## FEDERAL BYE-ELECTIONS FIXED FOR NOVEMBER 1

**New Cabinet Ministers Getting their Bearings as Heads of Departments—Governor General's Warrants will have to be Issued to Provide Funds—Ottawa Tory Paper Suggests Hon. W. S. Fielding for High Commissioner—Rogers after a Manitoba Seat**

Ottawa, Oct. 11.—The new cabinet ministers spent today trying to find their bearings as executive heads of their respective departments of state and in getting acquainted with their staffs and with the accumulated contents of the ministerial "basket."

There is already enough routine work ahead of the new administration to keep the cabinet council busy for some days before larger matters of government policy can be considered. This morning, as a first preliminary to carrying on the administration, an order-in-council was passed appointing Hon. Messrs. White, Foster, Doherty, Cochrane, Monk and Rogers to constitute the treasury board which has to authorize all money votes. Its first work will be to devise ways and means of meeting salary payments for the civil service in cases where the limited supplies voted by the last parliament have been already exhausted. Recourse will probably be had to governor general's warrants pending the passing of additional supply for the fiscal year by the new parliament next month.

### SOME BYE-ELECTIONS NOV. 1.

An order-in-council was also passed this morning fixing the dates of the bye-elections of the new ministers, necessitated by the acceptance of portfolios. In the cases of Hon. Messrs. Borden, Reid, Nantel, Doherty, Crothers, Hughes, Pelletier, Monk, Roche and Foster the nominations are fixed for Oct. 25, with polling, if necessary, on Nov. 1.

The date for Mr. Burrill's re-election in Yale-Cariboo will be fixed later. He has not yet been sworn in and a longer interval will be necessary in his case.

In the case of Hon. Messrs. Rogers, White, Cochrane and Hazen, for whom seats will have to be found, nothing can be done at present.

The only way in which a vacancy can occur is by the resignation of the member-elect, handed in to the speaker when parliament meets or else by his appointment to an office of emolument under the crown. It is apparent, therefore, that until parliament meets these four ministers cannot be provided with seats, unless action is taken before then to create vacancies by the process of appointing some of the members-elect to the senate, to judgeships or to some other fitting reward.

### HAZEN OFF TO ST. JOHN.

Hon. J. D. Hazen left for St. John this afternoon.

Premier Borden is characteristically endeavoring to show every possible courtesy to the ex-Premier Sir Wilfrid Laurier. The office of the opposition leader in the west wing of the parliament building, now vacated by Mr. Borden, is being renovated and made more comfortable in readiness for Sir Wilfrid's occupancy. The latter returned from Montreal last night and has been confined to his residence today with a slight indisposition. Premier Borden is himself badly in need of a rest and change in order to recuperate after his strenuous and unremitting labors of the past ten months.

### WANTS FIELDING TO SUCCEED STRATHCONA.

The Evening Journal, Conservative, editorially today advocates the appointment of Hon. W. S. Fielding to succeed Lord Strathcona as Canadian High Commissioner in London. "No doubt," says the Journal, "some of our Conservative friends will hold up their hands in holy horror at the idea of Mr. Fielding being offered the position. And if the Liberals choose to provide a seat in the Dominion parliament for Mr. Fielding and he is willing to accept it, we cheerfully admit that he is likely to be even more valuable to Canada in our own parliament than in London. But Mr. Fielding is no longer the robust man he was. It is possible that he fears further parliamentary work, which in his case would undoubtedly

be strenuous. If so, our opinion is that few Canadians could represent this country at the capital of the empire more credibly or more ably than Mr. Fielding."

An Ottawa despatch to The Standard says:

Writs will be issued tomorrow for ten bye-elections in the constituencies represented by those members of the Borden government who were elected on Sept. 21st and have been assigned portfolios. They include Hon. Messrs. Borden, Monk, Doherty, Pelletier, Nantel, Foster, Reid, Crothers, Roche and Hughes. Nominations will be held on October 25th, and elections on November 1st, if there are to be contests. This much was decided upon at today's cabinet council, and tomorrow the order-in-council goes to the clerk of the crown in chancery.

Nothing has been determined as to the seats to be occupied by Messrs. Hazen, Cochrane, White and Rogers. The probability is that Mr. Hazen will take the St. John City and County seat. There is talk of Dr. Daniel going to the senate. It is also pretty well understood that Hon. Robert Rogers will sit for Manitoba constituency and will not move into Saskatchewan. It is said that he has been offered the Winnipeg seat, now held by Alex. Haggart. There is a vacant senatorship in Manitoba since the death of Senator Cheverier, and it might go to Mr. Haggart, although it has been regarded as a French appointment and Hon. A. Lariviere, former member for Provencher, is mentioned for it.

