover	Powers
Sweeney	Centre	Synnott
Clawson		McDonald

Mayor Snowball referred in a manner which gave entire satisfaction to both sides. Play commenced at 8.20, and from the outset it was apparent that the visitors would have all they could do to hold their end up. For the first quarter of an hour play was entirely confined to the visitors' territory, and nothing but the smart work of Pierce saved Chatham from scoring time and time again. At the end of seventeen minutes' play Powers was ordered to take a two minutes' rest and he had scarcely left the ice when a smart run by Philps secured the first goal for St. John. Shortly afterwards Flood, the home left wing, was knocked out and had to retire, Winslow taking his place, and just before half time another goal was notched for the visitors.

SECOND HALF.

In the second half play had hardly started before the home team got into their opponents' net and notched their first goal. Another ten minutes and St. John scored again, making their score three. Chatham, however, quickly rallied and added another notch to their credit. The teams were well matched, and the game was as fair an exhibition of hockey as need ever be seen. During the last few minutes the home team played without Synnott, who was resting for aching, but as a whole the game was clean and only four penalties were awarded altogether. McAvity was the only one of the St. John players penalized.
