

## RECIPROCITY RALLY AT UPPER HAINESVILLE

Upper Hainesville, Sept. 6.—One of the most enthusiastic and well attended meetings in the York county campaign was held last night at the hall in Upper Hainesville in this county. Rev. Mr. Puddington of Carleton county spoke for two hours in the interests of Reciprocity. The hall was filled to overflowing with earnest listeners. W. H. Hay and Dr. Owens of Millville and a large number from there were in attendance. Mr. Hay's clear and forcible arguments from the standpoint of the mill owner and lumberman were well received and he showed the benefits to be derived from Reciprocity for the farmer and the man who cut logs and small lumber for the manufacture in the mills and shipment to the United States markets.

Mr. George Sleep acted in a very satisfactory manner and gave every voter full opportunity to gather information from the speakers.

To be given facts appeared to please the people present. Give the farmers of York just common sense arguments as Mr. Puddington did and figures that speak as facts and York will go for Reciprocity.

Dr. Atherton is well known up in this section. His record is one worthy of support in every way. Along the river too, Dr. Atherton can count on hosts of friends on both sides of politics. The farmers here are willing to have larger markets and more money, come from where it may, and be loyal too.

## A Simple Treatment that Will Make Hair Grow Now Sold in Canada

Every up-to-date woman should have radiant hair.

There are thousands of women with harsh, faded, characterless hair, who do not try to improve it.

In England and Paris women take pride in having beautiful hair. Every Canadian woman can have lustrous and luxuriant hair by using SALVIA the Great American Sage Hair Tonic.

Every reader of The Mail can have an attractive head of hair in a few weeks by using SALVIA.

Ryan sells a large bottle for 50 cents, and guarantees it to banish Dandruff, stop falling hair and itching scalp in ten days, or money back.

SALVIA is a beautiful, pleasant, non-sticky Hair Tonic.

Mr. Hazen is working hard to secure the election of Mr. Smith in Sunbury-Queens and it is noticeable that he is fighting shy of York. Should such a misfortune overtake the country as the defeat of the government, Mr. Hazen would be an applicant for a portfolio and if his only competitors are Crockett and Fowler, he would be likely to win out hands down.

## LABOR AND RECIPROCITY

At the big Fielding meeting in Halifax on Saturday evening, H. J. Logan in the course of his speech read the following letter from J. G. O'Donoghue, the Solicitor of the Dominion Trades Congress, representing over 200,000 organized Canadian workmen:

Toronto, Aug. 30th 1911.  
H. J. Logan, Esq., K. C.,  
Barrister, etc.,  
Amherst, N. S.

Dear Mr. Logan:  
You ask me where the organized workers stand on the question of Reciprocity? They themselves have already answered that in their annual conventions. They are undoubtedly for it, because it means the removal of a tax that has been imposed upon the whole people for the benefit of the few, and the workers are always against class privileges. As a member of over thirty Boards of Conciliation, I have had a lot to do with the question of the cost of living of the workers, and it is my firm belief that the adoption of Reciprocity pact will mean a cheaper breakfast and dinner table to the workers. That means a couple of dollars a week to the workingman's wife and as she has to "square" the butcher and the baker and the grocer she deserves every consideration. THE TRADES COUNCILS OF WINNIPEG, TORONTO, OTTAWA AND MONTREAL HAVE DECLARED FOR RECIPROCITY.

Sincerely yours,  
J. G. O'DONOGHUE,  
(Sgd.) J. G. O'DONOGHUE

## MR. BORDEN'S VIEWS IN 1904

Addressing the Canadian Manufacturers' Association in Montreal on July 21st, 1904, Mr. R. L. Borden said:

"Was there any idea that a reciprocity treaty with the United States would in any way interfere with self-government in Canada? No."

That was only seven years ago. Why has Mr. Borden changed his mind? When the Conservatives wanted reciprocity it was all right. It was only after the Liberals arranged for it that Conservative demagogues began to denounce it as dangerous.

"Would you exchange Dr. Pugsley for O. S. Crockett?" said Dr. Alward in a recent speech at St. John. Cries of "No, no" came from all parts of the audience. The people of St. John have evidently heard of York's member and would not take him as a gift.

## TORTURED FOR THIRTY FIVE YEARS

I really could not live without "Fruit-a-tives"

FENAGHVALE, ONT. Jan. 29th. 1910.  
"For thirty-five years (and I am now a man over seventy) I have been a terrible sufferer from Constipation. No matter what remedy or physicians I employed, the result was always the same—impossible to get a cure. About two years ago, I read about 'Fruit-a-tives' and I decided to try them. I have used 'Fruit-a-tives' ever since. They are the first and only medicine that suited my case. If it were not for 'Fruit-a-tives' I am satisfied that I could not live." JAMES PROUDFOOT.

The greatest remedy in the world for all forms of Indigestion and Dyspepsia, is "Fruit-a-tives". Doctors as well as hundreds of people proclaim it. "Fruit-a-tives" cures all stomach troubles because it makes the liver active, strengthens the kidneys, purifies the blood and keeps the stomach sweet and clean. "Fruit-a-tives" is the only remedy made of fruit juices. 50c. a box, 6 for \$2.50, or trial size, 25c. At all dealers, or sent on receipt of price by Fruit-a-tives Limited, Ottawa.

## DECEIVED POLICE ON DEATH BED

Montreal, Sept. 8.—At the door of death but anxious to shield his companion from all blame for having accidentally shot him, Napoleon Lallonde, eighteen years of age, told the police a fictitious story of the affair which came near costing him his life. He said that while he and his companion Alexander Belanger, seventeen years old were walking along Notre Dame street, he was struck by a mysterious bullet. But Belanger today told the police that he and Lallonde had been examining a revolver which accidentally exploded.
