gram this morning from Amherst, N.
S., announcing the death of his mo-
ther, Mrs. L. B. Allen of that town.
She had been ill for several weeks
from heart trouble and her death was
not unexpected by her relatives and
friends. The deceased was a daugh-
ter of the late Rev. Dr. Silas T.
Rand, a Baptist clergyman, mission-
ary and ripe scholar, who was well
known throughout the maritime pro-
vinces. She was seventy years of
age, and is survived by a family of
seven sons and three daughters.

THOS. DOW VANDINE
PASSED AWAY AT
MIDNIGHT THURSDAY

Ill for Thirteen Months--Energetic and
Efficient Public Officer--Funeral
Sunday Afternoon.

The death of Thomas Dow Vandine
occurred at midnight at his home on
Brunswick Street after a prolonged
illness of thirteen months. Death
was due to a complication of dis-
eases. The deceased was in his seven-
ty-fourth year and his death is re-
gretted by citizens generally as dur-
ing his life the late Mr. Vandine had
so conducted himself in the various
public offices he had as to win the
respect of all.

FUNERAL SUNDAY
The funeral will take place on Sun-
day, leaving the house at 3.30. The
service will be conducted there by
Rev. J. E. Wilson of the George St.
Baptist Church. The family of
the deceased requests that no flowers
be sent.

The late Dow Vandine was the son
of the late Joseph Vandine. He was
born at Sheffield, Sunbury County,
March 21st, 1837. He came to Fred-
ericton in 1856 and for many years
was engaged in the business of harn-
ess-making with the late James Mc-
Pherson.

In 1881 when the city police force
was reorganized, following the ad-
option of the Scott Act in this city,
Mr. Vandine was appointed to it, his
occupation having made it necessary
that he adopt another which would
enable him to stay in the open air
the greater part of the time. In 1892
he left the police force, having been
appointed to the Customs Depart-
ment. He remained there until thir-
teen months ago when he retired
from active work on account of ill-
ness. In 1907 he received a perman-
ent appointment, having been acting
official up to that time.

STRIKING INCIDENT.

One of the most striking incidents
in the life of the deceased took place
shortly after his appointment to the
police force, and arose out of the
enforcement of the Scott Act. In the
summer of 1882 the arrest of the Lee
brothers was ordered and they con-
cealed themselves in the loft of the
stable on their property on Westmor-
land street, the building standing at
the rear of the premises now occupied
by Colwell & Jennings. Policemen
went to arrest them, Vandine being
the first to enter the loft. The Lees
had threatened to fire on the public,
and did so, Vandine receiving a
charge of shot in the neck and shoul-
der. Later the same day, a mob sur-
rounded the building and the perpe-
trators of the crime, attempting to
escape, were arrested. At another
time shots were fired into the house
of the deceased.
"The most courageous officer of the
law the city ever had," is the expres-
sion which Police Magistrate Marsh
uses in connection with the deceased.
"A most efficient and reliable officer
in our department," is what his fel-
low officers of the Customs Depart-
ment say of him.

SURVIVING RELATIVES.
The deceased is survived by a wi-
dow, formerly Miss Barker, two sons
and one brother. The sons are Er-
nest D. Vandine, of Toronto, and Ro-
bert B. Vandine, of this city. Ar-
thur Vandine, of Detroit, is a brother.
Mr. Ernest Vandine will be here to
attend the funeral.

THE LUMBER CUT ON
THE RESTIGOUCHE

(Campbellton Graphic)
The lumber cut in the Restigouche
and its tributaries this season will
be as large as last season, if not
slightly larger. This was the infor-
mation given the graphic by a well
known lumberman.
At the beginning of the season it
was expected there would be some
curtailment in the quantity, but con-
ditions for chopping and yarding have
been so favorable on the North
Shore that many jobbers had their
contracts filled early in the season.
The weather here has been good.
Snow fell early in sufficient quan-
tities to make good hauling and stay-
ed, despite the two soft spells which
removed the snow in other parts of
the province.
Recently one of the largest opera-
tors on the Restigouche instructed his
foreman and jobbers to cut larger
additional quantities than at first
ordered. It is said this firm's extra
cut will be about ten millions which
added to their first estimate will
make an exceedingly heavy cut. It is
understood that other Restigouche
firms are over cutting their first esti-
mates.
In cedar the cut will be smaller
than usual as the price of shingles
continues to be low.
A candidate more or less makes a
mighty little difference in Westmount
anyway.

ROLSTON AND
FLOWERS REACHED
CITY TODAY

Remanded Until Monday--Coach Con-
taining Police and Prisoners Up-
set on Way to Police Station.

