FREDERICTON BRANCH--QUEEN STREET.  
W. E. JARDINE, MANAGER**-: A CONTINUED STORY :-****Chapter Three**

Two hundred well satisfied eye sufferers, many of whom have consulted opticians and jewellers, many paying as high as \$10 and \$15 for spectacles which were worthless for their particular eye trouble, having consulted us have found relief not before experienced with their previous attempts. These are true facts with two hundred patients to testify to the truth of this statement. Most important of which is, the glasses were obtained at less than half the usual price. This is the genuine truth of the continued story, and verified by the oldest established druggist in Fredericton.

**RING NOTES**

Battling Nelson and Phil Brock are to clash in Cleveland Dec. 12.

The Leach Cross—"K. O." Brown bout has been postponed by the New York promoter to Dec. 20.

Bill Bass, the Virginia heavyweight, is satisfied now that he is not a "hope," and has quit the ring.

The New York Boxing Commissioners are now open to white and colored boxers meeting each other in the ring.

Abe Attell has clinched another watch that will be easy for him to win. He will meet Tommy Loeck at Pittsfield Dec. 15.

Tom Longboat, the Canadian marathon runner, is going to try his hand at the boxing game and will make his debut at Toronto next Thursday night.

Tom Kennedy made such a good showing against Al Palzer in New York the other night that his manager is now trying to get Carl Morris to meet him.

Jim Barry has not been "in" in San Francisco because of his actions the other night, it is said. He refused to box Charley Miller unless he got more coin and the promoter had to bend to him. Then he made the four-round bout tame, and refused to report, when he could have stopped Miller at any period.

Give your servants GOLD DUST to clean with, treat them rightly and you will have few occasions to insert a "help wanted" ad

They say a good workman is known by his tools. You cannot expect your maid to keep everything ship-shape unless you give her every modern help. To keep house without GOLD DUST is to do work by hard, old-fashioned methods. For cleaning everything and anything about the house—from cellar to attic—GOLD DUST is worth its weight in gold. It cuts grease and dirt like magic, does away with scouring and scrubbing, and saves time and tempers.

Your servant can do more and better work and keep sweet with the aid of GOLD DUST in all household cleaning.
