HOOF BEATS

There are 1,175,250 horses owned in the State of Indiana. This includes both horses and mules. The valuation placed on the whole is \$143,872,500. This is the greatest record ever furnished by the Hoosier State the average value being \$123 per head.

Incident illustrating the "necessity" of using hobbles: The pacer Billy Shawke having arrived late at Richmond, Va., appeared to warm up for his race just as it was being started and the judges refused to allow him time to have his customary "pajamas" adjusted. In consequence he started without them, but won the race after five heats and lowered his record from 2.24 to 2.13.

BASEBALL CONVENTION DEALS WITH MINOR LEAGUES

Shake-up in St. Louis Team Promised--Thirty-two Minor Leagues Represented--10,527 Players' Contracts Received--Al Burch Purchased by Louisville

San Antonio, Tex., Nov. 15.—Delegates to the professional baseball leagues convention did as little work and had as much fun as they could between the hours of 8 a. m. and 10 p. m. today, winding up with a badger fight and a beefsteak dinner, which promises to cause a hitch in the early session scheduled for tomorrow.

This afternoon, when it came time to appoint a committee on the rearrangement of rules governing the minor leagues, a squall blew up which threatened a storm. A little caucus work by Tim Murnane, one of the members of the committee, and Jas. H. O'Rourke of Bridgeport calmed the warring elements and an open break was avoided.

It was proposed that the committee should act jointly for the major and Class A leagues, and this raised the protest. The withdrawal of this suggestion ended the trouble.

ROUTINE BUSINESS

Business transacted was of a routine nature, and none of the reports contained any information calculated to disturb the complacency of the delegates. Sec. Farrell's report was heard without comment, and Pres. Sexton read his report amid silence, except when he declared that the principal object of the present meeting should be to advise more economical methods for the conduct of minor leagues.

SHAKE UP IN BROWNS

Robert Lee Hedges of the St. Louis Browns arrived today. He came from St. Louis by automobile, a distance of more than 1300 miles by road. He

brought with him the releases of several players and intimated a general shakeup in the Browns before next season. He refused to discuss his plans at this time.

Promises have been made that the convention will settle down to the serious consideration of business tomorrow, but the lengthy program of entertainment laid out by the local committee is likely to cause a further postponement of important issues.

MINOR LEAGUES

Thirty-two Minor Leagues were represented at the opening session today. The report of Sec. Farrell gives the following figures:

Forty-seven organizations, embracing 332 cities and towns of U. S. and Canada, qualified for membership in 1911. Players' contracts to the number of 10,527 were received, recorded and promulgated. Optional agreements approved were 175, exercised 151.

Players suspended numbered 919 and players reinstated 303. Players drafted by the National League 71, by the American League 58, by the National Association 128.

Total amount of drafts \$139,350. Total amount received through the secretary's office for drafted players, optional agreement players and released by purchase players \$362,200. During the 10 years of the National Association \$2,990,150 has been handled in deals in players.

The first of a series of deals to be made here was the outright purchase by Pres. William Grayson of Louisville from the Brooklyn club of Al Burch, an outfielder. The price was not made public.

MT. ALLISON PLAYING MINUS TWO GOOD MEN

Truro, N.S., Nov. 16.—The town was given the first touch of football enthusiasm when both the Mount Allison and Acadia squads arrived this evening. All the men are in fine form for tomorrow's intercollegiate clash and are going into the game with the expressed determination of capturing the King-Richards trophy.

Captain B. C. Leary, of the Garnet and Gold team, stated that, although weakened by the loss of Smith and Woodman, the Mount Allison boys were going to put up a grand fight and hoped to take the silverware back to Sackville.

Captain Pines, of the Acadia team, said that his men were in fine shape and with Richmond back it looked good for an Acadia win.

Dr. Rankin of Halifax, will referee.

THISTLE CURLERS' ANNUAL MEETING

St. John, Nov. 17.—The general meeting of the Thistle Curling Club was held in their rooms, Golding Street, last night and was largely attended. The president, A. Douglas Macdonald, presided and the following members were elected:

E. S. Crawford, B. Stevens, Thomas, L. P. D. Tilley, J. L. McArthur, T. H. Belyea and S. Lewis. The match committee elected were: S. Bishop, J. A. Sinclair, D. McCallan, A. D. Malcolm, J. W. Cameron.

