

ALL ENGLAND REJOICES OVER PEACE PROPOSALS

Anglo-American Arbitration Treaty Fittingly Referred to in Hundreds of Churches --England Solidly Behind Sir Edward Grey-- An Expression of Public Opinion Invited in Both England and America-- Great Demonstration in Albert Hall, April 1.

(Canadian Press)
New York, March 20.—A cable dispatch from the Tribune's correspondent in London states that the proposals for an Anglo-American Arbitration Treaty were welcomed in hundreds of churches yesterday. The Anglicans were not silent but the heartiest responses were from the evangelical free churches. Since the National Council had sent out a general appeal for an emphatic expression of approval of the peace movement by the Rev. F. B. Meyer, chief organizer of the Council has stated to the Tribune's correspondent that yesterday's demonstrations prove that the free churches of the Kingdom are solidly behind Sir Edward Grey and that it remains for the churches in America and the leaders of peace societies to show whether they are prepared to support the British Churchmen. Mr. Meyer had been sending out cables to friends in America and hopes that the enlightened opinion of the religious bodies of both countries can be expressed simultaneously in meetings to be held early in April.

should have a respect for the earliest possible movement which will strengthen their hands, and encourage them to persevere in reducing the proposals to practical form. While there is no central committee in the established church to initiate similar action the utterances of prominent bishops and clergy prove that they are in hearty accord with the international religious movement in favor of permanent peace in the English speaking world.

A GREAT DEMONSTRATION

Albert Hall which seats 10,000 persons and is the largest building in London in which meetings can be held has been secured provisionally for April 1 for the great peace demonstration.

It is hoped the Archbishop of Canterbury will consent to preside. Efforts will be made to have on the platform representatives of all political parties and all religious denominations.

Similar meetings, it is expected, will be held in the great provincial centres. It is in order to allow time for arranging a united expression of American opinion that the Albert Hall meeting has been deferred until the end of next week.

THE POPE REPLIES TO BIRTHDAY GREETINGS

Rome, Mar. 20.—The Cardinals Saturday presented their greetings to the Pope in honor of St. Joseph's Day, which is the pontiff's natal day as well. Cardinal Vannutelli made a brief speech, which His Holiness replied to briefly. It was announced that the Vatican will not recall its nuncio at Madrid unless the position of the Spanish government becomes intolerable in which event he will simply be summoned to Rome without presenting letters of recall thus avoiding a formal diplomatic rupture.

HARPOON THROWER DROWNED BY A WHALE

Boston, Mass., March 20.—News of the death of first mate Cruz of the whaling schooner John Manta has just reached here in advices from the Province-town whaling fleet. Cruz known as one of the accurate harpoon throwers in the fleet, was drowned by a whale. He had just flung his iron into the side of the fine sperm whale, when he inadvertently stepped in a loop of the line at his feet. Instantly he was whirled overboard and held securely by the coils tightening and was drawn to his death in the sea. His body was not recovered.

Prominent Hazen Supporter Is Out Favoring Burden

FORMER WARDEN W. L. McFARLANE BREAKS WITH GOVERNMENT PARTY AND WILL SUPPORT OPPOSITION MAN

Well Known Gentleman Gives Reasons for Supporting Burden and Presides at Opposition Rally---Four Successful Meetings on Saturday Evening---Burden Meets With Fine Reception ---Many Former Hazen Men Will Take Same Action as Mr. McFarlane.

MR. BURDEN'S STAND.
"The people must have a (Valley) road and I will work with them to the utmost of my power to bring about the provision of adequate railway facilities in this St. John Valley." Mr. George F. Burden, the Opposition candidate, at Lower Prince William on Saturday night.

At Nashwaaksis on Saturday evening a successful meeting in the interests of Mr. George F. Burden was held when the chair was taken by Mr. W. L. McFarlane, well known as a former warden of York and as a prominent wagon builder of the county. Hitherto Mr. McFarlane has been a strong supporter of the Hazen government but on Saturday he declared his intention of supporting Mr. Burden and gave his reasons for this attitude in an address during the meeting.