## CLAIMS TO OWN PART OF OTTAWA

(Canadian Press.)

Ottawa, Ont., Oct. 12.—That Ger father, Edward Lewis, died 21 years ago, leaving a piece of property in Ottawa, a mile and a quarter square, is the statement made in a letter to a prominent Ottawa citizen by Mrs. Sadlier, 6 Carlisle Place, North Street, Newport, Montana. Mrs. Sadlier says that all the property was left to her, but she has heard nothing about the matter for years. If she owned a piece of property, a mile and a quarter, in Ottawa today she certainly would be a millionaires many times over, but there are no traces of the claim.

## PRISONER ESCAPED FROM HULL JAIL

(Canadian Press.)

Ottawa, Ont., Oct. 12.—Two prisoners serving sentences in Hull jail, made a daring escape late yesterday from the prison yard by scaling the 25-foot wall, by means of a rope made from strips of linen torn from an old sheet. The escaped prisoners are J. Simon, an Indian, who was serving four months for theft, and P. R. Hume, who was only on Tuesday given a sentence of three months for getting money under false pretences from the E. B. Eddy Company.

### SYDNEY, N.S., PARTY VISITS BERMUDA.

A number of newspapers in Canada have sent parties to Bermuda with all expenses paid, as The Mail intends doing in December, and a winner of the voting contest conducted last fall by The Sydney Post writes of her trip as follows:

"The tour was enjoyable indeed. The trip to Boston was a comfortable one, but of course the girls were all eagerly awaiting a sight of New York and the 'Great White Way.' How we did enjoy our visit there, with its sight-seeing trips, theatre parties and shopping tours. After two days in New York our party boarded the steamship 'Bermudian' for the delightful sail of two days on the broad Atlantic.

"At eleven o'clock Monday morning the vessel steamed into the harbor of the City of Hamilton, and, being safely landed, the young ladies set foot upon the beautiful island and were driven to the Hamilton Hotel. After lunch we enjoyed a drive to St. George's, passing the Lion Rock, then to Devil's Hole, and lastly to Crystal Cave. These sights and the scenery on the way I shall never forget. Returning to the Hotel the party enjoyed a splendid dinner, the afternoon's drive having sharpened their appetites. After dinner a stroll was enjoyed to the Royal Park. Tuesday we had a delightful sail to the coral reefs, and upon reaching the reefs we were taken around them in glass-bottomed boats. Tuesday afternoon a drive through the famous cedar groves was enjoyed. On Wednesday a sail of about ten miles and in the afternoon a tallyho ride was participated in. Thursday we spent the day shopping, hunting Bermuda onions and souvenirs. On one evening a dance was given in honor of our party and we had a most delightful time. We had the pleasure of meeting a number of people from the Island and all were very congenial, even the little pickaninny, who never fails to say good-night or good-morning, as the case may be.

"We left Bermuda with many regrets, as the five days given us on this beautiful island were all too short. "On arrival at New York again, we were escorted to the Central of Jersey railway station where a Pullman car was boarded for our journey to Washington. In Washington we visited the Capital Buildings, the mint, Congressional Library, and caught a fleeting glimpse of Mr. Taft as we passed the White House. The next day was given over to a visit to Mount Vernon, Va., the birthplace of George Washington.

## FAREWELL TO EARL GREY

**People of the Ancient Capital Gave Him a Hearty Send-off**

**In an Eloquent Speech His Excellency Returned His Thanks—Sailed at Noon Today**

(Canadian Press.)

Quebec, Que., Oct. 12.—Earl Grey was given a most affectionate send-off at the city hall last night. His excellency and Lady Grey and party arrived yesterday morning by special train. Among the vice-regal party were beside their excellencies, Lady Sybil Grey, Lady Evelyn Grey, Mr. and Mrs. Malcolm, Mr. A. F. Sladen, Captain Freemantle, Captain Birmingham, and Col. Sherwood, chief of the Dominion Police. Also in the party were the three aides-de-camp to His Royal Highness the Duke of Connaught, Captain Bulkley, Captain Worthington and Captain Logan.

The party were entertained at luncheon at Spencer Wood, in the afternoon by Lieut. Governor and members of the provincial cabinet. In the evening there was a great gathering of citizens at the city hall when His Excellency was the recipient of a civic address and a gift from the citizens of the ancient capital. The gift was a replica of the Wolfe and Montcalm monuments.

