U. N. B. DEFEATED WEAK FREDERICTON CITY XV 14 TO 0

George Clynick who Played Outside Half for Fredericton had Collarbone Broken--Score 3 to 0 at Half Time--City Team Practically one man short During Second Half--Work of Red and Black Team not up to Intercollegiate Standard

A very weak Fredericton City team was beaten 14 to 0 at College Field by the U.N.B. XV Saturday afternoon. The score is the largest ever rolled up against a Fredericton team and was made largely through the weakness of the Red and White back division, especially the halves. The score at half-time was 3 to 0. McGibbon dodging over for the first try near the end of the period. Shortly after this Fredericton received its hardest blow, George Clynick who was putting up an effective game at right outside half having his collarbone broken by a hard tackle. The bone had been broken several years ago and the present break is in the same place. Clynick took his injury very coolly and walked off the field. Half-time was called immediately afterward. Fredericton City having no substitutes on the field in uniform, Leo Dolan of the Fredericton High School team was pressed into service. His lack of weight and experience made him of little value however and the City team finished the game practically one man short. The N. N. B. attack in the second half was delivered toward the weak end of the Red and White half-line.

COULD NOT LAST

The Fredericton forwards were the most effective part of the team and outplayed their opponents until their lack of condition made it impossible to stand the pace. It is doubtful, however, if the Red and Black would have scored more than one try in the second half had Clynick not been hurt. The Red and White had the weight and experience and out-toughed and in the loose outplayed their opponents in the early stages of the game. For about ten or fifteen minutes play was entirely in College territory and most of that time close to their goal-line. Wandless dribbled over and fell on the ball for what everyone thought was a try but Referee McCloskey ordered a five yard scrim. Shortly afterward Peacock went over in a similar way but no try was awarded. The City forwards were outplayed in the scrim and as the game went on lack of condition told and the play went to the other end.

There was no cohesion in the Fredericton half-line. Clynick, Putter and Coleman played a fair individual game but were in no shape to stand the pace. Burgoyne lacked experience, as did McAdam at full-back. Poth did well under the circumstances. The quarters of the City team put up a good game but seldom got the ball the U.N.B. scrim heeling it almost

every time.

TEAM NOT SATISFACTORY.

The work of the U.N.B. team as a whole, was not up to intercollegiate standard and was disappointing. The forwards worked well in the scrim, but the quarters were slow. The halves also showed room for improvement, but grew better as time went on. It is probable that changes among the quarters and backs will be made before Saturday, when the team is to play in St. John.

McGibbon tried to convert three of the tries and succeeded one. Willis tried once and failed. The second try of U.N.B. was made in a curious way. Maiman carried the ball over and threw ahead fully five yards, McGibbon then falling on the ball.

The line-up was as follows:

U.N.B.		Fredericton	
Barry	Fullback	McAdam	
Willis	Halves	Clynick	
Maiman		Burgoyne	
McGibbon		Coleman (capt)

ON THE TOUCH LINE.

St. F. X. wanted too much for a guarantee to come here to play U.N.B.

The Fredericton team will be considerably strengthened, particularly in the back division.

Rev. Mr. Whally of Oromocto, played a good game at quarter for Fredericton. He injured his knee slightly just before the end of the game.

FREDERICTON HIGH SCHOOL BEAT ST. JOHN H. S. 6 TO 0

Fredericton High School had no trouble defeating St. John High School here Saturday in the second game of the Interscholastic Rugby League. The game was played at Scully's Grove before a good sized crowd which loudly cheered the victory of the local school.

The St. John boys had nothing on Fredericton in any department while the work of the yellow and black quarters was the outstanding feature of the game. Edgecombe was the particular star in ground-gaining for Fredericton High School and Dolan also played well. Millidge, the diminutive half-back of the St. John High School XV showed up well.

The first try scored by the F.H.S. was made by Cass from a mix-up near the St. John goal line. Oldham made the second after some good work on the part of the backs. Neither was converted.

The St. John High School team has been defeated twice in the Interscholastic series losing to Rothesay Collegiate School 8 to 3. The St. John boys pick Rothesay to beat Fredericton High School.

The teams lined up as follows on Saturday:

Fredericton H.S.		St. John H.S.	
VanWart	Fullback	McQuade	
	Halves		
Barbour		Anglin (Capt)	
Belleveau		Millidge	
Oldham		Sinclair	
Steeves		McDonald

GIANTS WON FIRST GAME FROM ATHLETICS

Score 2 to 1--Contest Ordinary One--Great Pitchers' Battle Between Bender and Mathewson

New York, Oct. 14.--In the presence of what was probably the greatest throng of baseball enthusiasts ever gathered together, the National League pennant winners, the New York Giants, defeated the American League title holders, the Philadelphia Athletics, by a score of 2 to 1 in the first game of the series for the world's baseball championship of 1911 at the Polo grounds today.

The National Commission announced that 38,621 persons had paid admission to witness the contest, and the gross receipts were \$77,359.

From an artistic point of view, however, the game was an ordinary one and would not live long in the minds of those who saw it if not for what depended upon the outcome. There were scarcely any chances or opportunities for sensational plays, such as frequently bring a crowd to its feet.

A PITCHER'S DUEL.

It was a pitcher's duel from inning to inning, with the Indian Bender having the better of it during the early part of the contest. His superior breaking curves swept with blinding speed over the plate and eleven Giants, unable to follow his service, struck out. The Chippewa fanned Snodgrass, Merkle, Fletcher and Mathewson each twice, while Devore, Murray and Herzog swung futilely at the ball once each and then sat down. Doyle and Myers were the only Giants who were not retired on strikes.

Mathewson sent back five Athletics to the bench by the strike-out route. They were Lord twice, and Oldring, Baker and Barry once.

CORNWALL'S XV TRIMMED WANDERERS

Halifax, Oct. 15--H.M.S. Cornwall's well balanced Rugby football team overwhelmingly defeated the Wanderers on Saturday afternoon. It was the spectacular, brilliant hard work of the mariners halves that was largely responsible for the victory. The dribbling of the Cornwall's forwards was very effective. The Wanderers had a very fast team but they were helplessly at sea.

M. P. A. A. ANNUAL MEETING ON OCTOBER 30

The annual meeting of the Maritime Provinces Amateur Athletic Association will be held at the Queen Hotel, Halifax, Thanksgiving Evening, and thus give delegates an opportunity of seeing the 10-mile road race in the morning and the H. M. S. Cornwall and Wanderers play football in the afternoon.

The U. N. F. Amateur Athletic Association and the Fredericton Football club both being members of the organization have been asked to send delegates.

The trouble is that some of those people who are just as good as they can be can't be very good.

One of the proverbial Japanese expressions that characterize the island empire is that it is "the land where the day would not dawn without the tender sex." This is a plain admission of woman's mighty influence and refers indirectly to a mythological story of the sun-goddess from whom the imperial family is supposed to have sprung. In Japan in early times the wife seems to have had her full share of respect of her husband. Instead of "living her to wife," the earliest Japanese word for marriage means "the union of the man and woman." The woman after her marriage continued to live with her parents and her husband visited her daily. As soon as his means permitted, he built a new house and the wife came to live in it with him. Even to this day the word Shanzo, "newly built" means wife; that is, the woman who occupies the domicile, especially erected for her comfort.

People who are easy to live with are jewels and should be treasured.
