**MANY LIVES LOST
IN MINE HORROR**

Eryesville, Dec. 11.—Rescue parties today renewed their packing and are beginning an attempt to force the Cross Mountain here to give up its dead. Having forced their way three miles into the mountain and brattled more of the mine Cross entries members of the rescue crew expect to stumble onto corpse-strewn chambers at any hour now. That there are one hundred more dead men remaining in the mine there is no doubt. All thought of rescuing alive any of those who went to their toll to be embraced by death has been abandoned.

**CHRISTMAS GIFTS
FOR THE BABY**

Are you thinking of a gift for baby? Then why not combine beauty and usefulness and make the gift yourself?

If the little one needs a cap, purchase half a yard of handkerchief linen and make a perfectly plain cap for which you can buy the pattern at any department store. Then on a strip of the linen fourteen inches long and five inches wide, stamp and embroider a dainty design in mercerized linen thread. One of the most attractive patterns shows three circles of tiny daisies, in the centre of which is insert a medallion of Irish lace, and the circular part of the cap at the back is embroidered and insert in the same manner. The embroidered strip is edged all around with narrow Irish edging and is set on over the front of the plain cap. This has been edged about with lace. This forms a double row of lace in the front, making an attractive frame for the little face.

A spray of tiny ribbon rosebuds may further ornament the top of the cap if you wish. The linen cap, of course, is worn over a padded silk lining. If you make this lining yourself, sprinkle a little violet sachet powder between the silk and interlining.

I saw a very pretty cap designed for cold weather. It was of white fur, made perfectly plain over a pale pink lining, the only trimming being a cluster of ribbon roses and tiny green satin leaves placed directly on top and well to the front. A fringe of lace was insert between the fur and the lining.

Little slippers or booties are always acceptable, for restless little feet wear out so many shoes.

You can make these of linen, crash or kid. The tops of your old evening gloves can be cleaned and converted into the daintiest slippers for baby.

Cut the slippers over a reliable pattern and make according to directions decorating the front and sides with dainty embroidery of hedebo work. Even the buttons on linen booties should be embroidered. A short sacque of linen or fine French flannel has a collar with scalloped edges embroidered in little sprays of forget-me-nots. The edge is buttonholed and a fringe of narrow lace is set underneath. Folded-back cuffs match and the sacque is lined with china silk.

Babies always need bibs. The number of patterns to choose from is virtually unlimited. They can be made plain or as fancy as desired, finished with embroidery, lace or feather-stitching, only an important point to remember when making a bib for baby is to fit a pad of absorbent cotton under the outer covering, else the moisture will soak through and ruin the dainty dress underneath.

**ABSOLUTELY CURES
STOMACH TROUBLE
AND INDIGESTION**

The question as to how long you are going to continue a sufferer from Indigestion, Dyspepsia or out-of-order Stomach is merely a matter of how soon you begin taking some Diapepsin.

If your Stomach is lacking in digestive power, why not help the stomach to do its work, not with drastic drugs, but a re-enforcement of digestive agents, such as are naturally at work in the stomach.

People with weak Stomach should take a little Diapepsin occasionally, and there will be no more Indigestion, no feeling like a lump of lead in the stomach, no heartburn, sour risings, gas on stomach or belching of undigested food, headaches, dizziness or sick stomach, and, besides, what you eat will not ferment and poison your breath with nauseous odors. All these symptoms resulting from a sour, out-of-order stomach and dyspepsia are generally relieved in five minutes after taking a little Diapepsin.

Go to your druggist and get a 50-cent case of Pape's Diapepsin now, and you will always go to the table with a hearty appetite, and what you eat will taste good, because your stomach and intestines will be clean and fresh, and you will know there are not going to be any more bad nights and miserable days for you. They freshen you and make you feel like life is worth living.

**PRAYER FOR DUKE
ON GR/IN OF WHEAT**

Ottawa, December 8.—The Duke of Cornwall, will before long receive at Government House a unique gift in the form of 390-word prayer inscribed on a grain of wheat. The work is being done by Mr. Aaron Kirschlieff, who lives near Edmonton Alberta.

A special from there to the Journal says:

"Among many other wonders which the Peace River country is destined to produce in the wheat line, according to Bert Hendley, a homesteader from that country, is a challenge for the peculiar championship claimed by Bauch Mordecai, son of Zosbi Hirsch Scheinmann of Jerusalem. The would-be champion is Aaron Kirschlieff. He has selected a peculiarly large, perfect grain of wheat and is engaged during his spare winter evenings, in inscribing upon it, in letters so small that only a powerful microscope could make it readable, a prayer for the Duke of Cornwall. Kirschlieff expects to complete his task this winter and will then forward the odd little token of loyalty to Ottawa Hall.

"The only other known instance of such difficult and painstaking work is that of the champion prayer of 380 Hebrew letters upon a grain of wheat for Sir Moses Montefiore. Sir Moses kept the prayer until his death, and it now in the possession of one of his friends. Kirschlieff intends to inscribe 390 letters on his grain of Peace River wheat."
