### ST. STEPHEN THISTLES BEAT PICKED-UP TEAM FROM U.N.B.

Score was 9 to 4—Game was Fast and Fredericton Players Fought Hard

St. Stephen, March 3.—Two interesting games of hockey were played here today. A team from the Thistle Club of this town played a match with a team from the U. N. B. At the end of the first half, the score was 9 to 4 in favor of the Thistles, and at the close of the game the score was 9 to 4 in favor of the Thistles. The game was fast and exciting with few penalties on either side and was much enjoyed by a large crowd of spectators.

The other game was between teams of the High Schools of St. George and St. Stephen, the result of which was a score of 1 to 1. The playing was fast and clean.

### WINNIPEG VICTORIAS RETAIN ALLAN CUP

Winnipeg, March 3.—The local Victorias retain the Allan Cup and the Amateur Championship of Canada although they lost to Kenora in the final game of the series. Total number of goals count, however, and the locals came out ahead with a total of 16-10 in the series. The score last night was 5-4 in favor of the visitors and was by far a better exhibition than the first. The ice was somewhat soft and made the going hard, but both teams were on their mettle and a fine contest resulted. Two periods were played, Kenora being ahead at the end of the first half, 4-3. Each team got one in the second period. The defence work of both teams was a feature.

### MONCTON WON STARR TROPHY LAST NIGHT

Halifax, March 3.—The Moncton Victorias defeated the Halifax professionals in the final game of the Starr trophy series tonight by a score of nine to three. The game was fast and interesting.

The first half started at a brisk pace, with both teams playing excellent hockey. At half time the score was three to one in favor of Moncton. In this period Wilkie received a severe blow on the head and had to retire from the game. Crockett of Moncton went off to even the sides.

The second half was less interesting than the first. Moncton scored six times in this period, while Halifax did the trick twice. By thus defeating Halifax, the Victorias retain the Starr trophy, having scored a total of 32 goals to Halifax's 19.

### GLOVER GOT DECISION OVER KID GOODMAN

Quincy Mar. 3.—Johnny Glover of South Boston was awarded the decision over Kid Goodman of Boston in a 10 round bout at the Coliseum last night before a crowd of 1200. Three bouts were held by the Quincy R. A., and each bout was a fast one.

The main bout between Glover and Goodman was fairly even in the eighth. Glover by a series of well-directed blows, got Goodman against the ropes, where the fastest fighting of the night occurred for a few seconds.

In the 10th round Glover's nimbleness was more than a match for Glover's aggressiveness and Glover several times sent in a series of well-directed smashes that practically won the decision for him.

In the preliminary bout Frank O'Connor of Boston got the decision over Tommy Flanagan of Cambridge and in the heavyweight class Bob Lefavour of Brocton got the decision over Jerry Gaines.

### MOUTH KESWICK

Feb. 24.—It is with regret your correspondent notes, the death of Basil infant son of Mr. and Mrs. Herbert W. Brewer who died Feb. 24. Basil was a bright little boy aged six months and three days. And his death was keenly felt. Mr. and Mrs. Brewer have the sympathy of the community in their bereavement.

Twas a sweet and precious blossom lent by the Master's hand Sent to him who loved it to join the earthly band

Short and sweet were the hours till the Saviour's voice says "Come" But we who trust the Saviour can say Thy will be done. On the resurrection morning When the graves shall open wide He then shall join his brothers Over on the other side

### K.O. BROWN GAINED POPULAR DECISION OVER WOLGAST

Two Lightweights Fought Slashing Battle at New York Last Night—Rolled Through Ropes

New York, March 3.—While he was forced out of the ring as the close, "Knockout" Brown, the tow-headed little New York lightweight, gained a popular decision over "Ad" Wolgast, the world's lightweight champion in a slashing 10-round bout tonight, at the National Sporting Club of America. Three weeks ago, Brown fought Wolgast at Philadelphia and the crowd of 3,000 which saw him fight tonight voted him a victory, although the law requires that no decision be rendered.

Brown forced the fighting from the start and on the whole gave more punishment than he received.

In the clinches Wolgast showed superior ring generalship, with his infighting. He kept pounding Brown's kidneys in a way that was decidedly effective, and this proceeding met with great disapproval from the Brown partisans, who hissed the champion. While Brown seemed to have a decided advantage in the early rounds, Wolgast did greater execution towards the close of the contest.

Neither man was in distress at any time during the bout, and no blood was drawn. In the last round Brown was backing toward the ropes, as Wolgast rushed. They clinched, and rolled through the ropes together, and Brown would have fallen from the ring had not a cluster of hands shoved him back.

### SIFTON HAS BEEN EAGER TO FLOP

The Herald says editorially tonight:

"The speech made by Mr. Sifton in Opposition to the tariff agreement with the United States was, like all his speeches, a model of parliamentary oratory. It did not precisely add anything to the argument against the tariff agreement, but it freed that argument from the mass of recrimination and redundant rhetoric with which it has been overlaid."

Sir Wilfrid Laurier has never been prodigal of information about his relations with his colleagues. We have not been told all about why Mr. Sifton went out, or why he did not go back. But when Mr. Sifton showed, by accepting the presidency of the conservation commission, that he was ready to renew his interest in public life, those who knew predicted that he would not be long finding his way over to the other side. Most of those who speculated upon his future looked forward to his making a final break with the government when the extension of the Manitoba boundaries came up for discussion. It has not come yet, because Sir Wilfrid is a little too shrewd to be caught in any of the traps Mr. Roblin has laid for him.