The managing committee elected were: J. W. Holly, J. W. Cameron, Dr. W. R. R. and F. J. L. L. L.

The president, A. D. Malcolm, presented the club with four stick pins as trophies for games the coming season and A. P. Patterson presented a trophy for points in games.

CHAMPION FAN DISCOVERED IN CHICAGO

Chicago, Nov. 15.—J. J. Lawres of Milwaukee, is perhaps the champion baseball "fan" of the country. Lawres, who came to Chicago yesterday, said he started seventeen years ago to collect his statistics on baseball, and now he has forty-two large volumes. It takes him three hours each day to keep his records up to date.

He has the records of 17,000 ball players in his books, and can answer any question on baseball that has come up in the last seventeen years.

NEW LONG DISTANCE RECORD IN FRANCE

Paris, Nov. 16.—J. Bonin, the Colomnes runner, today covered nine kilometers, 721 meters (about 6 miles, 50 yards), in half an hour. This beats the world's record established in 1853 by J. W. White of England. The nearest American records to that established by Bonin are the indoor and outdoor six-mile records made by J. G. V. Bonhag, Irish-American A. C., which are respectively 30 minutes, 42 seconds and 31 minutes, 54 seconds.

COMMISSION RULINGS

Cincinnati, Nov. 15.—The National Baseball Commission today decreed that Player Seaton of the Portland, Oregon, club, was subject to draft by the Philadelphia Nationals and that he could be obtained by the payment of the draft price. John F. Gilligan, formerly of the St. Louis Americans, was declared a free agent.

GIANTS OFF FOR CUBA

New York, Nov. 15.—The New York Giants started today for Havana to engage in a series of contests with Cuban teams. The club expects to be home by Christmas. The Giants play in Jacksonville, Miami and Key West before leaving for Cuba.

BRESNAHAN RELEASES THREE ST. LOUIS PLAYERS

San Antonio, Texas, Nov. 15.—Manager Roger Bresnahan of the St. Louis Nationals, tonight announced he had released Outfielder Otto Melver to San Francisco, of the Pacific Coast League; Outfielder Forsythe to Dallas, of the Texas League; and Pitcher Grover Lauderback to Louisville in the American Association.

SCOTTISH CHAMPION WON BOUT EASILY

New Bedford, Nov. 15.—Peter Sullivan of Fall River, was beaten by Johnny Connelly, champion lightweight of Scotland, in their bout before the New Bedford A. A. tonight, before 1900 people. Sullivan's game, cleverness and ring generalship availed him little against the younger fighter, and it was to Sullivan's credit that he lasted the twelve rounds.

amount of hay received in the year ending July 1 was greater by 10,000 tons than for the previous year and it exceeded by 30,000 tons the year's receipts in 1901.

ATELL FAILED TO PUT YOUNG COHEN OUT

New York, Nov. 15.—Abe Atell hammered and smashed Young Cohen of England, for ten rounds at the Euston A.C. tonight, but he was unable to score a knockout. It was a flashy, spectacular bout, replete with clever attacks, but very little damage was done, Abe showing clearly that the stings he once possessed in his blows were no longer in his arms.

Abe hit Cohen at least 150 times on the face and body, but the sum total of his blows was only a little goose egg of a lump which he raised under Cohen's right eye. Cohen was merely a punching bag.

RING NOTES

Al Demont, the local bantam, has posted a forfeit in this city and challenged Johnny Coulon to box for a side wager and a purse at 116 pounds. The challenge is open to any of the boxers who can make that weight. Demont will probably meet Bunny Faulks at Watervliet, N. Y., Nov. 21. A Cleveland promoter has made Demont an offer to meet Johnny Kilbane on Nov. 30, but the weight specified by Kilbane is too much for Demont to give away to such a clever boxer as Kilbane.—Boston Globe.

Long Shot a bay 5-year-old pacing gelding by Direct Hal has been sold by M. K. Dunlavy, Granada, Miss., to Dr. Erigenbright, Liberty, Ind. Reported price \$1500. During the past two seasons he has started 26 times and has been two times first 22 times second, once third and once fourth. Records of the Hay Exchange seem to show that New York now has more horses than at any other time in the history of the city. The
