## I. H. C. GASOLINE ENGINES

These engines are built to develop great power and give long continued service. They have the weight necessary to power.

It has been proved over and over again that it is practically throwing money away to invest in a light cheap engine.

The I. H. C. is the engine that can be depended on when you need power. It is backed by the strongest possible guarantee. No long delays if you need repairs.

### USEFUL INFORMATION

The first thing to know about Paint and Varnishes is that house-paint will not do for iron work and that piano varnish will not do for floors.

This is true of all surfaces—each requires a different treatment.

Your problem therefore is to find the paint or varnish best suited to the particular surface you wish to cover.

We have worked out this problem for you. We have the right quality—the quality that beautifies and protects longest on the surface for which it is intended.

### SHORT and SNAPPY

The secret of the success of our Want Ads. is that they are short and snappy. People like a plain business story told in a few words and if they want anything they refer to the place where they will find it with the least trouble, viz., the Classified Want Ads. in your business represented there.

HARVEY STATION

Quite a number of people gathered on Friday afternoon in Mrs. W. Grieve's field near the station to witness the baseball game which was played between the Fredericton Junction and Harvey teams. A few weeks ago the Harvey team suffered a rather severe defeat at the hands of the Junction team at Fredericton Junction and on this occasion resolved to mend matters which they did by defeating their opponents in a well contested game the score being 60 to 8 at the close of the fifth inning the score stood 1 to 0 in favor of the Harvey team and at the end of the 8th inning the score stood 8 to 8 but in the last inning the Harvey boys added two to their score winning the game. A special feature of the game was two double plays and a triple play which was made by the Harvey team.

The play of the Harvey was remarkably good, considering that they have been organized only a short time and were up against an experienced team.

The Junction team were composed of Godfrey, captain; Alexander, D. Brooks, L. Wells, Clark, Burns, I. Brooks, H. Webb and Herman.

The Harvey team were: H. Mowatt captain; Painter, Wilkes, McLaren, Coburn, W. Hunter, F. Hunter, Essensa, E. Mowatt.

The play of both teams was of a high order and caused much favorable comment.

After the game the teams and upwards of one hundred other people repaired to the lake shore where tea was served by the ladies of the village. The evening was spent in dancing and riding on the mammoth aerolite swing which was run on the grounds.

GEORGE MULLIN  
HAS PITCHED LAST  
GAME WITH TIGERS

Contract Expires this Year--Jennings  
Knows Nothing of his Reported  
Retirement

Detroit, Aug. 30.—George Mullin yesterday declared that he feels the has outlived his usefulness with the Tigers and that to be traded or sold would be agreeable to him.

"I'm through with Detroit, and have pitched my last game for the Tigers. I have said that same thing before, but I mean it this time and will not leave with the team when it goes to St. Louis."

Manager Jennings said last night he knew nothing of Mullin's intention to quit the team or of his desire to be sold or traded. His contract expires this year. He is the oldest member of the Detroit team.

SEALED TENDERS addressed to the undersigned, and endorsed "Tender for St. John, N.B., Deep Water Wharfs," will be received at this office until 4.00 P.M., on Wednesday, September 20, 1911, for the construction of a series of Wharfs in the Harbour of St. John, at St. John West, N.B.

Give your servants GOLD  
DUST to clean with, treat  
them rightly and you will  
have few occasions to  
insert a "help wanted" ad

They say a good work man is known by his tools. You cannot expect your maid to keep everything ship-shape unless you give her every modern help. To keep house without GOLD DUST is to do work by hard, old-fashioned methods. For cleaning everything and anything about the house—from cellar to attic—GOLD DUST is worth its weight in gold. It cuts grease and dirt like magic, does away with scouring and scrubbing, and saves time and tempers.

Your servant can do more and better work and keep sweet with the aid of GOLD DUST in all household cleaning.
