TO EXHIBIT AT TORONTO.

Mr. A. G. Turvey, provincial horticulturist, left last evening for Toronto, where he will have charge of an exhibit of New Brunswick apples.

SATURDAY BARGAINS AT EDGE-COMBS

If you want a Ladies' Reel Coats or Cloth Coat or Suits or Girls Coat for a mere trifle go to Edgecombes tomorrow.

CONDITION UNCHANGED

Dr. J. P. McInerney, M. P. P., of St. John is seriously ill at the General Public Hospital in that city. His condition this morning was reported unchanged.

AMERICAN SPORTSMEN

Messrs F. L. McElroy and E. G. Wallis of Tully, N. Y., arrived in the city at noon today and registered at the Queen. They will leave this evening for the Miramichi woods after big game.

LATE MRS. SAMUEL CASSIDY.

The funeral of the late Mrs. Samuel Cassidy took place this morning. High Mass of Requiem was celebrated at St. Dunstan's Church by Rev. Father Carney at nine o'clock. Interment was made at the Fernitago.

THE UNIQUE

The pictures at Unique today are all features of the very best kind: The Exoneration, (Lubin). Making a Man of him, (Selig). Beyond the Law Vitagraph. Miss Lois Morris singing comedienne. Next week the Champion Base Ball pictures.

ADJOURNED TILL MONDAY.

The preliminary hearing at Burton yesterday in the case of John Amos Hudson, colored, charged with the destruction of a hay press and wagon the property of another, was adjourned until Monday morning next in order to procure additional witnesses.

THE SWIMMING GIRL

Tonight at the Bijou, the moving pictures of "Miss Anna Harris in the swimming marathon" will be shown. During the past few years a group of wonderful women swimmers have been developed in the United States and Miss Harris is one of the greatest.

IN WINTER QUARTERS

Globe:—The steamer Hempstead came down the river on Monday and went into winter quarters at the foot of Indian town. She is the second steamer to lay up for the winter, the Victoria, which stopped running a short time ago, being the first. All the steamers going up river are laden to the gunwale with freight and in some cases large quantities have been left behind as they were unable to carry it.

BRING CLARKE BACK

Standard:—Detective Patrick Killen left on the Boston express last evening for New York for the purpose of taking into custody Harry B. Clarke, and he will arrive here with his prisoner Saturday night or Monday morning. Clarke was manager of the Charlotte street branch of the Bank of New Brunswick and is wanted for absconding. After being brought to this city he will undergo a preliminary examination before Magistrate Ritchie.

BEAUTIFUL FLORAL TRIBUTES

Friends and relatives of the late Miss Jane Graham whose funeral took place yesterday afternoon showed their respect for the deceased by means of the following floral tributes:—Pillow, members of the family; basket of cut flowers; F. E. Wood Holyoke, Mass., cut flowers, Mrs. Herbert Belyea; cross of white roses, Arthur McSorley; white chrysanthemums, St. Ann's Guild; pink and white carnations, employees of Anderson & Walker.

THE PENNIAC FATALITY.

Mr. John Christie of Penniac, whose son was the victim of the recent shooting accident, was in the city this week. He is greatly broken up over the sad affair and declares that his home has been ruined. He says that his son was fifteen years and nine months old and that Tommy Wade, who shot him, is a little more than nine years old. The boys were playing Indian at the time the accident occurred. Mr. Christie has asked The Mail to say that he attaches no blame to the Wade boy, but he does not think that a youth of his tender years should be allowed to carry a firearm.

Besides the forty-three guides slain so far there has been some mortality among the deer.

ASK GOVERNMENTS
TO BEAUTIFY ALL
CAPITAL CITIES

Canadian Union of Municipalities Sends Resolution to Premiers and Mayors of Capitals

The provincial government, if it follows the suggestion of the executive of the Union of Canadian Municipalities, will have an opportunity of putting into effect some of the proposals of its members while in opposition with regard to the beautifying of Fredericton as the capital city of New Brunswick. A resolution passed by the executive of the Union at the meeting held in Quebec during the summer has been sent to Mr. J. W. McCready, of this city, president of the Union, and is now being sent to the premiers of the Dominion and the provinces, as well as to the mayors of the federal and provincial capitals, by Mr. W. D. Lighthall, honorary secretary of the Union of Canadian Municipalities. The resolution, the full text of which follows, was introduced by City Clerk Chumard of Quebec, and supported by President McCready.

IMPROVEMENTS PROMISED.

The party at present in power in New Brunswick, in opposition and after taking control of the government, promised certain public works for the improvement and beautifying of Fredericton. The bank of the river from St. John Street east was a portion of the city which it was promised would be improved on account of its proximity to the Parliament Buildings. Nothing has yet been done in connection with the matter, however.

THE RESOLUTION.