Charles Rolston and Fred Flowers,
arrested in Boston on Saturday last,
for the robbery of the jewelry store
of F. E. Blackmer & Co. here some
days before, were brought to the city
at noon today by Chief of Police
Hawthorn and City Marshal Roberts.
The two were taken before Police
Magistrate Marsh immediately on
their arrival here, and were remanded
to jail until eleven o'clock Monday
morning.

CIRCUMSTANCES OF ARREST.

The accounts of the arrest of the
two young men in Boston that have
been wired to the press do not agree
with that given by the Chief of Pol-
ice. The latter says that Rolston
and Flowers went to Boston by boat
arriving there on Friday last. They
attempted to dispose of the jewelry
they had with them, and sold part of
it to a Hebrew pawn-shop keeper. As
required by law, the sale of the jew-
elry was reported to the Boston police
department by the keeper of the pawn
shop and the suspicion of the police
was aroused. The next day Rolston
and Flowers were located and follow-
ed. William Irwin, a plain-clothes-
man, arrested them in another sec-
ond-hand shop. Flowers was suspic-
ious of the officer as soon as he saw
him and tried to get away, but was
caught at the door of the shop.

REASON FOR DELAY.

On being taken before the municip-
al court in Boston, the two were re-
manded until Thursday of this week.
When the local police reached Boston
they found that habeas corpus pro-
ceedings would be necessary before
they could get the prisoners, unless
they waited until Thursday. It was
decided that matters could be arrang-
ed more quickly by waiting until the
two appeared in court and that course
was adopted. The stolen jewelry has
all been recovered and was brought
back with the prisoners. Its value
has been exaggerated. It is worth
about \$400.

IN A MIX-UP.

Prisoners, police and Rolston's two
brothers, who met him at the station
here were mixed up promiscuously in
front of the City Hall at about one
o'clock this afternoon when the coach
in which they were being driven,

WALKING ROUND
THE WORLD FOR

Henry Stewart Here to Boost San
Diego Exposition--Left Home on
February 14th, 1910.

Fredericton has been honored by a
visit from Henry Stewart, official
booster of the Panama-California Ex-
position, which is to be held in San
Diego, Cal., in 1915, to celebrate the
opening of the Panama Canal. Mr.
Stewart arrived in the city at about
two o'clock yesterday, having walked
from Cardigan. He walks whenever
he can, indeed, it is his intention to
walk around the world, that is, where
it is not too wet for him to do so. He
started from San Diego, Cal., on Feb-
ruary 14th, 1910, and walked north-
east to Detroit, where he last set his
foot on American soil. From Detroit
he went through Ontario, touching at
all principal cities. He then went
through Quebec and entered New
Brunswick via the Temiscouata Rail-
way, for Mr. Stewart prefers to walk
the ties wherever he can. In this way
he can travel at the average rate of
twenty miles a day and covered the
distance between Fredericton and
Woodstock in three days. St. John
will be the last place he will touch in
Canada. There he will take steamer
for England. He will cover the Brit-
ish Isles on foot, also Continental
Europe, Asia, Africa and Australia.
He expects to return to San Diego,
New Year's Day, 1915.

Mr. Stewart is an Englishman by
birth, but he has been naturalized in
the United States. He is sixty years
of age, but is very sprightly for his
years. In a blue tunic, brown canvas
jacket and tan boots partially cover-
ed with rubber, he is a conspicuous
figure about the city. While here he
is at Long's Hotel.

Mr. Stewart has made several long
journeys afoot on previous occasions.
On this he finances himself by selling
for fifty cents each, souvenirs which
entitle the purchaser to post cards
from Paris, Rome and Jerusalem,
when he reaches those places. He al-
so has a book containing the endorse-
ments of public officials in the places
visited and the public seals. Here he
has seen City Clerk McCready, the
Mayor, the City Engineer and others.

struck a curb and upset. A crowd
rushed out York street to get a view
of the prisoners and frightened the
horses which turned, causing the
coach to slew and turn on its side.
Some cuts from broken glass were
the most serious injuries. Humphrey
Boone was the driver of the coach.

THE INTERMITTENT
ALARM CLOCK
For these dark mornings an alarm clock is almost a ne-
cessity. The intermittent alarm, in which the alarm rings
for several seconds, then pausing, and after a period of
silence again rings, and so on for ten minutes, is by far the
most effective. We have them in both nickel and brushed
brass, in the regular and extremely small sizes. Our price
only \$2.25 to \$3.00.
Regular alarm clocks \$1.00 each.
