"MOOSE HEAD BRAND"

"Skowhegan" Leather Is Used For Our Sporting Boots And Shoe Packs.

This leather is made from South American and Chicago Packer Steer Hides, and anyone in the leather business knows what superior leather can be made from these hides.

Then, these hides are oil-tanned, by a method all our own, under the personal direction of the head of our firm, who is conceded to be one of the foremost experts in the tanning world.

The leather made by this method is known as "Skowhegan" brand, of which we are the sole makers.

"Skowhegan" leather possesses a pliability, toughness and waterproofness that greatly outshines those who have never before worn Palmer's "Moose Head Brand" Sporting Boots and Shoe Packs. It pays big to look for the "Moose Head Brand" and get boots made from this superior leather.

The boot illustrated, No. 474, is one of the many popular lines we manufacture.

Ask your dealer for Palmer's "Moose Head Brand" boots. If he cannot supply you write us giving dealer's name.

"Skowhegan" Waterproof Paste should be used by all who want an extra. The greatest waterproof paste made.

RING NOTES

Mike (Twin) Sullivan has a hard customer to meet in Buffalo tonight in the Dixie Kid. While the Twin is the more clever boxer the Kid can wallop with both hands in hard fashion.

"Porky" Flynn, the Boston "hope," meets Con O'Kelly, the "hope" discovered by Tommy Ryan, at least, outscore O'Kelly.

The bout between Packey McFarland and Jack Goodman, to take place in New York tomorrow night, should be a great one. McFarland is likely to get somewhat of a surprise, for Goodman is a good boxer who can hit well with both hands and is not afraid to go after an opponent.

Joe Thomas and Tommy Sullivan of Lawrence, old rivals, clash again Wednesday night at Manchester, N. H., and Thomas is picked to repeat what he done to Sullivan at Chelsea some years ago, when Lawrence, Haverhill and sports of other cities dropped their pile on Sullivan. The way that Thomas put Tom Sawyer away in Portland last Saturday night shows that he still retains his ability and punch. The friends of Sullivan figure on evening up the old score.

Oklahoma and its big money-houses have the heavyweights casting longing eyes toward the new pugilistic field.

Jim Barry and Sandy Ferguson will meet at the Armory A. A. Jan 24, and Jimmy Gardner and Frank Klaus will box at the same club Jan. 31.

Tommy Ryan has been offered \$2,000 to let his "hope" Con O'Kelly box Carl Morris the Oklahoma "hope" in Tulsa, Ok. Ryan wants the ante raised another thousand before he will let O'Kelly take the chance against Morris.

Ulric Morris brother of the Oklahoma "hope" evidently figures that because his brother has had such an easy time winning, he also can do so. Ulric has now joined the list of "hopes" The latter though younger is larger and more powerful than Carl.

Aleck McLean, the manager of Matty Baldwin, feels satisfied that the arm which Baldwin broke in his bout with Hurley will not give him any bother in his bout with Pat Moore at the Armory A. A. next Tuesday night. Several of the best local light and welterweights have been boxing hard with Baldwin every day at Highland Lake and the arm has healed so well that it does not hurt him in the least. --Boston Globe.

George Cotton will meet John Haynes, better known as Klondyke, at Pittsburg next Monday night. Klondyke is credited with once having given the K. O. to Jack Johnson.

Raymond Simon, the Syrian "hope" discovered by Joe Finneran, who won the heavyweight open class at the B. A. A. last Saturday night, will enter for the New England and National A. A. U. championships. If Simon continues to improve the way he has, he will be a surprise in those meetings.

SPORT

HARRY SMITH MAY BE BANISHED FROM PRO HOCKEY

Temiskaming League Player Has Bad Record--Expelled from Manitoba Professional Hockey League.

Harry Smith's action in hitting the referee in the Haliburton-Cobalt game at Haliburton on Friday night, brings to mind the incident for which he and Joe Hall were banished from the Manitoba professional league a few years ago. Smith and Hall that year were outlawed by the Western magnates and if he is banished from Temiskaming League, it looks like curtains for Harry.

An Ottawa boy, Smith, achieved his fame wearing a red, white and black jersey, and three years ago, there was not a centreman playing the game who could come near him in scoring ability. Ottawa then held the Stanley Cup, Harry playing on the line for the silver seven. He was never a fast skater, but his ability to carry the puck, together with his shooting, made him invaluable to the locals.

Wanderers got him in 1908, but he jumped to Cobalt, with whom he has played ever since. He took on a lot of weight up north, and when last seen here on skates, though playing good hockey, he was away out of shape. Harry had one bad habit, that of hooching, and his downfall up north probably means his retirement from hockey.

LANGFORD TOYED WITH FRED ATWATER

Utica, N. Y., Jan. 17.--Sam Langford of Boston, last night made his appearance in the ring before going to England, in the state armory here. Fred Atwater, another pugilist of color, who has stated his desire to some day meet Johnson, was Langford's opponent and he proved to be out of Sam's class.

Langford is no as big as Atwater, but he toyed with him. Atwater was visibly nervous and failed to make good in the opening round. In the second round Langford dropped his hands and permitted Atwater to hit him three times.

