U.N.B. TEAM WILL HAVE MUCH CHANGED LINE-UP TOMORROW

Red and Black Team off on Nova Scotia Trip—Dixon and McGibbon to Play Quarter

The U.N.B. team left at nine o'clock last night on its Nova Scotian tour. Coach "Babe" Church has made several remarkable changes in the team, and it is problematical what the team will do against Acadia at Wolfville tomorrow. King's College will be played at Windsor on Friday and the team will return home Saturday night. The coach accompanied the team.

The chief changes on the team is the transfer of Capt. Dixon from the forward line and of McGibbon from the half-line to quarter. The Red and Black has been weak behind the scrim all season and it remains to be seen how this arrangement will work out. Both Dixon and McGibbon were anxious to make the change. Maiman will go the half-line with Murphy, playing at one outside position there. Parker will take Dixon's place in the forward line and Melrose will play "loose forward," probably being used as a fifth half.

The line-up will be: Fullback, Laughlin. Halves, Murphy, Maiman, H. Murray, Willis.

Quarters, Dixon, (capt.); McGibbon, Melrose.

Forwards, Lynch, Patterson, Duquay, O'Halloran, Jewett, Parker, Duke.

Substitutes, Balkam, Vavasour, Murray, McFadden, Manager Loggie. Willis, on account of his eyesight, is played at a disadvantage on a Turk day and if it is raining in Wolfville tomorrow, he will probably be replaced by Balkam.

The Mail has made arrangements to have the result of the Acadia-U.N.B. game bulletined and also to have Coach Church's comment on the result and the showing of the U.N.B. team.

M. P. A. A. EXPELS CAPE BRETON UNION

The annual meeting of the M.P.A. A.A. took place in Halifax Monday evening. Reports for the year were presented and officers elected.

President Johnson in his report recommended that the Maritime Association follow the lead of the athletic unions in other provinces and change its name to the Maritime Section of the Amateur Athletic Union of Canada. The question of the change in name will be further considered at a special meeting to be called for the purpose. G. A. Gauvin who has been connected with the association since its birth handed in his resignation. This was made necessary by the fact that the North-West Arm Club had withdrawn from the association and Mr. Gauvin represented the Arm Club.

The Cape Breton Union which has not lived up to the by-laws of the association, was expelled. The officers for the coming year were elected as follows:

Hon. president—J.C. Lithgow.
President—Dr. Johnson, Charlottetown.

Vice-president—J.G. Wran, Moncton
2nd vice-president—L. A. Gaston, Bay, Halifax.

Secretary—L. B. MacMillan, Charlottetown.

Treasurer—A. McArthur, New Glasgow.

Executive Committee—Joseph Howe Acadia; L. A. Simpson, Amherst; C. G. Kent, Truro; A. Murdoch, Mt. Allison; P. F. Ring, Dartmouth; Lieut. Green, R.C.R.; A. A. W. Covey, St. John; Foster Howe, University of New Brunswick; J. McG. Stewart, Dalhousie; D. A. Cameron Pictou.

BASEBALL NOTES

Now it is Honus Wagner of the Pirates, that is mentioned as the next manager of the Cincinnati Reds. Jimmy McAleer is confident that Jake Stahl will consent to play again and to join the Boston Red Sox.

The Cardinals' defeat at the hands of the Browns and the White Sox killing the Cubs were the real surprises of the post-season games.

By playing in every position on the Denver team W. J. Kenworthy equalled the record made by "Runt" Walsh of the Philadelphia Nationals.

Charlie Comiskey's deer-slaying party, forty strong, is enjoying camp life near Mercer, Wis. This is the 12th annual outing under the patronage of the White Sox master.

The New York promoters say that "less decisions are given in bouts in that city, the game will soon be down and out.

CLARK GRIFFITH TO BE MANAGER OF WASHINGTON

May Become Club President and Take Financial Interest—Cincinnati Takes no Action

Washington, Oct. 30.—At a meeting of the board of directors of the Washington American League baseball club today, Clark Griffith, manager of the Cincinnati National League team, was unanimously selected as manager of the Washington team, to succeed James McAleer, now part owner of the Boston Americans.

The contract is for three years, but the salary was not made public. There is a possibility that Griffith will also become president of the Washington Baseball organization. It is known that he has sought to acquire a block of the stock, and that he has been given this opportunity was indicated by some of the directors after the meeting.

Griffith is said to have left for New York to consult some of his friends regarding becoming financially interested in the club.

CINCINNATI TAKES NO ACTION
Cincinnati, Oct. 30.—A meeting of the directors of the Cincinnati baseball club was held at the club headquarters here today, but the question of a new manager for next season was not settled.

After the meeting, Pres. August Herrmann said that only matters relating to the new grandstand being built at League Park were discussed.

GEORGE NEDEFF USED WRESTLING TACTICS

Eastport, Me., Oct. 30.—Henry Hall a colored middleweight from Boston was matched to box six rounds tonight at the Opera House with George Nedeff a Syrian wrestler and boxer, but inside of two minutes in the first round Hall was thrown on his back by Nedeff and the bout ended. Hall was given the decision on a foul. Nearly 400 sports were disappointed by the tactics of Nedeff.

