FREDERICTON H. S. TEAM PLAYING AT ROTHERSAY TODAY

Coach Makes Changes Among U.N.B.
Halves and Quarters--College Plays
at St. John Saturday

The Fredericton High School Rugby team left for St. John this morning. This afternoon they will play Rothersay Intercollegiate School at Rothersay in the Intercollegiate League. Tomorrow afternoon St. John High School will be played at St. John. Fredericton High School and Rothersay have both beaten St. John High School and today's game at Rothersay should be the most interesting of the league.

The Fredericton team is composed of the following:

Fullback--VanWart.

Halves--Barbour, Bellevue Oldham, Steeves.

Quarters--Dolan, Edgecombe, Harvey.

Forwards--Griffiths, Boone, Cass, Turner, Hobkirk, Veness, Gunter.

Substitutes--Boyd and Hall.

Cass is captain of the team and Bellevue manager. Mr. C. M. Lawson classical master at the High School is with the team on the trip.

A large number of rooters also accompanied the team.

CHANGES IN U.N.B. TEAM

The U.N.B. team goes to St. John tomorrow to play the Harriers. Coach Church announces several changes in the team. McFadden and Loggie will be the quarters. They have been tried out this week and have played in good style. Willis and Balam who have been playing in the outside half positions are to be shifted to the inside positions while Murphy and Maiman will go to the ends of the line.

The fullback and forwards will be as before. McGibbon is out of the game with sore chest and Murray with injured foot.

NEW MEN FOR CITY

The Fredericton City squad worked out at Scully's Grave last night. Lieut. Langford and a number of soldiers from No. 3 Regimental Depot turned out and looked pretty good in practice. Other new material will be brought out.

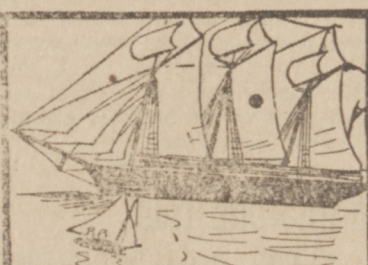

YOUNG SAYLOR GOT DECISION OVER BRONSON

Indianapolis, Oct. 18--Young Saylor who recently beat Battling Nelson to a pulp, took another boost toward a fight with Ad Wolfst for the lightweight title at the Auditorium tonight, when he earned the popular decision over Ray Bronson. Saylor conceded his opponent several pounds, the men weighing at 135 pounds at 3 o'clock.

The bout went the full 10 rounds, but Saylor was the aggressor through out and chased his opponent around the ring. In the seventh round Saylor cut Bronson's left eye open, and in the ninth he cut the right eye open. Saylor came out of the fight unmarked.

Bronson tried to keep the fight at long range but Saylor kept boring and Roy was forced to do some inching which is Saylor's best game.

Saylor's admirers presented to him a bunch of roses, and he was carried from the ring on the shoulders of his rooters.

Large display ads. are good for the large business and the Classified Want Ads. are proportionately good for the small firm. In fact many large firms become such by the diligent use of the Classified Columns. There example is good--start now.

SPORT

GEORGE STOVALL MAY JOIN BOSTON AMERICAN TEAM

Signing of Davis by Cleveland makes
Stovall Anxious to go to Some
Other Club

Philadelphia, Oct. 18--George Stovall first crack baseman of the Cleveland club, who for a greater part of the season was manager of the Indians has come East for the end of the World's Series, intimated today that he might get a chance to play first base on the Boston American League team next season. It appears that Harry Davis of the Athletics some time ago signed a three-year contract which goes into effect next season.

This was previous to Stovall's taking charge of the team or about that time. Cleveland took a big brace under his direction, and the fact that Davis had been signed up as manager was, it is said, withheld from the public and players to prevent the possibility of dissatisfaction arising among the men and interfering with their playing.

Stovall, by landing the Indians in third place at the finish of the championship season just closed made him self very popular with the Cleveland fans.

Now that Davis is coming to the club he wishes to be released.

This does not mean of course that the Cleveland club will let him go for he will be a very valuable man to any club and Cleveland may think he is more valuable to it than to any one else.

Stovall would like to go to Boston no doubt, and his remark that he might get a chance to do so is regarded as significant.

MONTANA DAN SULLIVAN NO MATCH FROM MANTELL

New York, Oct. 17--Frank Mantell at Brown's Gymnasium tonight and outpointed Montana Dan Sullivan in their 10-round bout. Sullivan held on and clinched.

NATURE & SCIENCE

"Nature's healing, herbal essences, purified, concentrated and combined under latest scientific processes"--that is Zam-Buk.

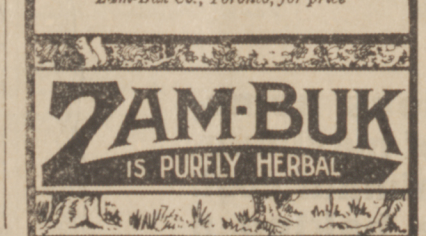

Mother Nature was decreed to be man's doctor. Her roots and herbs were his first and his best medicine--don't you believe that?

Then remember Zam-Buk is just natural healing essences scientifically combined. Our special knowledge is in the purifying, concentrating and combining!

