GAMES TODAY.			
At St. John--Calais vs St. Johns.			
At Fredericton--Marathons vs Fredericton.			

Woodstock, July 5.--The fast Marathons took the locals into camp this afternoon in a league game, the score being 4 to 2.

An exhibition game was played at 5.30, which was also won by the visitors with a score of 9 to 8. The two games showed that the teams are evenly matched.

Lucky hits by the visitors in the fifth and eighth innings and misses of two hard flies by Talbot gave the afternoon victory. Winter and Urquhart were the opposing pitchers. Four were made off the former, he walked three, and had one strike. Seven hits were made off Urquhart, he walked none and struck out six. The infield of the locals played errorless ball, but the outfield lost three difficult flies. On the other hand the infield of the visitors made their three errors, although the work of Fraser was classy.

Bart Nesbitt pitched the exhibition

TEAM'S NEW PLAYERS WILL BE SEEN THIS AFTERNOON

Joe Callahan, Sullivan and Bob Conley the latest importations of the Fredericton Baseball Club arrived in the city last night and will perform in this afternoon's game against the Marathons. The Players' Committee will decide where the new men will be played, all may play in the infield, or one in the infield and two in the infield. Bates, Duval and Triff will warm up before the game and the choice for pitchers will be between Triff and Duval.

The double victory of the St. John Marathons over the fast Woodstock

team yesterday when a league game and an exhibition game were played has made interest in today's game keen and ably crowd will see the game. The members of the County Council will be included in the crowd.

The demanded shakeup in the Fredericton team has been made and a big improvement particularly in the infield is confidently expected. The local team is still tied with Calais for first position in the league and the result of today's game decides whether or not it stays there.

WATERVILLE.

July 5.--The weather for the past week has been very rainy, and the crops are improving fine.

Most of the people from this place attended the Primitive Baptist yearly meetings at Canterbury last Sunday.