Terry Brooks of New York and Al Rudolph of Brooklyn went six fast exhibition rounds.

Joe Walcott of Boston will box Hall early next month six rounds.

RING NOTES

Joe Ketchel and Dick Fitzpatrick will meet in South Bend, Ind., November 7.

Pat Moore and Frankie Madole will clash in Philadelphia this week.

Tommy Murphy of Lawrence, and Jimmy Quinlan will box in Lawrence next Thursday night.

Teddy Murphy and Kid Thomas of Lawrence, have been matched to box in Newburyport in three weeks.

Frankie Burns, the Jersey City bantam, has been signed to box Harry Forbes in New Orleans Nov. 12.

Jack Dillon has decided to go on with his bout with Ed McGoorty at Indianapolis next Wednesday night.

Leo Houck and Harry Ramsay have been tied up in another match, which will be decided some day this week in Philadelphia.

"Harlem" Tommy Murphy, who was supposed to be quite wealthy, is said to be broke. It is claimed that he was tricked out of his extensive real estate holdings in New York.

Joe Mandot of New Orleans must be some scrapper when he stops Young Saylor. It was a bad setback for the Indianapolis boxer.

Emil Theiry of Chicago, was a bit hasty about his announcement that he was the manager of Johnny Coulton. The latter says that Theiry is not his manager.

The game must be "in bad" in Memphis when only a dozen sports will go to see a bout between Billy Grupp and Joe Gorman. The bout was called off.

"Cyclone" Thompson will probably be one of Sam Langford's opponents in Australia, as the Cyclone has repeatedly stated that he would not sidestep a match with the colored scrapper. The Cyclone will not be even a zephyr after Langford gets through with him.

TO PROMOTE CHILD WELFARE

Portland, Ore., Nov. 1.—A Child Welfare exhibition, similar to the exhibitions held recently in Chicago and New York, was opened in the Armory in this city today under the auspices of the Oregon Congress of Mothers. Simultaneous with the exhibition which will continue five days there will be held a conference for the discussion of the care of infants, the playground movement, settlement work and kindred topics.

JACK "TWIN" SULLIVAN SHOWED UP TONY ROSS

Boston Boxer Displayed Better Ring Generalship—Ross had Advantage of Thirty Pounds

Youngstown, Oct. 30.—Tony Ross of Newcastle, Penn., who stayed six rounds with champion Jack Johnson in an exhibition contest and who aspires to the heavyweight championship, was unable to defeat Jack ("Twin") Sullivan in a 10-round go before the Steel City A. C. tonight. Sullivan was 30 pounds lighter than Ross. The Boston man displayed the better ring generalship and cleverly blocked most of the vicious jabs of his big adversary.

The first four rounds were give and take affairs with honors even. In the third, Ross threw all his strength into a left swing for the jaw, but missed by a foot. In the fourth, Sullivan blocked two vicious swings. Ross put a left to Sullivan's jaw in the fifth, and Sullivan retaliated with two rights to face and body.

Sullivan landed a right on the jaw in the sixth, and Ross came back with a stiff right to the head. These were the two best blows of the bout. Sullivan landed several rights and lefts on the head and body in the seventh. This was Sullivan's round.

Sullivan landed frequently in the eighth and his clever blocking kept him from receiving punishment. Sullivan did most of the leading in the tenth. The men tried hard for a knockout in the last round, but both quit in good condition.

FOOTBALL NOTES

Paul Veeder, Yale's old half-back, is coaching the Eli backs at New Haven.

Brown and West Point have put the crusher on the so-called "Big Four" of the East.

West Point defeating Yale two years in succession is quite a record for the Cadets.

Carlisle scored 193 points in the first six games this season, while its opponents scored 10.

Jack Bowler, the trainer, sits at the training table with the Dartmouth players to see that they eat little meat.

The University of Mississippi football team has a star in Fullback Cahill. He is a great kicker of field goals.

Bogle, of the Michigan eleven, kicked a placement goal from the 60-yard line in the Michigan-Ohio State university game.

One of the features at the Georgia-Carolina fair at Augusta will be the annual football game between Clemson and the University of Georgia.

The longest and highest punts, from the time they are kicked until they descend to the field, rarely are in the air more than 3 or 3 1/2 seconds.

Harvard and Yale have not crossed each other's goal line since Yale turned the trick in 1907. There should be something doing in the 1911 game. Seven-eleven.

AMHERST INDUSTRY DESTROYED BY FIRE

Amherst, N.S., Oct. 29.—Amherst was visited by fire this morning, which has temporarily put the flourishing industry of Taylor & Tennant, manufacturers of aerated water, out of business.

By the time the fire was discovered it had made such headway that the building was already badly gutted and the building is a total wreck. The general theory is that the conflagration was due to the electric lights. The loss will total about \$10,000. The insurance is about half that amount.

Kid McCoy and Kid Lemmel of Evansville, Ind., will meet at Gary, Ind., Nov. 10.

Fight fans in the south are highly elated over Tommy Dixon, who fights in the featherweight class.
