"MOOSE HEAD BRAND"

How to get the Most Durable Packs

Anyone that uses his eyes can get the most durable packs every time. Simply see that the "Moose Head" trademark is there. It is stamped on every one of Palmer's hand-made packs of oil-tanned "Skowhegan" leather. A leather that is impervious to melting snow—that does not get hard; but longest withstanding roughest usage.

The style illustrated is our No. 95 Pack, hand-stitched. Made in Black, Yellow and Brown. Has a so-called leg. Every pair stamped "Moose Head Brand."

Inquire of your dealer for Palmer's "Moose Head Brand" Packs. If he cannot supply you, write us, giving dealer's name.

The Famous Rayo

Does Not Strain the Eyes

Don't use a small, concentrated light over one shoulder. It puts an unequal strain on your eyes. Use a diffused, soft, mellow light that cannot flicker, that equalizes the work of the eyes, such as the Rayo Lamp gives, and avoid eye strain.

The Rayo is designed to give the best light, and it does.

It has a strong, durable shade-holder that is held firm and true. A new burner gives added strength. Made of solid brass and finished in nickel. Easy to keep polished. The Rayo is low priced, but no other lamp gives a better light at any price.

PUCKERINGS

"Hoot" Curran, the erstwhile Amherst Rambler, is said to be the mysterious one whom the Moncton fans are banking on to fill out the line-up of the Victorias. "Hoot" used to play hockey and in all probability, can "come back," and come back hard.

Jack Spratt, the seventeen-year-old rover of the St. Mike's team that is playing the United States, took the eye of the New Year hockey public. The Gothamites began to laugh when the young and light St. Michael's players went on the ice, as they averaged twenty pounds lighter than did their opponents. The laugh did not last long, however.

The Galt pro players from the Maritime Provinces have agreed to report. They wanted to be "shown" first.—Toronto Globe.

Tom Phillips, the famous hockey player, is expected in town this week. Tom's wedding to a Hamilton girl is set for Jan. 4th.—Hamilton Spectator.

On the whole, given a half decent break, the Moncton team, if all goes well, should not miss so greatly the services of Gregory, after all. McDonald is indeed proving a find. He is a retiring sort of chap; but the man who proved such a tough proposition for Eckerey et al last season should find little difficulty in holding down his wing.—Moncton Transcript.

RING NOTES

The Packey McFarland and Jack Goodman bout has been postponed by the Fairmount A. C. of New York till Jan. 17. Leach Cross and Cy Smith will box at the club Jan. 10, the original date of the former bout.

K. O. Brown, the New York sensational lightweight, and Tommy Murphy will meet in New York Jan. 25.

Jack Dillon, the Indiana champion middleweight, declares that if Sam Langford will make 158 pounds he will take on the Boston colored boxer for any distance.

Jimmy DeForest, manager of Pal Moore, is going to take Moore to England to box at promoter McIntosh's club, in London.

Biz Mackey and Willie Houck will clash in Mt. Vernon, N. Y., Jan. 11. Frank Klaus, the Pittsburgh middleweight, is telling the Philadelphia and Pittsburgh sports that he did not get a square deal when he boxed Hugo Kelley at the Armory A. A. a few weeks ago. George Engel, manager of Klaus, said after the bout that Klaus lost fairly. Klaus, according to fans here, has no kick coming about the way he was treated in Boston.

Tommy Sullivan of Lawrence and Ted Nelson of Australia have been matched to box in Augusta, Me., Jan. 18.

George Stewart and Wilkie, who are now in Sydney, are expected to play with the Halifax professionals in the opening game in the Citadel City.

**W. E. TRITES WON
10-STRING CONTEST
AT QUEEN HOTEL**

**D. B. Winslow Made 1042 But Lost
by 7 Pins Through Handicap of 50.**

W. E. Trites, who was placed in Class B, in the two-string individual candlepin contest at the Queen Hotel Alleys, won the competition which closed last night. His total was 999. D. B. Winslow was a close competitor with 1042, but as he was in Class A, he had to give Trites a handicap of 50 pins, 5 on each string, and lost by 7 pins. Charles J. Fitzpatrick ran up a total of 996, losing to Trites by 3 pins. The competition was for the trophy donated by Manager John E. Sullivan of the Queen Hotel Alleys.