In his address, Mayor Drouin made mention of the brilliant career of His Excellency in Canada, which was appreciated by all classes of the population. "Like your illustrious predecessors," the mayor said, "you have given proof of the high wisdom and enlightened devotion and zeal in the public service." The address continued: "And if it were not presumption on our part, we would have wished following the custom of the city and the towns of the ancient world to write your name in the book of gold reserved for the great citizens who bring lustre to the continent. But, without exceeding our more modest role, it is our pleasure to repeat that your memory will live not only in our hearts, but that it is graven in letters that cannot be effaced in these walls which owe their restoration to your care."

Earl Grey made a very touching reply, speaking in French and expressed the deep regret which he felt at leaving Canada and his thanks for the many favors which he had received from the people of Canada during his residence among them. He expressed his high appreciation of the loyalty of the Canadian people.

Earl Grey and party will leave Quebec at noon today. The vice-regal party will leave the Citadel at half past eleven and drive to the King's Wharf where they will board the C. G. S. Earl Grey, and proceed down the river and on the way will meet the incoming R. M. S. Empress of Ireland on which is the Duke of Connaught and party, after which Earl Grey and party will board the R. M. S. Victorian on which they will return to England. On boarding the steamer, Earl Grey, a salute of 19 guns will be fired from the Citadel.

### MONUMENT TO CONFEDERATE DEAD

Philadelphia, Pa., Oct. 12.—The blue and the gray joined in exercises this afternoon attending the unveiling of a monument erected by the Federal Government in Pitville National Cemetery, in Germantown, in memory of the 220 Confederate soldiers buried there.

## CONNAUGHT'S WELCOME

**Gathering of Notables at Quebec to Greet the Governor General**

**Will Take the Oath of Office at the Provincial Parliament Buildings—Will be Brilliant Ceremony**

(Canadian Press.)

Quebec, Oct. 12.—Both Sir Wilfrid Laurier and Premier Borden will be present at the ceremony of swearing in H.R.H. the Duke of Connaught as Governor General of Canada, on Friday. The ceremony is expected to be an exceedingly brilliant one. Their Royal Highnesses will, of course, occupy seats upon the dais, the Duchess on the left of the new Governor General.

Around a long table immediately below the dais will be ranged the members of the new Canadian government, whose advent to office coincides so closely with that of the Dominion's new chief ruler. The ministers will be seated in order of precedence.

Immediately behind the members of the cabinet, and just below the dais on the right hand side, will be places for His Honor the Lieut. Governor of Quebec and Lady Langelier, and for Sir Wilfrid and Lady Laurier. The judges of the Supreme Court will occupy similar places to the left of the dais.

The entry of the Royal party will be made quite an imposing incident. All being in readiness, Captain Victor Pelletier, A.D.C. to the Lieutenant Governor of Quebec, will enter the hall from the apartments of the Speaker of the Legislative Council, and will announce to the judges of the Supreme Court that Their Royal Highnesses are about to enter. A very brilliant military staff will accompany them, including not only the members of the Royal staff, but the members of the Military Council at Ottawa.

### ORDER OF PROCEDURE

The actual proceedings will be opened by Col. Lowther, Military Secretary to His Royal Highness, and a brother of the Postmaster-General of Great Britain, who will advance to the table and read the Royal Commission appointing the Duke of Connaught Governor-General of Canada.

Mrs. Borden wife of the Prime Minister, will then advance and present a bouquet to Her Royal Highness the Duchess of Connaught.

The oaths of office will be administered by Sir Louis Davies, of the Supreme Court, and immediately after His Royal Highness has appended his signature to them, a Royal salute will be fired and the band will play six bars of the National Anthem.

Lady Gouin will then present a bouquet to Her Royal Highness, after which Sir Lomer Gouin will read an address of welcome to His Royal Highness on behalf of the Province of Quebec, and Mayor Drouin another from the city of Quebec, to each of which the Duke will make reply.

The presentation of the Great Seal of state to the new Governor-General by the secretary of State will follow, and as usual, it will be returned immediately to its former keeping, as an indication that the new ministers sworn into office by His Excellency the Earl Grey, prior to his departure from Canada are to remain the constitutional advisers of his successor in office.

## TECHNICAL EDUCATION AND THE TARIFF WERE DISCUSSED

Toronto, Oct. 12.—Technical education and the tariff were the two important subjects taken up in yesterday's sessions of the Canadian Manufacturers Convention. During the afternoon there was also a re-echo of the question of accident relief treated in F.C. Schwedman's lecture the previous evening. The report of the committee on technical education reviewed the work of the past year, and the searching enquiry recently concluded by the royal com-

mission on industrial training appointed by the late Federal government and quoted the memorial presented to the committee a year ago, as representing the consensus of opinion held by the Canadian Manufacturers' Association. The report also fully described the progress of technical education in Quebec, Manitoba and Ontario. In the discussion the speakers were practically agreed on the prime importance of technical
