HARD TO CREDIT BRITISHERS WITH VICTORY

It is hard for the American press to give the English varsity athletes credit for winning from the American team on Tuesday. The Boston Globe says: "That Putnam an American should win the odd point for Oxford and Cambridge over Oxford and Yale, left the Englishmen flat honor induced as international winners. But as intercollegiate winners—fine!"

ED. BARROW SAYS EASTERN LEAGUE WILL NOT CHANGE CIRCUIT

New York, July 12—Pres. Edward Barrow of the Eastern league today authorized a denial of the stories that certain changes are contemplated in the Eastern league circuit either as to the transferring certain clubs to class B, cities or giving up Buffalo, Baltimore or Toronto to the major leagues. Mr. Barrow said: "Naturally the tailend clubs are not drawing as well at home as the clubs on top, but I am pleased to say that the necessity for going out to hunt up new 'angels' or transferring clubs is a thing of the past in the Eastern league. "As to the possibility of any of our present members securing franchises in the National or American leagues, the idea is impossible under the present system of organized ball, unless the Eastern league gives its consent and we would never consent to breaking up our circuit."

LEAGUE WILL USE SPALDING BALL

H. M. Blair, secretary of the New Brunswick and Maine League has received a letter from the Canadian headquarters of A. G. Spalding & Bros., to the effect that the New Brunswick branch, conducted by W. H. Thorne & Co., has been instructed to supply each team in the league with two balls with every home game played to the present date. The Spalding ball will be the official ball for the balance of the season, and the arrangement mentioned will be continued until the schedule is completed.

Calais, Me., July 12—Joe Page's St. John team was defeated by manager Hyslop's Thistles at the St. Stephen diamond this afternoon by a score of seven to two.

The game was interesting and some pretty stunts, including two doubles, were, pulled off. Doc Hight was the box artist for the visitors, and although the Thistles were able to get to him for only nine hits, they bunched them at the right time. Crowley the big south paw, was on the firing line for the Thistles and twirled a fine game, allowing six hits, which he kept well scattered. He would have won a shut out game but for the costly errors of G. Finnamore and McGovern and Wilson in the second inning, which allowed the visitors two runs. Mulvey and White tallying. The feature of the game were a pretty fly catch of A. Finnamore, who threw the ball to Dean on second, making a spectacular double play, fly catches of Sabourin in centre and the batting of G. Finnamore and Farrell.

The Thistles released Pitchers Kyte and Jenkins. Fredgett of short has gone with the Fredericton team. Joey Farrell of Fredericton is playing right field and G. Finnamore of Fredericton is playing short stop. Dean of Lynn, Mass., is playing second.

FREDERICTON PICKED AS STRONG TEAM

(St. John Telegraph) The showing of the Fredericton team against Woodstock would seem to indicate that the Caps are stronger than ever. When it comes to sport the capital city generally lands in the front row and if we mistake not will be satisfied with nothing less in the N. B. and Maine League. This team with Calais and the Marathons are going right and should make a race as close and interesting from a local viewpoint as the Giants, Cubs and Phillies are making in the National circuit across the border.

ED. GEERS DRIVING ANVIL WON FIRST OF GRAND CIRCUIT

Nanah Took Straight Seconds in 2.20 Trot—Great Racing at Indianapolis Tuesday.

Indianapolis, July 12.—The opening of the grand circuit races for the season of 1911 at the state fair grounds yesterday proved an auspicious getaway for the blue-bloods of the equine aristocracy. Neck-and-neck finishes and the upheaval of three of the favorites in the four races of the day gave the 10,000 harness fans present excellent sport and plenty of excitement.

The blue ribbon event of the day, the 2:20 trot, proved a two-horse race, Anvil, driven by the veteran E. Geers, and Nanah driven by McDonald, furnishing the excitement, the other horses in the field being hopelessly outclassed. Anvil made a splendid showing by winning the event in three straight heats, closely pressed by Nanah, who took straight seconds.

TOPHEAVY FAVORITE.

In the first heat of the big race Anvil, who was a topeheavy favorite and the only one on the card to win as such, took the lead at the quarter-mile post and held an advantage varying from one length to half a length ahead of Nanah, until the wire was reached in 2:11 1/4. Nanah was three-quarters of a length behind and the others trailing.

The second heat was almost an exact repetition of the first, Anvil and Nanah outclassing the field, the latter being a length behind at the finish.

The final heat of the race was the most exciting and was won in a driving finish by a scant neck. From a length and one-half behind at the quarter Nanah gained on the flying Anvil and was only half a length in the rear at the half-mile post. In the stretch the two were almost on even terms. Geers was forced to use the whip and he sent Anvil across a nose ahead of Nanah.

2:18 PACE.

Fanny Stanton, owned, trained and driven by J. L. Dodge, the New York millionaire, took the 2:18 pace in straight heats. Straight seconds were taken by Longworth B. Except for the first heat, the eastern horse had easy sail over Longworth B. forcing the issue to the wire, only to lose by half a length. The other two heats were won by a couple of lengths, with the others in the field following closely behind Longworth B.

The biggest upset of the day was in the 2:07 pace, which was won by Ginger, who took the first and third heats. C the Limit was an odd-on favorite at 2 to 1 against the field, but failed to do better than fourth money. Ruth D made a surprising showing in the second heat and got second money by winning. Sunny Jim took straight seconds and pulled down third money.

High Admiral, the favorite in the 2:15 trot, fared badly and was fourth. R. T. C. won the first heat by neck from Sue D and then took the second heat easily from Alva Dillon, who was second in the money.

The rain of last night put the track in top-notch condition and today's races were stepped under ideal circumstances.

MATT WELLS IS STILL AFTER MATCH WITH WOLGAST

His Manager Claims That Labor Day Bout Has Not Fallen Through Yet.

New York, July 12.—Despite the announcement from Los Angeles that Ad Wolgast would fight Freddie Welsh on Thanksgiving day and would not fight anybody before that time, Matt Wells the English lightweight champion, has not given up hope of making a match with the American lightweight title holder.

George McDonald, manager for Wells, announced tonight that he had signed a supplementary agreement with Tom O'Day, representing the Metropolitan club of San Francisco, for a fight between Wells and Wolgast at San Francisco on Labor Day. "I feel sure Wolgast will not let this opportunity slip by," said McDonald tonight. "Wells is champion of Great Britain and is here to meet champions. He is holder of the Lonsdale belt, having won it decisively from Freddie Welsh, so that in making a match with Welsh, Wolgast is agreeing to fight a man whom Wells has already beaten."

McDonald said that should Wolgast refuse to make the match with Wells the latter would meet Packy McFarland at Milwaukee on Labor day.

ENGLISH TEAM WON FROM AMERICANS IN CLOSE CONTEST

Queen's Club, West Kensington, Eng., July 11.—With England and the United States at four victories each, Philip John Baker of King's College, Cambridge, turned the scales for the home team by winning the one mile run today. It was the most exciting international university contest yet witnessed. The staying power of the Englishmen at long running decided the day. The only running event captured by the Americans was the half mile won by B. M. Preble of Harvard.

Baker won the deciding event by five yards. Amid great enthusiasm at the finish, the crowd swarmed on the field and the band played "God Save the King" and Baker was carried away on the shoulders of his comrades.

Bill Papke says that he is going to raise the middleweight limit to 160 pounds, but he does not say who gave him any authority to do so.
