> BABY'S SPLENDID HEALTH

Mrs. R. Yates, Montreal, Que.,

writes:-"Baby's splendid health

was obtained through the use

of Baby's Own Tablets. They are a grand medicine for constipation, as their action is easy and does not give baby pain. I would recommend them to all mothers; no one should be without them who have young children in the house." This testimony is similar to thousands of others sent us by grateful mothers. Every mother who has ever used the Tablets for her little ones will tell you that they are the very best medicine in the world. They not only cure the ills of the little ones, but they make them grow happy and strong. The Tablets can be given to even the youngest babe with absolute safety as they are sold under the guarantee of a government analyst to contain no opiate ar other harmful drug. They cannot possibly do harm—they always do good. Baby's Own Tablets are sold by medicine dealers or at 25 cents a box from The Dr. Williams' Medicine To., Brockville,