"It was no great surprise, therefore, to those who knew that Mr. Sifton had previously severed his relation to the party in some important particulars of parliamentary conduct, to learn that he meant to oppose the government on this agreement. The surprise would have been if he had not taken so good an opportunity to advance along the only road which seemed open to him to travel, that which leads towards the Conservative headquarters."

"Talk of time's whirligigs! Tarte, Blair, Sifton, these three the Opposition condemned beyond measure. Then the Opposition took up with Mr. Tarte for a brief period, then with Mr. Blair for a day, now Mr. Sifton goes over to parley with them some say to lead them. No wonder, having a philosopher's mind and a reflective turn, Sir Wilfrid sat silent with a face void of expression, as he listened to Mr. Sifton yesterday. It was so he listened to Blair eight years ago."

### BOXING NOTES

Terry Martin and Kid Henry have been matched to box in Albany next Tuesday night.

Champion Wolgast and Owen Moran have been offered a \$12,500 purse or 70 percent of the receipts to box in Juana Lower California.

Jim Barry has received word that his match with Joe Jeanette is clinched for March 16th at Tom O'Rourke's New York club. Barry will go to Stratford Conn., to train for the bout. —Boston Globe.

The Jimmy Carroll who broke his arm in a bout at Brooklyn last Monday night is not the San Francisco bantam who will meet Al. Delmont in one of the intercity bouts at the Armory A. A. next Tuesday night. —Boston Globe.

### TRUSTEES MAY ORDER LEAGUE MEETING CALLED

U.N.B. has Submitted Matter in Dispute with Acadia to them—Immediate Action Likely

The U.N.B. hockey people are now waiting to hear from the trustees of the Summer Trophy, to whom the matter in dispute between Acadia and U.N.B. has been referred and it is probable that the trustees will request Acadia to call a meeting of faculty representatives to deal with the matter in dispute. As holder of the trophy, it is Acadia's duty to call such meetings, but so far she has declined to do so, although the season is getting late and time for less.

It should be remembered that the rules governing the awarding of the Summer Trophy call for the playing off of tie games in Moncton. Acadia claims however, that U.N.B. should go to Wolfville to play.

The trustees of the Summer Trophy are Hon. H. F. McLeod of Fredericton, Mr. Herbert Wood of Sackville, and Mr. F. R. Sumner of Moncton. It was thought by the U.N.B. authorities that Hon. F. J. Sweeney of Moncton, was a trustee. Their mistake was learned last night however, and the trustees were communicated with.

### UPPER QUEENSBURY.

Feb. 28.—We have had remarkably pleasant weather for nearly a month and so far the snow falls have been very light. Our weather prophet presages an early spring.

We are delighted to say that our sick are all convalescent.

Our lumbermen are making unusually good progress with their hauling. Some have already finished and are going to haul some more from the stumps.

The Ladies' Aid Society met at Mrs. Edwin Parent's two weeks ago and at Mrs. W. B. Parent's last Saturday. Both meetings were well attended. The useful and fancy articles they are making will doubtless command a good price at their annual sale, the date of which will be given at some future time, the proceeds of which is to go to foreign missions.

Mr. and Mrs. Ira Hagerman, who have been visiting relatives in Southampton, have returned home again.

Miss Nellie Ingraham was the guest of Mrs. I. C. Morrison, Granite Hill, one evening quite recently. Mrs. Harry Currie and Mrs. Lewis Huestis spent a day recently with their sister, Mrs. Jas. Ebbett, Pownook, who is, we regret to say, critically ill.

Mrs. John Allan and Miss Bessie Whitehead of Hawkeshaw, spent last Sunday with Mrs. A. C. Whitehead.

Miss Vera Dunham is staying a few days with Mrs. Jas. Hallett, Springfield.

Ernest Hazelton and Herbert Hay were to Fredericton last week on business.

Mrs. Ernest Hay and children and her friend, Miss McLean of Richmond, Carleton Co., were the guests of Mrs. Hay's parents, Mr. and Mrs. G. L. Parent at Granite Hill, for a few days recently.

Ernest Hagerman and Arthur Dunham are now at work on the brows in Dumfries for Mr. Baird.

After the morning service in the United Baptist Church, our former organist was re-elected by the vote of the choir, which she cheerfully accepted.

W. B. Parent and son, Coles, are at present hauling their bark to Burnside.

A party of young people are anticipating a visit to Mr. Baird's camp next Friday evening.

### A FAITHFUL DOG

Kingston, Ont., Feb. 20.—The fact that he had a watchful dog saved D. E. Terry, employed at the Ordnance store offices, from having his house robbed. At 5.30 o'clock this morning he was awakened by his dog jumping up on the bed. He got up, and as he did so he heard a man going about the dining room. He went after the man, but the latter had left the window open in case of necessity, and succeeded in getting out. As he was making his escape Terry fired a shot to frighten him, but he kept on running and could not be located. Nothing was missing from the house.

A soft flannel cloth dipped into warm soap suds and then into whiting will quickly remove all grease and dirt.