If you have sores, eczema, piles, eruptions, ulcers, rashes, ringworm, cuts, burns, or any skin injury or disease, apply Zam-Buk.

INSHOOT AND FAST STRAIGHT ONE PRODUCED HOME RUNS

Frank Baker Tells of Ball's Served to
Him by New York Pitchers in
Championship Games

Philadelphia, Oct. 18--"There is much speculation regarding the sort of balls pitched me when I made my home runs off 'Rube' Marquard on Monday and Christy Mathewson on Tuesday," said Frank Baker, the hard-hitting third baseman of the Athletics this afternoon at Shibe Park. "I hit them and I knew what they were. 'Matty' threw me an inshoot, but what would have been an outshoot to a right-handed batter while the 'Rube' threw a fast straight one between my shoulder and my waist."

"Connie Mack told me when I went to the bat Tuesday that I would not get a fast straight one and he was right. I set myself and looked them over against Mathewson and when he tossed me that curve and I saw it starting to break I just busted her. That's all."

KLAUS AND HOUCK FOUGHT SLOW DRAW

Philadelphia, Oct. 18.--In a special bout tonight at the American A. C., between Frank Klaus of Pittsburg, and Leo Houck of Lancaster, the affair ended without either earning a decision. The bout was a rather slow one. Leo's punches usually lacked the steam to do any damage, although he got in a few good ones in the last round.

Klaus was after the Lancaster boy from the start. The honors belonged to Klaus up to the last round, when the Lancaster boy came back strong and evened up matters. Houck was like a beaver in the final round.

Frankie Madole of Pittsburg, earned the decision over Freddy Kelly in the semi-final, after the bout had gone six torrid rounds. Madole landed the cleaner blows and was pretty fresh at the close.

HOOF BEATS

Dave Halle the best green trotter seen at Lexington stepped the last half of a 2.083 mile in 1.024 for Bert Shank.

There is much speculation as to what disposition the estate of the late August Uihlin will make of The Harvester.

Walter W. 2.044 won the free-for-all at Birmingham Ala. last week with his caretaker, Frank Simons "Dutch" in the sulky.

W. A. Blodgett of Lincoln has bought a 4-year-old Stallion by Searchlight, 2.034 out of a sister to the dam of Phiala, 2.044.

Walter Cox picked up a likely young pacer in Kentucky a two-year-old, by Loanda, 2.02 that has shown 2.18 over a half-mile track.

Evelyn W. 2.014 is now owned by L. H. Chambers of Port Jefferson, Long Island. She will be raced on the twice-around next summer.

The Amazon, the 2-year-old filly by Aquilini 2.192 out of Jolly Bird, 2.154 owned by Francis Parker of Bedford was given a record of 2.254 at Lexington.

Burt Axworthy, 2.154, a three-year-old trotter that Hiram Tozier has been racing successfully on the half mile tracks, was sold for a long price last week to Tommy Murphy.

General H. 2.044 won the \$25,000 International Championship race in Russia last week. Bod Douglass, 2.044, was second, the Russian horse, Proste, 2.08, third and Allen Winter, 2.064, fourth.

Walter May has a good 4-year-old trotter in a son of Bingen, who worked in 2.15 and back in 2.14 at Lexington. He will be wintered in the Cox stable and raced over the half-mile track next season.

Louis Neidhardt, owner of Charlie Mitchell, 2.044 has a good prospective stake trotter to Baden, 2.134, the Bingen stallion developed by A. S. Rodney, who will take him down the big, line next year.

Norman Tallman made a good campaign with Chatty Direct, 2.094, the four-year-old mare owned by Charles H. Tapper of Attleboro. Raced every week but one from Kalamazoo to Lexington, she goes into winter quarters sound, with \$5500 net purse winnings to her credit and looking to be as good a trotter for the 2.10 class next season as there is in sight.

George M. Stevens of Lancaster, N. H. had the pleasure last week at Lexington of seeing two trotters he bred and still owns trot in 2.12. One was the three-year-old stallion Tidy Peter, by Peter the Great, dam by Patchen Wilkes, and the other a four-year-old by Gen. Forest, out of Baron Lassie by Baron Wilkes. The second dam of both is Hecuba by Princeps.

SYNOPSIS OF CANADIAN NORTH- WEST LAND REGULATIONS.

ANY PERSON who is the sole head of a family, or any male over sixteen years old, may homestead a quarter section of available Dominion land in Manitoba, Saskatchewan or Alberta. The applicant must appear in person at the Dominion Lands Agency for the district. Entry by proxy may be made at any agency, on certain conditions, by father, mother, son, daughter, brother or sister of intending homesteader.

Duties--Six months' residence upon and cultivation of the land in each of three years. A homesteader may live within nine miles of his homestead on a farm of at least eighty acres, solely owned and occupied by him or by his father, mother, son, daughter, brother or sister.

In certain districts a homesteader in good standing may pre-empt a quarter section alongside his homestead. Price \$3.00 per acre. Duties--Must reside upon the homestead or (including the time required to earn homestead patent) and cultivate fifty acres extra.

A homesteader who has exhausted his homestead right and cannot obtain a pre-emption, may enter for a purchased homestead in certain districts. Price \$3.00 per acre. Duties--Must reside six months in each of three years, cultivate 40 acres and erect a house worth \$300.00.