MR. GEORGE F. BURDEN
A staunch friend of a Trunk Line Valley Railway

In every way the meeting was a success as were other gatherings in Mr. Burden's interests on the same evening. One of these latter meetings was held at Lower Prince William another at New Maryland and another at Hartfield. All were indicative of the bright chances of Mr. Burden's election.

At Nashwaaksis the speakers were Messrs. J. F. Tweeddale, M. P. P. of Victoria, and Mr. E. H. Allen. Both gentlemen were heard in stirring speeches exposing the extravagance and mal-administration of the Hazen ministry.

Mr. McFarlane in his words to the audience pointed out that friends of the government had been greatly dis-

appointed at its failure to carry out its pledges made in the campaign of 1908. He drew attention to a number of the pledges which have been broken and said that he had decided that he could not support Dr. Morehouse who appeals to the people on the record of Premier Hazen and Hon. Mr. McLeod and their associates. The ministers have shown, he said, since they took office that they were either insincere and endeavoring to deceive the people when they made their pledges three years ago or they have not sufficient ability to carry out their promises and give the people prudent administration of provincial affairs. For his part he would give Mr. Burden all the support in his power. Mr. Burden, he said, is a man who stands well before the people in every way. Mr. McFarlane also referred to the candidate's experience in the Municipal Council, where he himself had been associated with Mr. Burden. The opposition candidate gave the county good service in the council, Mr. McFarlane said, and he drew attention to one occasion when, he declared, Mr. Burden's foresight and business ability had saved the county thousands of dollars in connection with an issue of bonds.

Mr. McFarlane, it may be said, is only one of a number of former supporters of Premier Hazen who have declared that they will support Mr. Burden as against Dr. Morehouse, the government candidate. And the number is growing daily. A record of broken pledges is not a good vote getter.

At New Maryland the chair was taken by Mr. Jerry Charters and a goodly audience gave careful attention to the speeches by Messrs. A. F. Bentley, M. P. P., and S. B. Hatheway.

Both of the speakers dealt with the issues before the people and showed how completely the government has forgotten its elaborate platform of pledges.

At Lower Prince William the speakers were Messrs. Burden, G. W. Upham, M. P. P., and H. F. S. Paisley. The chairman was Mr. George Hoyt. Mr. Burden in his speech discussed a number of the expenditure items in the 1910 accounts and referred at some length to the Valley Railway project which, he said, had been the subject of considerable footling by politicians. He spoke of his own per-

A COSTLY LUXURY.

In the past two years there has gone into the coffers of the Fredericton Gleaner from the provincial treasury, a total sum equal to more than \$20 a day for every day of that period including Sundays. The Gleaner may be worth that much to Premier Hazen whom it supports. Is it worth that much to the people?

THINK IT OVER.
In 1910 two men, members of the one family, supporters of the Hazen ministry, were together paid upwards of \$2,000 for work as superintendent and foreman respectively on the ordinary bridges of York. The laboring men employed on the bridges were paid a total of about \$5,300. Think it over.

sonal interest in seeing this road made an actuality and of his interest in the project as one which affects so vitally the welfare of the county. If elected, he said, he would endeavor to further the movement that would bring about the construction of the road, no matter what political party might stand to gain advantage from the work.

Mr. Upham also discussed the Valley road question and several other matters of public interest. Mr. Paisley dealt with general provincial questions.

AT HARTFIELD

Mr. N. W. Brown spoke to a large audience in the hall at Hartfield on Saturday evening in the interests of Mr. Burden's candidature. Mr. Milford Bragdon occupied the chair. Mr. Brown was in good form and ably exposed the maladministration and broken pledges of the Hazen government administration.

PREPARING FOR THE CORONATION

Work of Weaving the Cloth of Gold Has Been Begun

King and Queen to Entertain Guests at Great Garden Party at Buckingham Palace.

(Canadian Press.)
London, Mar. 20.—The weaving of the cloth of gold for the King and Queen's Coronation robes has been begun at Messey Warner's Silk Works Braintree. By the order of the Queen who is specially interested in the British silk industry, the material will be entirely of English make. The cloth consists of silk material into which are woven threads of pure gold. When finished the cloth, which will be insured for \$500 will be taken to the London school of art needlework and made into robes for the King and Queen.