The scores of the three high men were as follows:

W. E. Trites, 96, 97, 95, 100, 94, 115, 103, 96, 99, 104—999.

C. J. Fitzpatrick, 24, 104, 102, 101, 102, 99, 96, 97, 101, 100—996.

D. B. Winslow, 113, 102, 111, 102, 100, 105, 99, 106, 103, 100—1092.

Winslow lost by 7 pins.

WEATHER SPOILED RACING ON RIVER

The expected horse-racing on the river yesterday failed to materialize on account of the weather. The rain and mild weather took off all the snow and flooded the ice in places so that occasionally the horsemen received some expected shower-baths. In the afternoon fog settled on the river, making it impossible for spectators or horsemen to see more than a few rods away. In the morning and on the day previous, there were a few brushes. Among those who were on the ice for a short time yesterday were J. E. Sullivan, Ald. Jewett, Bert Lint and Murray Rowan. Bert Lint's horse got into a mix-up during the day and was injured to some extent.

The water on the ice had a tendency to make the horses break when it splashed against their bodies.

MARYSVILLE HAD GOOD TURN-OUT SATURDAY

The Marysville hockey players were out at the Arctic Rink Saturday night for their first practice of the season. The turn out was a big one. Many of the old-timers were on the ice and there was plenty of new material. The work-out showed that the Crescents have any amount of material although it will take some hard work to get the men in shape. Among those who were out Saturday night were: Hovey, Fullerton, Brogan, Robertson, Robinson, Denison, Bird and Wade.

GALT PRO TEAM TO BE REORGANIZED

The Toronto News says: "There has been a shake up in Galt professional hockey circles. A stock company has been formed and an agreement made with former manager Ellison, whereby he will hand over Mike Murphy, Dunphy and Morrison, whom he has secured. Art Serviss the star of the professional team of 1908 will be the new manager."

The Galt team is expected to make good when it is filled out a little more. Last week in a game at Berlin three volunteers had to be called in to enable Galt to put seven players on the ice. A Berlin despatch says "Galt has two star performers in Murphy and Dunphy and when the team is complete there will be a different story to tell." Berlin won 11 to 3. Claude Oren Fredod played for Berlin.

U. N. B. MEN CAN PLAY WITH FREDERICTON HOCKEY TEAM

The knocking of any attempt to put local hockey on its feet has received a severe check through the following telegram received this morning from L. B. McMillan, secretary of the M. P. A. A.

Charlottetown, P. E. I., Jan. 2, 1911.

C. W. Clark, Sec'y P'ton Hockey Team, Fredericton, N. B.

The men can play if U. N. B. Association give permission. Have written you fully on the matter.

STRONG TEAM ASSURED.

With U. N. B. men eligible to play for the Fredericton H. C., the local N. B. H. L. team should be fairly strong. The defence is the department in which players have been needed and U. N. B. is particularly strong in that department. What is needed now is cold weather to make good ice for practice.

SYNOPSIS OF CANADIAN NORTH-WEST LAND REGULATIONS.

ANY PERSON who is the sole head of a family, or any male over 18 years old, may homestead a quarter section of available Dominion land in Manitoba, Saskatchewan or Alberta. The applicant must appear in person at the Dominion Lands Agency or Sub-Agency for the district. Entry by proxy may be made at any agency, on certain conditions, by father, mother, son, daughter, brother or sister of intending homesteader.

Duties—Six months' residence upon and cultivation of the land in each of three years. A homesteader may live within nine miles of his homestead on a farm of at least 80 acres solely owned and occupied by him or by his father, mother, son, daughter, brother or sister.

In certain districts a homesteader in good standing may pre-empt a quarter-section alongside his homestead. Price \$3.00 per acre. Duties—Must reside upon the homestead pre-emption six months in each of six years from date of homestead entry (including the time required to earn homestead patent) and cultivate fifty acres extra.

A homesteader who has exhausted his homestead right and cannot obtain a pre-emption, may enter for a purchased homestead in certain districts. Price \$3.00 per acre. Duties—Must reside six months in each of three years, cultivate fifty acres and erect a house worth \$300.00.
