SORRY HE HAD NOT SEEN HIM BEFORE

No boxer has shown in New York in a long time who has surprised the followers of the game in that city as Mike Gibbons, the St. Paul welterweight. He is the talk of the town since his bout with Willie Lewis. Joe Vila in the New York Sun tells this amusing story:

"Just after the Gibbons-Lewis bout the other night Lewis' manager entered the dressing room. He found Willie with his head in his hands.

"Say McKettrick," exclaimed Lewis peevishly, 'did you ever see that fellow box before you matched me with him?'

"I'm sorry to say I did not," was the sad response."

HOOF PRINTS.

Herman Tyson won 36 races in 80 starts with 10 horses this year. Only 10 times did they finish back of third money.

The longest-standing world's trotting record of importance is that for 4 year-old stallions. Directum's 2,054, which dates back to 1893.

Roy Miller will winter the Dromore Farm youngster at home instead of going to Macon as he did last season.

The veteran Budd Doble was seen in the sulky at Phoenix. He marked the yearling pacer, Harry R, in 2.24.

Our Colonel, 2.18½, who paced around 2.05 at Lexington, brought \$5500 at the Chicago sale. He will probably go into the Murphy stable. C. V. Tuthill, track superintendent at North Randall, O. was presented with \$500 by the members of the Cleveland Driving Club at the annual dinner.

There is little doubt but what "If Ne's'n's Wilkes could have had the opportunity he would have pressed McKenny very closely as Alcyon's greatest son.

Marigold, 2.12½, is a useful sort of a trotter, as in 27 races this year and last she has won 22 first moneys. She is credited with a mile in 2.08½ over a half-mile track.

FIRST STEP IN THE STEEL TRUST CASE

Trenton, N. J., Dec. 2.—A preliminary to the final fight between the government and the United States Steel Corporation will be staged in the United States Circuit Court here Monday, when the Rockefellers and other defendants will enter their appearances in the audit brought to dissolve the steel trust. The defendants will not appear in person, but will be represented by an array of counsel that will include some of the most brilliant legal minds in America. The next round in the battle is scheduled for one month from today, when the defendants must file in court an answer to the allegations of the Government. Unless there are demurrers this should comprise the pleading. Next will come the appointment of an examiner to take testimony. After the testimony has all been taken, filed and read by the court the case will be placed on the calendar for argument and the procedure will be the same as in the oil and tobacco cases.

HOCKEY NOTES

Ottawa Free Press:—The Toronto teams are using a fine tooth comb on the Ottawa City League, and it is no improbable that some old Emmett New Edinburgh and one or two other stars of the town league will be seen with the Queen City aggregation.

There is some talk that it is no Dubb's Kerr's eyes alone that may keep him out of hockey at Ottawa this winter. Someone closely connected with the fair-haired wing states that Kerr may be seen on the transcontinental flyer in the course of the next few days, with a through ticket to the coast.
