## RESTORE GRAY HAIR TO NATURAL COLOR

By Common Garden Sage, a Simple Remedy for Dandruff, Falling Faded, Gray Hair

The old idea of using sage for darkening the hair is again coming in vogue. Our grandmothers used to have dark glossy hair at the age of seventy five, while our mothers have white hair before they are fifty. Our grandmothers used to make a "sage tea" and apply it to their hair. The tea made their hair soft and glossy, and gradually restored the natural color.

On objection to using such a preparation was the trouble of making it, especially as it had to be made every two or three days, on account of souring quickly. This objection has been overcome, and by asking almost any first class druggist for Wyeth's Sage and Sulfur Hair Remedy the public can get a superior preparation of sage, with the admixture of sulphur, another valuable remedy for hair and scalp troubles. Daily use of this preparation will not only quickly restore the color of the hair, but will also stop the hair from falling out and make it grow.

Get a bottle from your druggist today. Use it and see for yourself how quickly dandruff goes and gray hairs vanish.

This preparation is offered to the public at fifty cents a bottle, and is recommended and sold by all druggists.

## CENTRAL KINGSCLEAR

The weather for the past two weeks has been very changeable and has hindered the farmers getting their crops harvested. Potatoes and roots are a good Oats turned out well and the hay crop was good.

Mr. and Mrs. B. O. Nason and family also Mrs. W. T. Foster and children returned to their home in Medicine Hat.

Mrs. John Syms and family who have been visiting Mrs. Syms' mother will return to their home Isle of Pines accompanied by her sister Miss Leah Cliff.

Mrs. Poor returned home Saturday from Bangor, Me., where she has been visiting her daughter.

John McKay lost a valuable cow last week.

Charles Poor has returned from Presque Isle where he was employed at digging potatoes. He reports a good crop.

The Harvest Supper that was held at French Village was well patronized and an enjoyable time spent. The proceeds went for church purposes. Rev. Father Cormier has had the church painted and also has built an addition to the hall.

We are glad to learn that Mrs. Alfred King who has been very ill for the last two months is much improved under the careful treatment of Dr. Robertson of Keswick Ridge.

York was clearly entitled to a portfolio in the Borden Cabinet but it didn't appear to have the right kind of a man for the job.

## SOUND SLEEP

Can Easily be Secured

"Up to 2 years ago," a woman writes "I was in the habit of using both tea and coffee regularly.

"I found that my health was beginning to fail, strange nervous attacks would come suddenly upon me, making me tremble so excessively that I could not do my work while they lasted; my sleepless me and I passed long nights in restless discomfort. I was filled with a nervous dread as to the future.

"A friend suggested that possibly tea and coffee were to blame, and I decided to give them up, and in casting about for a hot table beverage, which I felt was an absolute necessity, I was led by good fortune to try Postum.

"For more than a year I have used it three times a day and expect, so much good has it done me, to continue its use during the rest of my life.

"Soon after the beginning the use of Postum, I found, to my surprise, that, instead of tossing on a sleepless bed through the long, dreary night I dropped into a sound, dreamless sleep the moment my head touched the pillow.

"Then I suddenly realized that all my nervousness had left me, and my appetite, which had fallen off before, had all at once been restored so that I ate my food with a keen relish.

"All the nervous dread has gone. I walk a mile and half each way to my work every day and enjoy it. I find an interest in everything that goes on about me that makes life a pleasure. All this I owe to leaving off tea and coffee and the use of Postum, for I have taken no medicine." Name given by Canadian Postum Co., Windsor, Ontario.

"There's a reason," and it is explained in this little book, "The Road to Wellville," in pkg.

Ever read the above letter? A new one appears from time to time. They are genuine, true, and full of human interest.

## DALHOUSIE COLLEGE RECEIVED SEVEREST DEFEAT ON RECORD

Halifax, N. S., Oct. 8—The H. M. S. Cornwall's well balanced Rugby football team scored an overwhelming defeat over Dalhousie College's fifteen in the game at the Halifax league on Saturday afternoon, the score being: Cornwall, 38; Dalhousie, 0.

The mariners started to tally two minutes after the game had been in progress, and continued to do so till time was up. An no period of the game was their touch line in danger, despite the fact that the Tigers fought desperately throughout. It was the superior running, passing and punting of the Cornwall's halves, combined with the great dribbling of every member of the team that were responsible for the Cornwall's big victory.

Dalhousie had the best forwards, but her quarters and halves were marked so closely that they were practically helpless. Never in the history of the college has such a defeat been administered to the yellow and black. There were only three of last year's players on the Tiger lineup, the other men being new material and rather inexperienced. The Tigers, it is understood, will have an entirely different team when they face the Wanderers in two weeks.
