FREDERICTON BRANCH—QUEEN ST.
W. E. JARDINE, MANAGER

HERZOG AND MILLER MAY
LEAVE BOSTON NATIONALS

Boston, July 17.—If Charlie Herzog shortstop, and Roy Miller, right fielder, two of the most valuable players in the Boston National league baseball club, stick to their present determination they will be seen no more in Boston uniforms. They have both notified the club officials that they are going to quit baseball. Each says that he has been unfairly treated by the club and will play no longer with it.

Herzog says that some time ago he was fined \$300 for indifferent ball playing by manager Tenney but had been promised that if he played better the fine would be remitted. Since then he says he has done the best he could, and his work both in fielding and batting has been good, but manager Tenney will not refund the fine which was deducted from his salary.

Herzog does not regard this as

fair treatment and Saturday night notified the club officials that he would play no longer under present conditions. He proposes, he says to return to his large farm in Rhode Island.

Miller has never been entirely satisfied with the pay he has been receiving from the club since he joined it a year ago. He says he was promised more money this season which has not been forthcoming. When the team was in St. Louis he says he notified Pres Russell that unless this matter was straightened out he would leave the team when it returned to Boston. He says he has been paid little more than he received in the minor league from which he came. He says he is simply wasting his time by staying with the Boston club. He is a doctor of medicine and says he is going west to build up a

KALAMAZOO HAS THE HORSES THIS WEEK

Kalamazoo, Mich., July 17.—The combined Grand Circuit and Great Western Circuit race meeting was inaugurated at Recreation Park today under conditions that give promise of some rare sport. There will be five days of racing, during which time twenty events with an aggregate purse value of \$38,000, will be pulled off. The card for the opening day was as follows:

Promoter McIntosh, matching Bill Lang to meet Jack Johnson on Easter Monday, caused about as much noise as a whisper in a boiler factory.

TennisST. STEPHEN THISTLES WON
HANDS DOWN, SCORE 13 TO 5

Local Team Unable to Bat Crowley and Fielded in Punk Style—Duval Batted out of Box by Visitors—An Off Day Certainly

There was a repetition of the "slaughter of the innocents" at St. Stephen's yesterday afternoon when the St. Stephen Thistles and the local ball-tossers met in grim battle. The Fredericton players took the part of the innocents very acceptably, that is from the point of view of the visitors and their supporters, in fact some of the plays pulled off by the locals would entitle them not only to admission to the "innocent" class but also to the "ivory dome" outfit. The doings do not look so bad in a box-score but to any person who saw such plays as the holding of the ball when runs were being scored and the slinging of it about the infield so as to leave every body safe with bases full, realized just how far from terra firma the Fredericton bunch was.

The bonthead work was fairly well divided. The trouble began when P. J. Duggan was taken ill and decided to put Sullivan on the first sack. Sullivan since his arrival here has not shown particularly good form and first base was a new position for him on the local team. His work there did not meet with the approval of the fans, at the bat he did better than he has in former games. The infield was seriously weakened by this shift but the whole team was evidently due for an air-ship trip and made a good high flight when it did get away. In one inning St. Stephen laid three bunts one after the other that were good for a base each. The local infield seemed paralyzed and did not seem to have any idea of how to stop this variety of play.

On another occasion Siney raced in from deep right-field after what should have been an infield fly. He missed it and a run was scored. The fly was certainly one for an infielder but none got after it.

IMPROVEMENT LIKELY

Just here it can be said, however, that a team cannot win every game and that it is quite possible that the team will pull itself together in St. John today and give the Marathons a hard run. So far this season that is the way it has been. After letting the Greeks make monkeys of them on their own diamond the locals took one from Calais in a game that was one of the best played in the league this summer.

CROWLEY IN GREAT FORM

Crowley who was twirling for St. Stephen had everything needed to mystify the Fredericton batters. This pitcher has not been used much so far this season but his work yesterday will no doubt make him a more valuable man to his team. Early in the season Crowley it is said lacked control. He appears to have lots of it now.

"BIG BILL" BATTED HARD

The Thistles has their batting clothes right on. "Big Bill" pitched for six innings and was hit hard and often. Bates went in for the rest of the game and was bumped pretty near as hard. The visiting team had the faculty of putting the ball just where there were no fielders and very often there were no fielders there because nobody tried to get there. The home team seemed to get together a little in the last two innings but too late to do any damage.

THE BIG NOISE

Arthur Finnemore was the "big noise" of the St. Stephen team. Arthur's vocal efforts were worth the price of admission and there were his remarks to the grand stand thrown in. He played in good style, however and was there with the goods both in centre-field and behind the bat where he went after McGovern smashed a finger. George Finnemore and Joe Farrell both played better ball than they did with Fredericton but George could not keep from breaking into the error column. They were great favorites with a certain section of the rooters and got more applause than the Fredericton players. Local spirit is at a pretty low ebb when personal feeling turns the fans against their own team.

