HORRIBLE ACCIDENT ON RAILROAD BRIDGE

Paris, Aug. 30.—A railroad bridge in the course of construction over a deep gorge near Brail in the Engadine Valley of Switzerland collapsed last night carrying with it 25 workmen to the depths below. Twelve of the men were killed and ten others frightfully injured. The remaining three have not been accounted for.

Makes Hair Grow

Ryan has an invigorator that will grow hair or money back.
The time to take care of your hair is when you have hair to take care of.

If your hair is getting thin, gradually falling out, it cannot be long before the spot appears.

The greatest remedy to stop the hair from falling is SALVIA, the Great American Hair Grower, first discovered in England. SALVIA furnishes nourishment to the hair roots and acts so quickly that people are amazed.

And remember, it destroys the Dandruff germ, the little pest that saps the life that should go to the hair from the roots.

SALVIA is sold by Ryan under a positive guarantee to cure Dandruff, stop falling hair and itching scalp in ten days, or money back. A large bottle costs 50c. The word "SALVIA" (Latin for sage) is on every bottle.

WOMAN OF 96 WEDS A YOUTH

Troy, Missouri, Aug. 29.—Mrs Nancy Edey 96 years old, today became a bride for the sixth time, her latest husband being R. Endow, 24 years old. The bride's fifth husband died six weeks ago at a county poor farm here. The pair were given an ovation when they left for a wedding tour. Although grey haired Mrs Endow does not look so near the century mark.

TONG WAR IN CHICAGO CHINATOWN

Chicago, Ill., Aug. 30.—A tong war which has been threatened for some time, broke out in Chinatown last night and as a result Lee Yee Wing, a merchant is dead and Moy Dong, a laundry man is in a critical condition at a hospital. Both were shot twice. The shooting was done by Chu Tu Hun who escaped in a taxi-cab.

Moy Dong Tong is a cousin of Frank Ma, "King" of Chinatown. The police believe the refusal of the Heping Tong led up to the shooting. Many of the Chinese present were arrested.

LOS ANGELES HAS AN OFFICIAL FLIRTER

Los Angeles, Calif., Aug. 30.—Ten men accused of flirting with Miss Fay Evans, the volunteer "official flirter" of the police department, have been arrested in the last twenty-four hours. Five, in the police court, pleaded guilty to the charge and were sentenced to pay a fine of \$30 or spend thirty days in jail. Five others who were arrested last night, will be arraigned in the police court today. Miss Evans offered her services to the chief of police several days ago after she had complained that "mashing" should be banished in Los Angeles and that insults to women on the streets should be stopped.

"Baby Mine" was extremely well received and will be as successful in London as it was in America.—Mirror.

WILL CHEAPER IMPLEMENTS RUIN THE FARMER?

FEELING OF UNREST AMONG THE TORIES

Stanley, Aug. 29.—Congratulations to the Daily Mail for fair and straightforward fight for Reciprocity which it puts up.

In today's issue of the Gleaner I notice where a Grit returned from the Reception given to Sir Wilfrid Laurier at St. John is made to say that there seems to be something in the air which makes him feel as though Sir Wilfrid's sun will set on Sept. 21st.

Well by my faith Mr. Editor that feeling in the air seems to have reached Stanley too, only in this case the shoe seems to be on the other foot.

What ailed the Conservative meeting at Cross Creek on Saturday night when even the glowing eloquence of the renowned "Harry" McLeod failed to pierce the gloom.

Why this unrest in the Conservative camp? If this feeling grows in the future as it has in the past few weeks Ossie will need to bring a greater orator than Foster here. Only let us hope it will be some one with a more honest record.

But should our friends Crockett and McLeod return before election we pray that on no account will they mention Clifford Sifton, for it would bring forcibly to our minds their two hours denunciation of his graft, dishonesty and his palatial residence on the St. Lawrence.

Thanking you Mr. Editor
I remain yours,

The Queen Hotel livery man, of the Capital City, certainly is getting there in a hurry. His auto is one that the people like to ride in to and from the depot, boats and any place that you want to go. Mr. Smith is the first livery man who added a public convenience like this for the public's use at such a small price. Just think, 25c. is all he charges you to get there on time by his auto to all parts of the city. Did you ever stop and think how much comfort you can get over the roads in a Roy Smith's auto, than setting behind an old broken-down horse and that old rig grandfather used to ride in 75 years ago. While today you can get there in a few minutes over ten times the distance that don't cost you one-quarter the price you pay for that slow getting there by that delivery wagon.
