S. and Eastern Canada this fall and every cent of the expense from the time of leaving home until return will be borne by these papers. A representative will also accompany the party to look after their comfort and pleasure. The party will leave Fredericton in December and will spend 3 weeks sightseeing in Bermuda, New York and the capital of the U. S. First class accommodations have been reserved for them already and at all times will be first class in every particular.

The following cities will be visited by The Mail party of tour winners. Hamilton, Bermuda, New York, Washington and Boston. Six days will be spent in Bermuda, two days in New York and three days in Washington.

Automobile trips and other diversions will be arranged with theatre parties on both evenings spent in New York. Our party will go by rail and by water and the arrangements are such that this tour will be a supplement to the education of any lady who is ambitious enough to go in and win.

In short The Mail has arranged a tour of the very HIGHEST CLASS and invites the ladies of the two counties to embrace this liberal offer.

The town of Fredericton has been divided into two districts and surrounding counties into three more, as shown below.

FROM TWO TO THREE PRIZES IN EACH DISTRICT

The young lady in each district receiving the greatest number of votes will be entitled to membership in the party and the one coming in second will be given a special prize of \$25, also the candidate who polls the greatest vote of all may select a chaperone for the party, her expenses to be paid by the paper.

A coupon will be printed in each issue of the two papers which when filled out with the name and district of the contestant and deposited in the ballot box, will be good for one vote.

Votes will also be issued upon the payment of cash subscriptions in proportion to the length of time they are paid.