The game was even until the fifth when three runs for St. Stephen put everything on ice for them. The Thistles scored in the first inning Sullivan's error on Art Finnemore's bunt being largely responsible. In the third a couple of hits and an error by Tom Howe let in two more. In the fifth St. Stephen lammed "Big Bill" all over the act, three more runs came in and it was the beginning of the end. A base on balls, Dee's error and a single combined to give Fredericton two in the third inning. Then there was nothing more until the eighth when a couple of

WHAT FANDOM SAYS.

Woodstock is slated to play St. Stephen this evening in a league game with an exhibition game between the two teams tomorrow morning.

It's a knotty point, that about the ball hitting Gilman when he was running between second and third. Some say the umpire's decision putting Gilman out was correct. Others say the ball hit Callahan's glove before hitting Gilman and was not a batted ball. According to the rules however, Mally, who was on third, should not have scored on the put out.

The Knockers' Union held a meeting in the grandstand and the anvil chorus rang out loud and long and had lots of volume.

Great encouragement that the locals received along the third base line.

Shortstop George Finnemore batted better than usual but had his usual error.

The heavy downpour of rain which began early this morning caused the Marathon-Fredricton game at St. John to be called off.

The game was played and replayed all over town last night and in every crowd the hammer was out, the fans forgetting the 3 to 2 trimming administered to Calais.

Miss Lois Moyes retains the Dominion championship in the ladies' singles by defeating Miss Summerhayes in straight sets, 6-2, 6-1.

GRAND CIRCUIT

HORSE RACE AT
KALAMAZOO

Nineteen Events Including \$10,000 Purse to be Run off—New England Stables Well Represented

The grand circuit horses race the second link of the long chain this week in the heat and dust of the celery city, Kalamazoo, and with a fast track to perform over some sensational miles will be marched.

Kalamazoo naturally fared better in the matter of entries than the opening meeting of the circuit and will card 19 events including the first \$10,000 purse of the campaign.
The Michigan speed carnival marks the start of the racing season for the New England trainers, Walter Cox, Chester Lassel, Norman Tallman and Robert Proctor and some of the Yankee horses will be factors as never before have we been so well represented at any early meeting on the big line.

PAPER MILLS PURSE

The \$10,000 Paper Mills purse for 2:14 trotters holds first place on the Kalamazoo program and when it comes up for settlement on Wednesday, New England will send probably four candidates to the post, Mary G., Ethel Lynne, Chatty Direct and The Huguenot.

The favorite will be the made-over Arlo Leyburn if Gears starts him instead of the 4 year-old Anvil. Should Anvil sport the "all black" of the mater then Lady Green Goods, at present the M. & M. choice, will carry most of the money.

WHIRLWIND

A whirlwind indeed is the four-year-old daughter of Peter the Great but she will need all her whizz to get first place in the summery, for at this distance it looks as if it would take at least a 2:07 trotter to earn that position and one that has manners and stamina.

The Arion horse is pretty certain to start if his cracking race at Indianapolis did not pull him, and it would not be surprising if it was announced that he was the property of Frank Jones. The Memphis man has always been an admirer of the horse, and last summer when he looked at a very ordinary sort of a trotter tried to buy him at what most every one considered more than he was worth. Leyburn as good as he was last week should win for three heats in 2:07½ in a very high-class race.

HUGH DUFFY LOOKS
OVER ST. PAUL BATTERY

Hughey Duffy is the latest major league manager to take a look at that crack St. Paul battery, O'Toole and Kelly. The pair is the sensation of the American Association this year, and O'Toole, since he pitched that 16-inning shut out game in June, has been walking away with the scalps of all comers. No one, however, seems to have been able to do any business with the St. Paul club, although Roger Bresnahan is reported to have made an offer of more than \$16,000 for the two young ball players.

GREGG OF CLEVELAND
HOLDS PITCHERS' RECORD

Pitcher Gregg of Cleveland, holds forth pre-eminent among the big league boxmen with his 15 games won against only three games lost. Seven of his wins have come in a row since his last defeat. In three games other than the ones he has been credited with winning or charged with losing, his work has shown distinct class, also.

Gregg has pitched 130 innings this year and has been hit safely only 101 times. He has figured in nine shut-outs, and in all the games only 38 runs have been scored against him. In each of four of his games he has allowed only four hits.

In two games only one run has been scored on his pitching, in four games only two runs, in three games three runs, in two games six runs and in one game seven runs. Having given 44 passes he averages slightly over two bases on balls a game, while 75 batters have been retired by him on strikes.