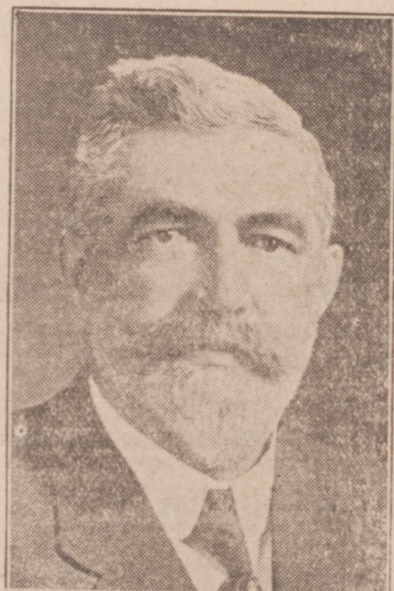

The resolution, which has been forwarded to the premiers and mayors, is as follows: "That the capital city of a province should be an ideal city and an

CITY CLERK McCREADY

REGARDED AS AN EXPERT ON
MUNICIPAL PROBLEMS

(Canadian Courier)

President of the Union of Canadian Municipalities is Mr. James W. McCready, B. A., of Fredericton. Down in his native province of New Brunswick, Mr. McCready is regarded as an expert on matters of municipal administration. He is an example of a college man making the Canadian city a life study, and carving out a career for himself as a city servant. Mr. McCready graduated from the University of New Brunswick in 1880. He became a lawyer. He was just cultivating a professional air when he was elected an alderman of Fredericton. This step into municipal politics finished his political ambitions. After serving the aldermanic term, he got a job with the Municipality of York. He stuck to it till 1904, when he signed up with Fredericton for a position.

MR. JAMES W. MCCREADY

His thirteen years experience in municipal work had now given him an insight into civic problems. He was ready to boost a few ideas he had formed. He began to throw out all kinds of suggestions about modern sewage disposal, water filtration, paved streets. The Fredericton Board of Trade, which he promoted in 1891, was zealous in furthering these improvements. Fredericton is becoming one of the most attractive cities in Canada, with officials like Mr. McCready at the helm. Mr. McCready is president of the Fredericton Tourist Association, which is a good advertising medium for New Brunswick towns, and he is a strenuous participant in the Councils of the Union of New Brunswick Municipalities. In his new position as president for next year of the national organization of Canadian towns and cities, Mr. McCready will have further opportunities along this line.

CANADIAN FLOUR
NOT AFFECTED BY
SLUMP IN CHICAGO

Adverse Harvesting Conditions Spoiled Part of Canadian Wheat Crop—Other Provisions Dear

Local provision dealers do not expect prices of Canadian flour to be affected to any extent by the big slump in the Chicago wheat market early this week. Canadian flour at present is high in price on account of deterioration of a portion of the crop through unfavorable harvesting conditions. Very little wheat is graded as No. 1 Hard this season and about half the crop will be unfit for milling into flour. This will have the effect of keeping prices in Canada at a high level. At present the best Manitoba flour is selling for \$5.70 per barrel, with every prospect of staying near that point.

FLOUR CHEAP IN STATES.

The slump in the United States is due to manipulation in the Chicago market and prices of flour have dropped to a marked extent. In Boston first patents have been offered for \$5.10 per barrel and for 20 cents less in New York. Flour of the very best grade was offered for \$5.25 per barrel in Boston.

OTHER PROVISIONS DEAR.

Other lines of provisions have shown an upward tendency recently. Molasses advanced 4 cents per gallon this week, making the wholesale price 40 cents per gallon, a figure that has not been reached in years. Failure of the crop of sugar-cane is accountable for this. Tomatoes and peas proved a failure in Canada this season and the result is that canners have been unable to fill their orders in these lines. Some canneries were unable to make 40 per cent. of contracted deliveries of canned tomatoes. Conditions are similar as far as peas are concerned and heavy duties prevent importations from the United States.

CASE WITHDRAWN

A Scott Act case in which information was laid by Scott Act Inspector McFarlane against a resident of Stanley was withdrawn today. Lack of evidence was the cause. The defendant and three witnesses were on hand but the case did not go on. Cases from the western part of the county are expected shortly.

N.B. SECTION OF
TRANSCONTINENTAL
LINE COMPLETED

Engineer Foss and Bouillon Return from Inspection Trip—Section Crews to be Put on Shortly

Mr. C. O. Foss, district engineer of the National Transcontinental Railway, and Mr. A. M. Bouillon, C. E., of the Grand Trunk Pacific Engineering Staff, arrived in the city today via McGivney, after an inspection trip over the line of the N.T.C. Railway from Edmundston to McGivney. The line between those points, says Mr. Foss, is practically all completed, the Willard Kitchen Co., Ltd., and Lyons & White, which firms had heavy contracts on the western end of the section, having finished work. The line from Edmundston to Moncton is now completed, but it is not expected that trains will be operated over it until the latter part of next summer.

WORK AT DIVISIONAL POINTS.

Work on the yards and buildings at the divisional points, Edmundston and Napudogan, has not been completed and will not be for some time and it is expected that crews will be engaged on such construction work at those places during the greater part of the winter. A new station is also in course of erection at McGivney.

TO APPOINT SECTION MEN.

Although the line will not be used for some months for traffic it will be necessary to provide for its maintenance. Washouts occur at various points on it and stress of weather makes it necessary that a considerable amount of repair-work be done upon it. In view of this face section men and foremen will have to be placed on the line in the near future.

K'S OF P. ENTERTAINMENT.

The Fredericton Lodge, Knights of Pythias, held a reception in Castle Hall, York Street, last night, which was largely attended and proved a most enjoyable affair. His Worship Mayor Thomas presided and an excellent program was carried out. The program was as follows:—Vocal solo, Miss Nan Thompson; address by Col. James Moulson of St. John, grand keeper of the records and seals; banjo solo, Mr. C. H. Heller; vocal solo, Mrs. Frank C. Good. Refreshments were served during the evening.
