

OUR BIG Mid-Winter Sale

Started on SATURDAY
.. and Looks Good ..

The extraordinary mark-downs we are making on our clothing and other stock will make this sale a real "Bargain Picnic." Everything in our store has been pruned down fine in price, so as to leave no doubt in the buyers' mind of the genuineness of this sale. They are marked to sell at sight.

Particularly our Overcoats, on which we are making a substantial loss on every coat, to interest buyers and to clean them out. \$4.90 will get you a coat up to date in style, looks good enough for \$10.00, and they fit. \$7.00 is an easy figure for a coat, but it will get you a garment good enough for a lot more money. And \$9.00 to \$13.00 gets you the best to be had. All this year's make, fresh goods, new patterns and fit second to none in Canada.

Give us a look in, whether you want to buy or not. Everything marked in plain figures that you can read, and so low that if you are in need of anything, they will interest you.

BASKETBALL AT COLLEGE GYM. ON THURSDAY

U. N. B. Will Have Strengthened Line-up Against Chatham Y. M. C. A. --Fast Game Expected.

The second senior basketball game of the season will be played at the U. N. B. Gym Thursday afternoon when Chatham Y. M. C. A. will play U. N. B. The game will be a lively one as the five from the north shore is fast and U. N. B. is determined to atone for the defeat received from St. John Y. M. C. A. This game will begin at 4.15.

The teams are expected to line up as follows:

U. N. B.	Forwards	Chatham
McKnight	Mersereau
McGibbon	McCallum
Kinghorn	Fraser
	Defence	
Rigby	Loggie
Dolan	Murray
Bender	

In 1907 U. N. B. defeated Chatham Y. M. C. A. "Happy" Hayward was captain of the team in that year.

The make-up of the Chatham team has changed considerably since that time and is playing better basketball. It is expected that Kinghorn will be back in the game by Thursday and John Doan may don the Red and Black once again. In case he does not play Bender will be used. "Darb" McCoy is expected to officiate as referee.

President Barrow has announced that he has completed the task of signing umpires. He now has eight arbiters under his thumb. The league will employ the double umpire system. Barrow has quite a surprise for his league in the fact that but one of the men worked in the Eastern League the past season. Just who the old men or the new men may be Barrow refuses to make known until the schedule meeting at Baltimore on February 6.

ST. STEPHEN THISTLES WILL PLAY U. N. B. TEAM TONIGHT

Changes in U. N. B. Forward Line--Walker Tried Out on Wing by Fredericton H. C.

The U. N. B. hockey team will go up against the St. Stephen Thistles at the Arctic Rink tonight with a line-up slightly different from that which was used against Fredericton last week the defence will be the same, however, but Coach Sandy Staples has made a shift in the forward line Jack McKay who has played an aggressive game in practice has replaced Pugh at right wing and Tapley will play at centre the position that Greg Feeney filled in the Fredericton-U. N. B. game. Pugh, Willis and Jennings will be the substitutes.

U. N. B. LINE-UP

The U. N. B. team will be as follows:--Goal, Loggie; Point, Starling; Cover point, Babbitt (Capt.); Rover, Barry; Centre, Tapley; Right Wing, Machum; Left Wing, J. McKay; Substitute forwards, Jennings and Pugh; substitute defence man, Willis.

"TANKER" HUGHES REFEREE.

Frank Hughes was first choice for referee and J. D. Black second. The latter declined to act and it is probable that Tanker Hughes will be the official.

ST. STEPHEN STRONG

The exact line-up of the St. Stephen team is not known but will include Lindsay, Love, Logan and Lochray. The latter was expected to enter U. N. B. this term but changed his mind. The Thistles in the days of old held the New Brunswick championship and the 1911 team has reputation of being as fast as any of them. There should be a good sized crowd at tonight's game.

FREDERICTON PRACTICE

The Fredericton H. C. squad had a workout last night. Two full teams

MONCTON WON EASILY FROM NEW GLASGOW

New Glasgow, Jan. 30.--A decisive victory for the Moncton professional hockey team was gained over New Glasgow in a game here tonight by better team work in the last half of the game, Moncton winning by 12 to 6.

Moncton clearly outplayed the local team during the last fifteen minutes of the game, when Moncton scored at her leisure. Had it not been for the fast skating of Williams, breaking the combination of Doran, Scott and Nichols, the score would have been much larger. The result was a big disappointment to the eight hundred persons at the game.

Nichols the new man for Moncton, did not skow up until the last ten minutes of the game, when he, with Scott and Doran, gave an exhibition of the fastest combination work ever seen in New Glasgow. Scott was in fine form and trailing the puck for every second of the game. Doran gave a splendid exhibition of one-handed stick handling, which was indeed pretty work.

At the end of the first half the score stood 5 to 4 in favor of Moncton. In the second half, after five minutes of play, Scott was checked against the boards, by Williams and laid out, while Kennedy went down on the opposite side of the rink, blocked by Murphy.

Kennedy had his collar bone broken leaving the ice, and Sullivan was dropped by New Glasgow. When New Glasgow got her sixth goal, Moncton had ten. Nichols and Scott then scored, each in quick succession, bringing the score of Moncton up to 12.

Blue laws at Hot Springs. So rumor goes. If true many ball tossers will grow legarthic from lack of excitement in the Ozark Valley. Even with the old regime there weren't enough diversions to prevent men from getting dread home-sickness. Players on training tours soon become stale if pastimes are scarce.

were on the ice. The players did not get into the game as hard as they might have. George Walker was shifted from point to left wing and made a good impression. It is not yet known definitely who will compose the team which will play Chatham on Thursday night. The defence will be as usual but it is likely that there will be a change in the forward line.