The fabric is stated to be worth more than its weight in gold coinage. Queen Mary has already begun the fascinating task of overhauling her fine collection of jewels. Diamonds are her favorite precious stones and among the crown jewels which came into her possession she found several handsome specimens which have not seen the light for several years, but they are to be worn during the coronation festivities. One of the Queen's most prized possessions is a magnificent coronet of Indian diamonds designed in an alternation of fleurs-de-lis and Maltese Crosses, which was usually worn by the late Queen Victoria in her young days. Several new features for the coronation program have just been announced.

Previous to the departure of the foreign guests the King and Queen intend to give a great garden party in the grounds of Buckingham Palace, a function to be run on the lines of the late King's garden parties at Windsor.

DR. WASHINGTON VICTIM OF AN ASSAULT

New York, March 20.—Upon complaint of Booker T. Washington, the well known negro educator a man was locked up by the police last night, charged with assault upon Dr. Washington. The latter received so severe a blow on his head from a club that he was at the hospital for over an hour having the wound dressed.

The trouble occurred on sixty third street while Dr. Washington waiting for a gentleman friend walked up and down for more than half an hour. His wait was interrupted by a man having the appearance of a janitor who emerged from a house in the vicinity with a big club in his hand according to the complainant, and struck Dr. Washington.

The alleged assailant who is a large German, gave his name as Albert Ulrich. He said his wife complained that a negro was hanging round acting suspiciously and he went out with a club to investigate.

New York, N.Y., March 20.—Dr. Booker T. Washington was not able to appear in court today in his complaint of vicious assault was postponed until tomorrow. Ulrich was held in \$11,500.

BOY SCOUTS FOR THE CORONATION

Arrangements Being Made to Send a Contingent From Canada

Montreal Paper's Advertising Scheme Has Not The Approval of The Dominion Council.

(Canadian Press)
Ottawa, Ont., Mar. 20.—A notice from the headquarters of the Canadian Boy Scouts, Ottawa says:

"The attention of the Chief Scouts, and the Dominion Council has been called to an announcement by a Montreal weekly publication, that arrangements were being made towards sending a party of Boy Scouts to England to witness the Coronation ceremonies. It is desired to announce that this scheme has not the approval of the Dominion Council, and all scout associations are warned against participating in it. The Dominion Council do not approve of the boy scouts being made the basis of an advertising scheme, a policy directly opposed to the principles of the movement. Further, if such a party of boys is sent to England it will not be recognized by the English boy scouts without the approval of the Dominion Council.

"Arrangements are now being made by the Dominion Council towards sending a contingent of Canadian Boy Scouts, representing each province to England in June, either to attend the Coronation (if provision can be made for them) or participate in a rally to be held at Windsor Park early in July. The discipline and career of such a party is of so much importance that the utmost caution will be exercised to ensure competent officers being in charge, and every precaution taken to safeguard the welfare of the boys."

ONTARIO MAN CONFESSES TO SHOCKING CRIME

Goderich, Ont. March 20.—Edward Jardine aged 22 years, now confined in the county jail awaiting trial at the Spring Assizes next month for the alleged murder of Lizzie Anderson, has made a complete confession that he alone committed the deed. This confession was secured by Dr. R. W. Bruce Smith, inspector of prisons and asylums of Toronto, who was here Saturday. Chief coroner Arthur Jukes Johnson, of Toronto, was also here to examine the sanity of Jardine and George Vanstone. The latter is awaiting trial on a charge of murdering his six year old son here last fall.

In the statement said to have been given, Jardine admits that he enticed the Anderson girl from the fair grounds to the vacant building a short distance away. After some altercations in which she threatened exposure he struck her with the jack knife and she succumbed almost immediately. This murderous attack Jardine alleges, was due to a fit of temporary insanity. Later Jardine stripped the body of its clothing by slashing off each article with his knife.

Inanity will be the defence in the case of both Jardine and Vanstone.

AN EARL'S DAUGHTER WILL BE A NURSE

If, after two months she has passed the examinations she will be admitted as a probationary nurse in the hospital and undergo two years of training. Lord Grimstone is her only brother.
