## GRAND CIRCUIT ANNUAL MEETING IN JANUARY

Rockingham Park after Dates—Trouble  
Expected over Half-mile Track at  
Goshen

(Boston Globe)

The campaign of 1912 is already engaging the attention of harness horse turfmen. Always at this season—owners and trainers are searching for racing material, but seldom if ever before has there been any activity among track managers until after the Christmas holidays.

There is something doing this fall, as the following from Harry Devedaux, president of the Grand Circuit shows:

"The annual meeting of the stewards of the Grand Circuit is held in January each year. Pending the meeting for 1912 and with the plan of having a more definite idea of the proper action to take in arranging a circuit for 1912, I propose to call a special meeting of the Grand Circuit stewards in the near future.

"This will serve as an open letter to anybody desiring membership in the Grand Circuit or to anybody who has a suggestion of a change of any kind with the request to communicate with me that I may present their case to the stewards properly."

The calling of a special meeting of the Grand Circuit stewards means that the Cleveland man is trying to avoid the unsatisfactory conditions which came about last season through the manner in which the makeup of this circuit was handled by the Stewards. The coming into the field of Rockingham Park has doubtless also had something to do with calling the special meeting.

### ROCKINGHAM AN APPLICANT

There was considerable talk down the line this summer that the Grand Circuit was passing and that another year there would be no meetings east of Cleveland. With those who have followed the sport for years this talk meant nothing, for without the East the sport would seem to be in the West. Rockville, Hartford and Syracuse were known to be certain members in 1912, and Goshen has no intention of giving up its membership, leaving Buffalo the only doubtful Eastern member.

### STILL A MEMBER

Columbus is still a member of the circuit and will have a vote at the special meeting if it sends a representative. Columbus in its fit of anger resigned last spring, but the by-laws of the circuit say that resignations can only be considered at an annual meeting. Therefore Columbus is in the circuit, and unless it resigns in January will remain in.

There is not the least doubt that Columbus desires to stay in, and it is quite likely that satisfactory dates will be provided for next season. Indianapolis is a member, but there is some question as to whether it will continue, as there also is about Buffalo.

This special meeting will give the stewards an opportunity to straighten out any tangle that seems imminent regarding dates before the annual gathering, so that in January the session should be short and peace. Wilbur Duntley will ask dates for Rockingham Park, so that the stewards will have at least one new applicant to consider at their special meeting.

One of the matters that will be discussed by the stewards will be the awarding of dates to Goshen if it continues to use the half-mile track. Goshen has a first-class mile course, and an effort is being made to have the Orange County men use it for the circuit meeting.

## PRODDERS TO PLAY HOCKEY IN QUEBEC

London, Ont., Nov. 2.—George Prodders, last year's sensation of the Ontario Pro. Hockey League with Waterloo has returned to his home in this city. He announces that he has received an offer to play right wing with the Quebec pro. club this season, and has decided to accept. "Goldie" will undoubtedly make good in the faster company.

Good again. Reed did so and was disqualified.

The sports of Cleveland are making an effort to have the game in that city put under the supervision of a commission, as it is in New York. Victor McInnes last night matched John Munroe to meet Harold Weeks at New Bedford Nov. 20.

Young McDonough and Kid Sealer met in Lowell Thursday night.

## FATAL THIRD RAIL RUINS CHAMPION DISCUS THROWER

Jim Duncan, of Mohawk A. C. New York, in Hospital—Will Probably Never Compete Again

New York, Nov. 20.—Jim Duncan, captain of the Mohawk Athletic Club, and considered second only to Martin Sheridan in throwing the discus, may never compete again. While at work on the tracks of the New York Central Railroad he fell against the third rail and was severely burned about the hands, arms and body. He is now at Lehigh Hospital.

While the physicians say he will be able to leave the hospital in a few days, friends who have seen him say the injuries to his arms may prevent him from continuing as a weight thrower.

Within two years Duncan has climbed from a fourth-rate athlete to a champion. He holds the Junior National, Junior Metropolitan and Canadian titles.

In the last two years Duncan has become much heavier, and with more weight he gained strength enough to hurl the saucer-shaped missile greater distances. Last year he showed marked improvement, but it was not until this spring that he was considered of championship calibre. Twice in competition he defeated the mighty Sheridan, and several times hurled the disk to within a few inches of a record.

So great was his improvement that experts predicted Sheridan would have to work hard to hold his world's title and record.

Duncan took a let up in training several weeks ago and said at the time he would train during the winter only enough to keep himself from becoming "flabby." "In the spring I'll start real training," he said, "and I hope to make that Olympic team."

## PRO HOCKEY MEETING AT HALIFAX WEDNESDAY

(Acadian Recorder.)

Representatives of professional hockey league teams will meet in Halifax Wednesday to make arrangements for the season and draw up the schedule.

It is likely that the clubs will adopt the same rules as the N.H.A. This would mean the adoption of the three-period style of game, twenty minutes each, instead of "halves," while the other will be the dropping of the rover, six men to constitute a team.

## CANADIAN HORSES WON PRIZES AT NEW YORK HORSE SHOW

New York, Nov. 20.—Canadian horses were prize winners in the event that is regarded as the most severe test of horseflesh during the week at the horse show. There were sixty-one entries in the class for hunters and jumpers, carrying a minimum of 140 pounds over four hurdles five feet high.

A part of the judging took place in the forenoon, but at the afternoon competition the last of the session there were twenty-nine entries to be disposed of. All carried considerably more than the minimum weight. The final winner was Aristocrat, of the Blenheim Farm, Maryland, which carried off the \$200 prize. The second prize, \$100, was handsomely won by Hon. Adam Beck's Sir Edward, while P. M. Clifford Sifton's The Wasp, was the winner of third money, \$50.

In the international contest for military chargers, ridden by officers in uniform, Ireland, Holland and Belgium were in the list with the U. S. While it was admitted that the horses from other countries were the better jumpers, the U. S. cavalry horses showed superior action and the Plaza Cup, valued at \$200, went to Capt. Guy V. Henry, of the U. S. Cavalry, who rode Chiswell, one of the mounted service school, Fort Riley, Kas. Black Paddy, ridden by his owner, F. P. M. Van Vorst Ter Goor, of the Royal Dutch Hussars, was second, with Experiment of troop A, 15th U. S. Cavalry as third.

## JAMES R. KEENE RETIRES FROM TURF

New York, Nov. 20.—James R. Keene, vice-chairman of the Jockey Club, has decided to retire from the turf—that is, so far as racing thoroughbreds is concerned. This announcement is made today by Algeron Daingerfield, in saying that eight horses which have been raced in Mr. Keene's name in England this year would be soon under the hammer at Newmarket the first week in December. His horses in training in the country had all been disposed of previously, so that except for his breeding farm in Kentucky and the one abroad, Mr. Keene will not be known to the turf. Poor health is given as the reason for his retirement.
