FREDERICTON AND MARYSVILLE BOTH LOST LAST NIGHT

Small Ice-Surface and Poor Lights Helped Sussex to Beat Fredericton 5 to 3—Marysville Lost 7 to 3 at Chatham.

Fredericton and Marysville have fared ill in their first foreign games. Fredericton lost 5 to 3 to St. John on Wednesday and 5 to 2 to Sussex last night and Marysville 7 to 3 at Chatham.

The small rink and poor lights had much to do with Fredericton's defeat at Sussex.

Sussex 5; Fredericton 2
Sussex, Jan. 19.—The Sussex hockey team won from Fredericton this evening, with a score of 5 to 2. The ice was in splendid condition and a large and enthusiastic crowd witnessed a fast and clean game. There were only two penalties handed out during the entire game, one for each side. W. E. McLeod refereed satisfactorily to both teams.

The home team was first to score, and during the first half proved themselves superior to the visitors. Half time ended with Sussex 4, Fredericton 1, and had it not been for Titus, the Fredericton star goalkeeper, the score would have been much larger.

In the second half Fredericton showed up better and play was more even, each team getting a goal. Courtney scored three, Leclair and Fenwick one each for the home team while Peeney and Galloway found the net for Fredericton.

The Sussex boys are in much better condition than when they played in St. John and when they play with St. John here next Thursday they hope to make a much better showing.

Sussex	Goal	Fredericton
Coggon	Point	Titus
Fenwick	Coverpoint	Sterling
Eveleigh	Left Wing	Babbitt
White	Right Wing	Duncan

HOOF PRINTS

John Trotwood Moore, whose writings about the pacers of Tennessee under the pet name of Trotwood, has been widely read by horsemen, has immortalized the gallant old side-wheeler Hal Pointer, 2:04½, by writing his autobiography in the form of a charming novel entitled "The Gift of the Grass."

By a settlement effected out of court with A. M. Hamilton, David Shaw became sole owner of the trotting mare Joan, 2:04½, last Wednesday. Shaw paid \$10,125, which amount included about \$700 for Hamilton one-fourth interest in the mare, the balance being Hamilton's share in her net winnings during the season of 1910.

The American Horse Breeder announces a renewal of its famous Futurity along the same liberal lines as the one of 1910. The entrance fee will be only \$1, with second payment \$3. An innovation that will appeal to breeders is the giving of six months instead of four. The event is for mares bred last year, the foals of 1911 being eligible with entries closing early in March.

About 1200 trotting tracks are represented in the membership rolls of the National and American trotting association, and it is estimated that 300 tracks in the United States and

Chatham, 7; Marysville, 3.

Chatham, N. B., Jan. 19.—The return match between Marysville and Chatham teams in the N. B. H. L. was pulled off here this evening and resulted in a win for Chatham by seven goals to three.

The line-up follows:	Goal	Robinson
Watters	Point	Brogan
Watling	Coverpoint	Waile
Milford	Centre	Robertson
Godfrey	Left Wing	Hovey
Flood	Right Wing	Dennison
Barter	Rover	Bird
Synott		R. A. Snowball refereed.

The game was called at 8.38 and for the first ten minutes play on both sides was very even, though mostly in the vicinity of the visitors' goal.

A good run by the latter, however, resulted in a score for Marysville, which Chatham, however, soon evened up. A second goal for the visitors was shortly afterwards scored and this seemed to put the home team on their mettle, for they quickly scored twice in succession. Shortly before half time Robinson, the visitors' goal keeper, got knocked out and had to retire temporarily. The score at half time was 3 to 2 in favor of Chatham.

On resuming goals the home team scores, came thick and fast, "three being scored within a few minutes. This seemed to demoralize the visitors altogether, though they succeeded in putting on more goal to their credit. Finally, Chatham scored again, shortly before time was called.

The game was fair hockey throughout, though there were some disputes and a lot of time wasted, but the best team undoubtedly won.

It will be called the Grand Central circuit, partly made up of both Great Western and Grand Circuit cities. It will be the greatest short ship circuit ever formed.

Columbus will offer \$80,000 for the two-week meeting in August, and \$20,000 for the September week. The purses for the circuit will aggregate \$450,000. Lexington, it should be explained, is not actually in the circuit but the horsemen will go there from Columbus.

AMHERST TRIMMED TRURO

Amherst, N. S., Jan. 19.—A small audience went to the Aberdeen rink to witness the match game of hockey between the Truro Colts and the Amherst Ramblers tonight which the latter won, 15 to 0.

RING NOTES

Jack Dillon and George Chip will meet at Dayton, O., Jan. 25.
Frank Conley and Joe Coster will clash in New York next Tuesday night.

The boxing shows given in Philadelphia last week for the firemen's fund netted \$1613.
Matt Brock and Tommy Bresnahan have been matched to box near Cleveland Feb. 3.

Cy Smith and Phil Knight have been secured to box at Tom O'Rourke's New York club Feb. 2.

Carl Morris, the Oklahoma "hope" has refused an offer from Jim Corbett to become his sparring partner.

The boxers are hurriedly quitting Winnipeg as the authorities there are at present working on a reform plan.

The district attorney of New York has decided that friendly bouts between boxers on the stage are not a violation of the law.

Lord Lonsdale, the noted English sportsman and a great patron of boxing, who has put up championship belts for about every class of English boxers to compete for, has added another belt to the list. It is for the "xyweight" class.

Tom Thomas, who several weeks ago lost the English middleweight championship belt, is now going to try to win the belt in the light heavyweight class. This means that Thomas figures he cannot make the middleweight and be strong.

Dick Arnet of Australia, professional championship sculler of the world, has an idea that he would shine as brilliantly in the boxing world as he does in rowing, and so he has become one of the "hopes." Jack McHugh of Richmond, Md., is another to be added to the list.

TERRIBLE RAVAGES OF BUBONIC PLAGUE

Harbin, Manchuria, Jan. 18.—The epidemic of bubonic plague threatens to become an international danger unless foreign control is introduced because of the ignorance of the Chinese authorities. The Taotai remains cooped in the centre of the city, his residence guarded by troops, and the extent of the plague is contained. The rivers are being polluted by bodies being thrown in.

Refugees from Fudzian have carried the contagion throughout the radius of 70 miles from the railway and have infected Kwandxcheez where the mortality is almost as great as at Fudzian.

Mukden, Kirin have been seriously invaded by the disease. Twenty four bodies have been picked up in the streets here. The victims in this city and Fludzian number many hundreds.
