Give your servants **GOLD DUST** to clean with, treat them rightly and you will have few occasions to insert a "help wanted" ad

They say a good workman is known by his tools. You cannot expect your maid to keep everything ship-shape unless you give her every modern help. To keep house without **GOLD DUST** is to do work by hard, old-fashioned methods. For cleaning everything and anything about the house—from cellar to attic—**GOLD DUST** is worth its weight in gold. It cuts grease and dirt like magic, does away with scouring and scrubbing, and saves time and tempers.

Your servant can do more and better work and keep sweet with the aid of **GOLD DUST** in all household cleaning.

TWO BIG SURPRISES
SPRUNG IN N. H. A.
LAST EVENING

Champion Wanderers Beaten by Renfrew—Quebec Played Les Canadiens Off Their Feet.

Ottawa, Ont., Feb. 16.—One of the greatest surprises of the season in the National Hockey Association was sprung here last evening, when the Renfrew Hockey Team, downed the Wanderers, last years champions, by a score of five goals to four. Renfrew cleverly earned a clean cut victory for they clearly outplayed the Wanderers, players in the second period setting a furious pace that the fast fading Montreal aggregation was unable to maintain.

QUEBEC 7, CANADIANS 4

Quebec, Que., Feb. 16.—Quebec almost played Canadiens off their feet in the first period of their scheduled match here last night and scored three goals right off the reel. Canadiens then began to find their feet and scored once before the period closed. It was evening up pretty well during the second period with Quebec still in the lead, the score being 5 to 4 in favor of the locals at the close. The final score was seven to four for Quebec.

CHATHAM WON
McLELLAN CUP
BY ONE POINT

Amherst, Feb. 15.—The Chatham curlers played a two-rink game here at the Chignecto Curling Rink to-night against the local curlers, for the McLellan Cup. A very tight and interesting game was played, all depending on the last shot. Chatham won by just one point. Following is the score:

Amherst—J. A. Crossman, W. R. Fitzmaurice, R. C. Fuller, W. G. Gahoun, skip, 14.

Chatham—A. B. McKinnon, M. M. Russell, J. D. McNaughton, J. R. McKnight, skip, 11.

Rink No. 2.—Amherst—Percy Black, H. W. Rogers, J. N. Page, C. S. Sutherland, skip, 16.

Chatham—W. W. Logie, L. W. Strang, P. G. Heckbert, Howard McKendy, skip, 20.

The Chatham curlers left for Sackville on a special train to play a social game there this evening. The Chatham Club held the McLellan Cup two years ago but lost it to Truro.

BENEFIT NIGHT.

Tonight at the Arctic Rink, the Marysville Midgets and the Fredericton Second Team will play. The game is for the benefit of George Wagner, the painstaking rink janitor, and should be well attended. The brand of hockey will be all right, for both teams skate fast and know the game from start to finish.

JOE CROCKETT HOLDS
RECORD FOR PENALTIES

Moncton, Feb. 15.—Joe Crockett, the veteran hockey player wins the gold watch put up by William McMullen for the cleanest player on the Moncton team. He had but three minute penalties for nine hours actual hockey play.

He has served but seven minutes on the boards during six years of solid hockey.

ROD AND GUN

Some of the many joys of the Canadian winter form the predominating feature of the February issue of Rod and Gun in Canada, published by W. J. Taylor, Limited, Woodstock, Ont. A snowshoe tramp is not only enjoyable but likewise health-giving and as a recreation cannot be surpassed. When such a tramp can be taken in the winter woods, which have charms and glories all their own, the fascinations of the outing are unequalled, and he who has failed to indulge in such pastime has missed much that goes to make life worth living. Beyond the winter joys there is so much well worthy of attention. Hunting in the Land of the Caribou—Newfoundland—well describes the attraction of that island to the big game hunter; while the advantages of Quebec, of Nova Scotia, of British Columbia and of both old and New Ontario for game and game fish are recorded by those who have had experience and recount their experiences for the pleasure and profit of their fellow sportsmen. An illustrated description of a portion of the mountain section of the Grand Trunk Pacific goes to show that in scenic beauties Canada's new transcontinental is going to rival any other route. There is also a wealth of further articles on sporting matters and the large army of trappers will be particularly interested in an illustrated account of the Hamilton Winter Tournament. Altogether this number has only to be seen to recommend itself, as the finest exponent of Canadian outdoor life in its many phases now published.

A CANADIAN

The dispatches describe McCurdy, the daring and all but successful hero of the attempt to fly from Florida to Cuba, as "a Canadian by birth but now affiliated with American aviators." No matter what his affiliations of his future achievements may be, his fellow-Canadians will never forget that he is one of them, and he is not likely to forget it either. In the mere matter of courage he has many worthy rivals, where he stands easily first to date is as to the intelligence with which he prepared for his momentous voyage and the resourceful ingenuity which he displayed in putting his plan into execution.

It is quite apparent that he is a thorough scientist as well as a daring operator. He took no chances, and if the pontoon idea is his own he has by that alone earned an indisputable title to fame. The fact that he descended rapidly to the water and that he floated there with ease and safety till the war vessels picked him up is much more interesting and instructive than his safe arrival in Cuba would have been. Hence forth pontoons will be part of the equipment of every aeroplane that is likely to sail over a wide area of deep water.—Toronto Globe.

KLAUS HELD
HONORS IN BOUT
WITH LEO HOUCK

Winner Aggressive in Eight of Twelve Rounds—Houck Lacked His Usual Confidence.

Boston, Feb. 15.—While the middleweight elimination bout between Frank Klaus of Pittsburgh, and Leo Houck of Lancaster, Penn., at the Armory A.A. last night was not so spectacular as the fans figured on, it was a hard, gruelling contest, with Klaus having the honors in eight of the twelve rounds. In only three sessions could Houck be credited with having the better of the argument, while one round was even.

At six o'clock in the evening both weighed under 158 pounds, the limit that some of the promoters and boxers have put for the middleweight class.

Both men looked to be in good shape when they entered the ring. From the start Klaus became the aggressor, and he displayed more confidence than did Houck.

It was the work that Klaus did at close quarters which practically won the battle, though in the third round he put Houck down on the mat with a right and left on the jaw in Houck's own corner.
