Amby McConnell played the game of his life during the Cub's White Sox series in Chicago.

By deserting the Giants, "Bugs" Raymond lost a lovely bunch of regular money. His salary and share of the world's series money would have been some bundle.

Chicago and Pittsburg were the only teams in the National League, and Detroit and Washington the only teams in the American League to play the full schedule of 154 games.

Nick Cornish of Savannah, Ga., has been elected president of the South Atlantic League, and Augusta and Charleston have been dropped from the organization, reducing the circuit to six clubs.

At a recent meeting of the Cotton States League the salary limit was reduced to \$1,250 for twelve players, including the manager. A Lewis, of Jackson, Miss., was elected president of the organization.

Changes in the big leagues now being talked of are:

George McBride of Washington, to join the Boston Red Sox.

Mt. Allison Trimmed U. N. B. by Four Tries to Nothing

Playing of Red and Black Forwards Redeeming Feature of the Work of U. N. B. Team--Superiority of Mount A's Backs Counterbalanced Excellence of Opposing Forwards--Visitors' Quarters Strongest Part of XV--Opinions on Game

U. N. B. BACKS WEAK

Mt. Allison 12, U. N. B., 0. Four tries to nil! That was the tale of the first intercollegiate game of the season played at College Field yesterday. The playing of the U. N. B. team was a tremendous disappointment to the supporters of the Red and Black. The U. N. B. forwards were good and outplayed the Mount A. pack in everything but the throwing out from touch. U. N. B. was expected by their opponents to be strong in forward play and was up to expectations. The Red and Black backs were outplayed from start to finish however, even the strongest men in that part of the team not playing up to their usual standard. The game was played in a steady fall of wet snow which made the ball greasy. Mount A's backs were able to handle it all right however. E. McKay Forbes of Dalhousie College was referee. His style of officiating was open to the criticism that it put too great a premium on a scrumming. It was better for U. N. B. that such was the case as the Garnet and Gold backs were immensely superior to their opponents. U. N. B. supporters claim that the first try was made after the ball was passed ahead and that Smith scored the last without the ball being properly scrummed.

NUMEROUS CHANGES

Numerous changes will be made on the U. N. B. team as a result of yesterday's game. Barry the full back was hurt late in the first half straining a tendon. He was replaced by Laughlin who will probably remain in the position. Balkam's work on the half-line was not up to the mark and new material will be tried out. Search will also be made for a new quarter and a couple of changes in the forward line are expected.

ROUGH GAME

The game was rough and dirty with both teams offending. U. N. B. lost chances to score in their attempts to play the man and not the ball. Dickinson was out for short periods several times as were also Buckley, Thompson and Smith. Thompson repeatedly tried and succeeded in tripping U. N. B. men and after one attempt was landed hard on the cinder-path when the play was near the touch-line and had to take a rest before resuming. Woodman kept after Capt. Dixon of the U. N. B. team all the time and was cautioned by the referee to cut out the scrapping.

The second half saw U. N. B. forcing Mount A. right to the goal-line but unable to score. Mt. Allison's tackling was sharp enough to force the play back. In dribbling the U. N. B. forwards had their opponents beaten but the Garnet and Gold backs were able to stop the ball before it had gone far. The U. N. B. backs on the other hand failed to stop Mt. Allison when they got away on dribbles.

ORDINARY TRICKS WORKED

Mt. Allison was also able to work some very ordinary tricks on the U. N. B. men. A cross-kick from one outside half to the other worked several times and on the throw-out from touch the Mount A. men worked several dodges.

The Mt. Allison team left this morning for Charlottetown, where the Abegweits are to be played on Monday.

FOOTBALL NOTES

The officials of last year's Harvard-Yale game have been selected for this year's game without discussion. The University of Pennsylvania team has a new quarterback in Barr, who looks strong enough to make good.

Michigan seldom runs up big scores against the little fellows, but as a rule plays a great game against the heavy boys.

The tallest man on the Carlisle Indians squad is Long Roach, a tackle who stands 7 feet 4 1/2 inches; and the shortest player is Jackson, a half-back, who is only 5 feet 1 inch high. Owing to the fact that practically his whole fleet will be off New York Nov. 25th, the date of the Army game at Philadelphia, the demand for seats for the contest is greater than ever before.

COMMENT ON GAME

CAPT. DIXON, (U. N. B.)
I haven't much to say about the game. In spite of the result I don't think Mount A. has the better team. The wet weather had a lot to do with our defeat. Our forwards were all right.

COACH HERB PAISLEY, (MOUNT A.)
U. N. B. PLAYED THE MAN TOO MUCH and the ball too little. They missed chance after chance by pursuing just those tactics. That was the whole thing. Their forwards were good, just as we expected. Their backs were not.

CAPT. BUCKLEY, (MT. A.)
On a dry day Mount A. would have scored even more than they did yesterday. The U. N. B. quarters were weak and let us through easily. The halves were not on the watch for even ordinary tricks. We worked the cross-kick easily.