Then he went after his opponent, and had him going when the bell rang. The third round saw Langford cut loose, and he knocked Atwater down with a terrific wallop. The bout was stopped right there, for a continuance would have been cruelty.

JACK JOHNSON AND LANGFORD WILL MEET

Philadelphia, Pa., Jan. 17.--Jack Johnson will meet Sam Langford before the American Athletic Club, of Philadelphia within the next six weeks. Late Saturday night Jack O'Brien who runs the club, got the men to agree to a six round bout. While the figures have not been given out, it is understood that the men will fight for a \$10,000 purse and that each will be required to deposit \$2,500 within the next week.

Battling Nelson has agreed to fight before O'Brien's club on St. Patrick's Day. The contract is signed in blank so far as the name of Nelson's opponent is concerned. This fight will decide whether or not Nelson will ever don the gloves again.

CRESCENTS DEFEATED BY HALIFAX WANDERERS

Halifax, N. S., Jan. 17.--The amateur league hockey match tonight was between the Wanderers and Crescents, both of Halifax, and was won by the Wanderers, with a score of 8 to 4. It is the first victory for the Wanderers over the Crescents in four years. The game was fast and interesting, but was inclined to be rough. At half time the score was 4 to 2 in favor of the Wanderers, and at the end of the game the score had been doubled.

McFARLAND KNOCKED OUT JACK GOODMAN

New York, Jan. 17.--Packey McFarland, of Chicago, knocked out Jack Goodman, of New York, in the fifth round of a ten-round bout at the Fairmont A. C. tonight. The stocky lightweight first floored Goodman for the count of nine with a right swing on the jaw, then when Goodman arose groggily, sent him down for the count with a rain of blows in the face.

Jeff Doherty and Kid Shea will box in Lawrence next Thursday night.

FREDERICTON TEAM NOT AS STRONG AS IT MIGHT BE

Sickness Keeps Two of Best Forwards at Home--At St. John Tonight, Sussex Tomorrow.

With Manager Hal Smith in charge the Fredericton Hockey Team left this morning for St. John, where it will play tonight. The team will meet Sussex tomorrow. Both games will be hard, owing to circumstances that were unavoidable, the local team is not as strong as it might be. The players who went this morning were: Jack Feeney, Archie Babbitt, Archie Sterling, Alex. Galloway, Wm. Duncan, Tart Titus, Roy Feeney, Bob Chappell and George Clynick.

Fred McLean is suffering from an attack of la grippe and Frank Rowan is threatened with the same disease, and for that reason neither could go. At St. John tonight the teams will line up as follows:

Pierce	Goal	Titus
Tully	Point	Sterling
McAvity	Coverpoint	Babbitt
Gilbert	Rover	Galloway
Clawson	Centre	J Feeney
Philips	Left Wing	Duncan
Mooney	Right Wing	R Feeney or Chappell

HOOF PRINTS

Hesperus, 2:09½, is dead.
Hailworthy, 2:05½, goes to Geers. It is a sure enough grand circuit.
Bob Douglass, 2:04½, is on the ocean.

Memphis may give a meeting this fall.

The Buffalo convention was worth while.

Stall room at Memphis is getting scarce.

Too bad that Dover did not get in the circuit.

The matinee horses in California are beating 2:14.

Bob Grady has moved from Columbia, S. C., to Macon.

The coming New York sale looks like the best winter auction in years. Grand circuit followers hope that the banking business in Montana will require the services of one Robert Newton throughout the coming summer.

If everything goes well, Fredericton will have some horse-racing this season.

The announcement of the early closing events is anxiously awaited. Greenlander, 2:12, is dead. He once held the two-mile record for trotters.

Ike Keating will act as presiding judge at most of the big line meetings.

Joan, 2:04½, and Grace, 2:08, will be sent after the pole record for trotters.

S. W. Parlin, editor of The American Horse Breeder, has sold the stallion Alclayone, 2:20½, sire of Louise G., 2:08½, and others, to H. E. Haley of Munro, Me.

More than \$8,000,000 in purse money has been distributed by members of the grand circuit.

That master of transportation will be a welcome addition to the officials of the grand circuit.

Walter Cox spent the latter end of last week in Kentucky, looking over the colts Walnut Hill farm will send to the New York sale.

George Lettmer of Buffalo, has bought Gordon Prince, Jr., 2:07½. He will be used on the road and may be used again on the track.

The first foal of 1911 is a Texas-bred colt by John Kirby, 2:10½, out of Rima Strong, by Gov. Strong, 2:10½, second dam Rima, 2:09½.

PUCKERINGS

The Fredericton team left on its first trip this morning. Here's hoping for the best. Weaker teams have gone away to represent Fredericton.

Speaking of the defeat of St. Michael's College by Parkdale, The Toronto Globe says: "St. Michael's did not have, and could not have, any excuses. They are still of the opinion, however, that they are Parkdale's superiors on hard, fast ice."

The Halifax Arena management have guaranteed a bonus to the Halifax professional hockey team for every game they win.

Chester Gregory, who was an interested spectator at the Moncton-Halifax hockey game, said that it was one of the best games of hockey he had ever seen.

It is likely that Fredericton and U. N. B. will play an exhibition game before the next local N. B. H. L. fixture.
