Give your servants GOLD DUST to clean with, treat them rightly and you will have few occasions to insert a "help wanted" ad

They say a good workman is known by his tools. You cannot expect your maid to keep everything ship-shape unless you give her every modern help. To keep house without GOLD DUST is to do work by hard, old-fashioned methods. For cleaning everything and anything about the house—from cellar to attic—GOLD DUST is worth its weight in gold. It cuts grease and dirt like magic, does away with scouring and scrubbing, and saves time and tempers.

Your servant can do more and better work and keep sweet with the aid of GOLD DUST in all household cleaning.

NO SCORE IN MT. ALLISON-- ACADIA GAME YESTERDAY

Smith of Mount A. had Leg Broken--Acadia had Better of Territory Play--Several Players Injured--Game was Brilliant in Spots but was Long Drawn Out

EVENLY MATCHED
(By M. F. Howe of U. N. B.)
Sackville, Nov. 9.—Today's game between Mt. Allison and Acadia resulted in no score and showed that the teams are very evenly matched. Acadia has the better forward-line and Mount A. the better back division particularly in tackling. Acadia's backs fumbled a lot and lost ground that way but played a strong defensive game. The quarters of the two teams are pretty evenly matched with the exception of course of Buckley of Mt. Allison who was the star of the six men playing behind the two scrums. Reid Acadia's full back was the best man of the two back divisions and did great work for his team. Acadia had by far the better of the territory play but did not have the scoring ability.

The line-up was:
Acadia Fullback Mt. Allison
Reid Grant
Halves
L. L. Andrews Smith
Grant Milford
P. S. Andrews Sears
Morrison Godfrey
Quarters
Black Buckley
Stultz Dickenson
P. T. Andrews Thompson
Forwards
Pineo (capt.), Toombes
Atkins Parker
Freda Freestone
Spencer Durant
Logan Woodman
McKeen Lewis
Lyons Mercer
Mt. Allison substitutes—Barter, Peters, Windsor, Pickard.

CAPT. PINBO'S STATEMENT.
After the game Capt. Pineo, of the Acadias, said:
"I was not satisfied, as we had chances to score but had not the ability in the half line.
"We lost lots of opportunities by fumbling the ball. We had the stronger team, but lacked scoring ability as the back line was weakened by Richmond being out of the game owing to a sprained ankle."

WHAT BUCKLEY THINKS.
Capt. Buckley of Mt. Allison, said the inability of the scrim to get the ball out of the back line was the main cause of the team's inability to score. The play off will likely take place at Truro or Halifax next week, but the exact date was not fixed.
The Seminary girls of Acadia and Mount Allison Ladies' College played basket ball this evening, the Mount Allison girls winning, 5 to 4.

U. N. B. WILL PUT STRONG TEAM AGAINST HARRIERS

The U.N.B. Rugby squad is in good shape for tomorrow's game at College Field with the St. John Harriers. Hal Murray will not be playing, owing to injuries but the back division will be fairly strong in spite of the absence of that player and Frank McGibson, who is out of the game on account of a cold on his arm. Balkam will play right outside half and Murphy will be on the other end of the line, with Maiman and Willis filling the inside positions.
Coach Church announces the following line-up:
Fullback—Laughlin.
Halves—Murphy, Maiman, Willis, Balkam.
Quarters—Loggie, McFadden.
Forwards—Dixon, capt.; Lynch, Paterson, Duke, Melrose, O'Halloran, Jewett, Duguay.
Substitute back—Asker.
Substitute forwards—Vavasour, Parker.
The Harriers will bring a strong team from St. John, determined to wipe out the 8 to 0 defeat the Red and Black administered to them at St. John. It is not yet decided who will referee.

K. O. BROWN WON BOUT FROM BEDELL

New York, Nov. 9.—Knockout Brown earned the boxing honors in eight out of ten rounds with Joe Bedell at the Royale A.C., Clermont Rink, Brooklyn, last night. Twice Brown had Bedell on the borderland of dreamland, but was unable to put over the sleeping potion, and Bedell, in a sharp rally at the finish, was fighting strong.

Not once during the ten rounds did Bedell lead. He fought purely on the defensive. His work was confined to meeting Brown's rushes with right hooks to the body and face. When not thus busily engaged he was roughhousing it. Once he hit Brown in the crotch. To vary the proceedings he threw Knockout to the floor so hard that it dazed the fighting Dutchman.

weight will not be able to box again for over a month on account of the broken hand he received in his bout ere with Bill Papke.

Chicago, Nov. 8.—A telegram from Manager Frank Chance of the Chicago National League Baseball Club tonight informed Pres Charles Murphy that pitcher Orval Overall has asked to be allowed to attach himself to the San Francisco team of the Pacific Coast League. Chance is reported to have advised Murphy that Overall probably would play outlast baseball rather than return to Chicago.

WILLIE LEWIS BEATEN BY YOUNG KURTZ

New York, Nov. 9.—Young Kurtz out-fought Willie Lewis in a 10-round bout at the Sharkey A.C. last night. It was the sixth time these boys have come together and on each previous occasion the bout was a draw. Kurtz won last night by his clean punching and better headwork.

Jimmy Carroll the San Francisco featherweight and Young O'Leary have been matched to box in New York Nov. 20.

ROLLIE NORMAN SLATED TO PLAY FOR HALIFAX

Conferred with Manager Mahar on Matter—Stellarton to have Strong Hockey Team

The Acadia Recorder of Wednesday says: Rollie Norman of Moncton, the well known hockey promoter and player, has received an offer to play here this winter, and is likely to accept. Norman was a big factor in the formation of the pro. league last season, and has been doing his share to make the coming season the best ever known in the Provinces. He arrived yesterday and will likely play on one of the two teams which Halifax is almost sure to have this winter.

He had a conference last evening with Manager Mahar in connection with the formation of Maritime Provinces hockey league, to include Halifax with two teams, Moncton, New Glasgow, Stellarton and Amherst. To be regularly organized, with prominent men as officers and committee. Stellarton has become a great factor in sport with their baseball and cricket teams, and if they go into hockey with the same energy, are sure to prove formidable. Amherst may not come in this year, but if not, they are expected to do so the following winter.

AMERICAN GAME GETTING MORE LIKE ENGLISH RUGBY

A former Haligonian, who witnessed the Princeton-Harvard contest, writes interestingly of the game under English Rugby rules and the revised American laws. He says:

"The American game now is much more like English Rugby than it was under the old rules—in fact, today's match was not very dissimilar in general appearance from many games played between provincial teams, although it was inferior as a spectacle to the brilliant passing game which according to the imports was put up by the Cornwall team, and such as was played by the Dalhousie backs of some years ago. Frequent punting and long individual runs were prominent features of today's match. The stopping of the game to put the ball in play, and the time consumed in doing so, are defects, I think. In fact, the results of the carefully planned plays seem small in proportion to the attention which strikes the followers of the English nobs as very odd, is the fact that the full back never returns a punt, preferring to retain possession of the ball, even though downed within a few yards of his own goal.
The tackling is remarkably hard and certain. Although Harvard's touch-down was made as the result of a forward pass, this basket-ball like play was but little used; the fault with it seems to be that there is an even break that an opposing player will get the ball.

BEECHER CREDITED WITH ANOTHER KNOCKOUT

New York, Nov. 9.—Willie Beecher added another knockout to his credit last night. At the Palm Athletic Club in Brooklyn, he disposed of Young Lenny of Baltimore in four rounds. While the bout lasted it was a good one. Beginning the fourth round, Beecher landed a right-hand swing to Lenny's stomach, which doubled the Baltimore lad up.