COACH "BABE" CHURCH, (U. N. B.)
On a dry day the U. N. B. team would have won. I can't see that Mt. Allison has the better team. I am disappointed, but it is all over. The U. N. B. team is going to have a big shake-up. Barry's injury will prevent him playing fullback and there will be a new man for that position. There will be new material put on the half-line. There will be a new quarter and probably two new forwards. The scrim came up to expectations, but the quarters and halves were away off. With the exception of a couple of fumbles, McGibbon played well.

REFEREE FORBES, (DALHOUSIE)
That U. N. B. forward line could go up against anything in the Maritime Provinces and make good. I saw Mt. Allison and Acadia play in Halifax against Halifax teams. U. N. B. has the best forwards in the Intercollegiate League, but I don't agree with the opinion expressed by the Halifax papers that Acadia is better than Mount A. The quarters are the main strength of the Mt. Allison team. Buckley is one of the top-notchers in the Rugby game in the Maritime Provinces. The quarters were the weak spot on the U. N. B. team.

CAP DEEDES.
The U. N. B. forwards have nothing to be ashamed of. They couldn't play better football. The best forward line I have seen in five years. The quarters and halves were an absolute disgrace, except Willis. Individuals were good at times but passing could not be worse. There was also fumbling. The weak spot in the half-line was Balkam, as I said weeks ago and was laughed at. The team played three times as well as in St. John, and even then I said their form was not good enough to win the cup. If the team HAD PLAYED THE BALL MORE AND THE MAN LESS they would have gone a long way towards winning the game. All they seemed able to do was to try and lay out their opponents and let the ball take care of itself. If you play the man you must play the ball with him, and anyhow it is not football.

I have heard the bad play of the quarters and halves excused on the ground that Mt. A. played offside, which is a very childish excuse for perfect inability to do anything right. The men back of the scrim were even afraid to fall on the ball. If he is not scared the absolute fool can fall on the ball and stop a dribble when he can't pick it up. It is very disheartening to forwards to work the ball right up the field, and then lose all the ground gained, owing to the futile play of the half-line but the U. N. B. forwards stuck to it to the end. The best forwards on the field were Melrose, Dixon, Duke and O'Halloran.

HOW THE GAME WENT

The game started very evenly. U. N. B. kicked off and rushed the play into Mt. Allison territory. The Garnet and Gold backs tackled hard however and made up for the superiority of the U. N. B. forwards. Muffling let the ball go to the U. N. B. Twenty-five. For a while the Red and Black forwards were able to relieve the pressure by dribbling but the opposing backs brought the ball back. Woodman bot the ball on the throw out from touch and scored the first try about eight minutes from the beginning of the game. Milford as with the other tries made failed to convert. Play remained even during the remainder of the half the ball going back and forward between the two twenty-fives. A few minutes before the end of the half Smith got the ball after a bout of passing, ran inside Belknap, dodged Murray and Barry and scored. It was at this point that Barry was hurt straining a tendon in one of his legs.

SECOND HALF

The second half began with U. N. B. playing Mount A. off their feet. For some minutes it seemed as if the Garnet and Gold could not beat off the attack of the Red and Black forwards. Buckley relieved with a long dribble. Smith getting the ball on a cross-kick carried it into touch at the U. N. B. five-yard line and Buckley scored on a dash from a scrum. The U. N. B. attack kept up and play was right on the Mount A. goal-line for some time. Sharp tackling by their quarters forced the play down the field after U. N. B. had lost the best chance of the game to score. Bad feeling was evident at this stage and Mt. Allison men were cautioned. The ball remained in Mt. A. territory until Smith getting the ball on his own twenty-five scored on an end run. U. N. B. supporters claimed that Smith got the ball before it had been properly scrummed. This made the score 12 to 0. At this stage the Mount A. backs were playing all around their opponents and only Buckley's mistaking the five yard line for the goal line prevented another try being scored. U. N. B. forwards rushed the ball into Mt. Allison territory and it was there when time was called. U. N. B. had the better of the territory play during this half but lacked scoring ability.

The line-up was as follows:—

INTER-SCHOOL MATCH PLAYED HERE TODAY

Rothsay and Fredericton High School are playing in the Inter-scholastic Rugby League Series at Scully's Grove this afternoon. The game is the deciding one of the league. Fredericton High School will win the cup if victorious today. If Rothsay wins that team will be tied with the Fredericton H.S.

The Provincial Normal School team did not go to St. John today to play St. John High School. There is a senior game at the Winterport, however, Moncton playing the St. John Harriers.

Manager George Stovall of Cleveland, to manage the Washington team.

Charlie Wagner of the Boston Red Sox, to manage the Cincinnati Reds.

RING NOTES

Owen Moran and Jim Drisoll will meet at Birmingham, Eng., Dec. 2.

The clergymen in Australia have begun a crusade to stop the boxing game in that country.

Ad Wolgast is training at Ferndale Park, a few miles outside of Philadelphia, for his coming bout with Matt Wells.

Millard Drinkwater is still at the Readville track with his bunch of promising youngsters. Millard did not go to the races this season, but has developed quite a lot of speed that he thinks will be of use later on. One of the best youngsters in his stable is a roan two-year-old filly, by Rebel Baron out of a Jay Bird mare.

Wintering in Chicago did not agree with Johnny Evers, and the star second sacker will return to his home in Troy, N.Y.
