OTTAWA EASILY DEFEATED GALT IN FIRST CUP MATCH

REACH'S OFFICIAL AMERICAN LEAGUE GUIDE

That one more ball season is upon us in convincingly demonstrated through the welcome appearance of Reach's Official American League Guide for 1911; being, as usual, first in the field and this spring earlier than ever. The 1911 Reach Guide, which has been edited for many years by Editor Richter, of "Sporting Life," is always up to the high standard set by the Reach Guide ever since the incumbency of the present editor, but it can be justly stated that the 1911 Reach American Guide is the best of the long Reach series and superior to any similar publication in the world, alike in the matter of text, illustrations, quality of paper, binding and all the details that go to make up a handsome as well as readable book—in short the American League Official Guide for 1911 is in all respects a first-class hand book for the National game and a decided credit to the American League and to the publishers, the Reach Company of Philadelphia. This is the tenth annual issue of the Reach Guide as the official handbook of the American League and the twenty-ninth consecutive year of its publication as a book of record and reference for the entire baseball world.

THE OFFICIAL PLAYING RULES

The 1911 Reach Official American League Guide also contains that most important requisite to give it official stamp and public value, namely, the revised and correct new uniform Playing Rules Code for 1911, together with the 1911 championship schedules of the American League, National League and various important minor leagues. The legislation and results of the annual meetings of the American League and National League are also set forth. In short, everything of interest or value either for record or reference will be found within the covers of this great book. The Reach American League Guide for 1911 is for sale by all news dealers at 10 cents the copy.

INTERESTING ARTICLES IN ROD AND GUN

An exploration trip a little out of common forms the leading story in the March issue of Rod and Gun in Canada, published by W. J. Taylor, Ltd., Woodstock, Ont. In this story Dr. Luther Harvey describes a trip to Moose Factory and the very strenuous work he and his guide encountered during their return by Ray of the Abitibi River. It is a story that will delight the hearts of all good sportsmen. A paper on the ancient and Honorable Brotherhood of Sportsmen holds up the highest qualifications for the members of the Noble Brotherhood and describes some of the fine conduct necessary on the part of those who would join the exclusive ranks. Snow Trailing a White Tail Buck is a gem of a story and it does not detract at all from its interest to know that the buck is still at large and will require all the hunter's mettle to overcome his instinct and cunning. In the Conservation of the Ducks, Mr. J. A. McKenzie raises a number of questions of the deepest possible interest to many sportsmen who indulge in a day with the ducks. There are many other good things in the number including the decision of Judge Hewson on the settlers right to big game, the conferences of the North America Fish and Game Protective Association, a review of the New Brunswick game season, the Manitoba Game Laws, the Destruction of Wolves etcetera, affording sufficiently wide reading to interest any and every sportsman concerned in the many game problems raised throughout the Dominion.

Bill Lang, the Australian "hope," has tired of the game. Though he claims to have picked up nearly \$10,000 out of his bouts in England, he does not like the idea of being the receiver general of all the punishment that is handed out. He is going to the Antipodes.

MATINEE RACES ON ICE SPEEDWAY THIS AFTERNOON

The final details of the matinee races on the ice-speedway were arranged last night. On account of the swearing in of the aldermen this afternoon Ald-elect A. B. Kitchen and Mayor Thomas will not be able to act as officials. It is not yet known who will replace them.

The track is in good condition and the liveliest kind of racing should be seen this afternoon. Both Class A and Class B horses will race this afternoon, but it is not known how many horses will be on the ice in each class.

FINNAMORE WILL NOT GO SOUTH WITH MONTREAL

Montreal, Mar. 14—Marvin Peasley, the young New Brunswick pitcher, who is now in the South getting a try-out with Hugh Jennings Detroit Tigers, will probably be farmed out for the season to one of the Eastern League teams, most likely Buffalo. Arthur Finnamore the former Maritime Province professional ball player who broke into fast company last year when he got a try-out with this year.

Montreal in the Eastern, is not likely to be taken south with the team.

NORTH SYDNEY WON CAPE BRETON TITLE

Sydney, N. S., March 13—Before an audience of upwards of 1,500 spectators at Rosslyn rink tonight, North Sydney defeated the Nationals of Sydney in the play off for the Cruise trophy of 1911, by a score of 4 to 1. The game was refereed by "Shorty" Trites, the well known player, and his decisions were most impartial.

U. N. B. HAS STYLE OF PLAY SIMILAR TO TORONTO VARSITY'S

The Toronto Globe has the following account of the basketball game at Toronto on Friday last in which U. N. B. was defeated by the University of Toronto:

"University of Toronto beat University of New Brunswick in the local gymnasium yesterday by 55 to 36. The half-time score was 27 to 19. The contest was fast and clean and one of the best exhibitions of the popular game ever seen on a local floor. The result testifies to some extent at least, the claim of the 'Varsity' team to eligibility to the final of the Canadian championship, New Brunswick won the championship of the Maritime Provinces. The only Canadian team that won from 'Varsity' was Central Y. M. C. A., and Blue and White are waiting for a chance to get even with a game on their own floor.

Mel Brook of the winners featured the game with his splendid shooting and Simpson with his exhibition of ball handling. Boddy also shot well. The New Brunswick team played much the same style of Varsity getting in under the basket before shooting. Dixon and Wood played accordingly and their defense was strong at all times. Fred Smith, of Central Y. M. C. A., refereed. The teams: Varsity: Boddy and Brack, forward Simpson, centre; Wood and Dixon, defence.

New Brunswick: McKnight and Kinghorn, forwards; Alexander, centre; Dolan and Rigby defence.
