Showing of U.N.B. Team Big Surprise to Acadia Yesterday

Garnet and Blue won 5 to 0 but U.N.B. had Better of Territory Play--Red and Black Forwards Outplayed Opponents at all Stages but Halves as Before Could not Score--Loggie and McGibbon put up Good Game at Quarter--Dixon Star Forward

BY "BABE" CHURCH,
U.N.B. Coach.

Wolfville, N.S., Nov. 2.—Acadia 5, U.N.B. 0. In the first half the score was 0 to 0, with the play in Acadia's territory. In the second Acadia scored in 20 minutes of play, Andrews going from the U.N.B. five-yard line and Reid kicking the goal. The U.N.B. forwards played them off their feet, but the half-line failed to score. Dixon of U.N.B., was the star forward of the team. The game was mostly a scrimmage. Laughlin, at full, played a fine game for U.N.B. Norman Ralston of Lockeport, an old Dalhousie man, refereed a good game, being entirely impartial. U.N.B. certainly gave Acadia a grand surprise party, the boys being in great shape. Reid, the Acadia fullback, is one of the best in the business, saving the situation for Acadia time after time with his long punts. The Acadia forward-line is heavier than U.N.B. Our quarters, Loggie and McGibbon played a first class game. The Acadia half-line is fast. U.N.B. on the whole had the best of play, the ball being in Acadia's territory over three-quarters of the time.

Wolfville, N.S., Nov. 2.—In one of the most keenly contested football matches ever played in this town, Acadia College defeated the U.N.B. today by a score of 5 to 0.

For the first ten minutes of the game the U.N.B. fifteen played the garnet and blue off their feet, keeping the ball between their five and ten-yard lines, when only the wonderful work of Acadia's defence prevented a score. It looked at this point as if Acadia was doomed to defeat. They soon found themselves, however, and before the half was over the argument became more even.

The second period opened lively, with both teams playing like demons for an advantage. Ten minutes after the ball had started, Phil Andrews, the star of the Acadia team, shot across the U.N.B. line for the only try of the game. The kick was from an angle, and Reid converted nicely.

The visitors set a lively pace after this, but once more the defence of Acadia proved impenetrable and the game ended, Acadia 5, U.N.B. 0.

The field was very wet, making accurate passing, fast running and combination work impossible. It was a forwards' game from start to finish, and the excitement was intense. Des-

pite the inclemency of the weather a large number of people witnessed the struggle.

Richmond, Acadia's speedy little half-back, sprained his ankle early in the second half, and was obliged to retire from the game, being replaced by Loring Andrews. Norman Ralston, formerly captain of Dalhousie, refereed impartially.

The teams lined up as follows:

Acadia	Fullback	U.N.B.
Reid	Laughlin	Halves

Richmond	Murphy
Grant	Murray
P. S. Andrews	Willis
P. Andrews	Maiman

JACK D. McDONALD "AMATEUR" RUGBY PLAYER OF EDMONTON

(Acadian Recorder)

Jack D. McDonald has been heard from and is playing "amateur" Rugby football in Edmonton. J. C. Lithgow, honorary President M. P. A. A., has a letter from the President of the Alberta Rugby Football Union enquiring if he professionalized the former Cape Breton player. If the season is not over, Jack D. will have to go elsewhere to participate in "amateur" sport.

They evidently have the pro-amateur troubles in the West just as we have in the Maritime Provinces.

GARRY HERRMANN WANTS BALLPLAYERS TO STOP WRITING

Cincinnati, Nov. 1.—Baseball players in the major leagues will not be permitted to go into vaudeville during the off-season and neither will they be allowed to do newspaper work on World's Series baseball games, if a resolution prepared by August Herrmann, chairman of the National Commission, passes that body.

At the next meeting of the commission he will introduce the resolution. He believes that criticism by fellow players for newspapers has a bad effect on the game, because of the ill-feeling aroused by such criticism.

COMPLETE BREEDING OF BRIAR QUEEN, 2.18

The Acadia Recorder says: "We are indebted to George H. Leaman, Truro, for the complete breeding of Briar Queen, the sensational four-year-old of the past season, which Harry Lydiard drove to a record of 2.18 at Halifax. She was sired by the famed Border, dam May King; second dam Juno, pacer, 2.35, by All Right; third dam Speculation, dam of Juno, Belle Brandon, Sensat (formerly Puss), all by All Right and Jubilee, 2.17½, Tom Ktn, 2.20½, and Annie Laurie, all by Melbourne King. Speculation was by Canadian Lion, imported by the late Hugh McMonagle, Sussex, and her dam was Sall, a noted road mare, from a Morgan mare, sired by a hunter, imported to Moncton by the late D. King, of Sussex, N.B. Speculation was bought when three years old by Mr. Hallett, of Truro, who got her in Albert Co., N.B., and was a chestnut mare, with white stripes on her face. Mr. Leaman says she was a splendid roadster and could trot a long at about three minutes; work all day, and drive at night as far as anybody's horse.

CHICAGO AND MINNESOTA

Minneapolis, Minn., Nov. 3.—With the championship of the middle West depending in large measure upon the outcome, interest in tomorrow's football game between Chicago and Minnesota universities is intense. The game will be played on Northrop field and is expected to attract the largest crowd that ever attended a football contest here. The betting indicates that in the opinion of the experts there is little to choose between the two teams, either as regards condition or their respective records up to date.

R.T.C., Charlie Mitchell, Sir. P. Longworth B. Belvasia and Casca were the members of the Murphy stable to win more than \$2500.

CINCINNATI AFTER EWERS OR JOE TINKER FOR MANAGER

Chicago, Nov. 1.—Pres. Charles W. Murphy of the Chicago National Baseball team left for Cincinnati tonight. It is reported that he will talk with Pres. Herrmann in regard to trading one of his players to act manager of the Cincinnati team.

It is said Herrmann wants the services of either Johnny Ewers or Joe Tinker as manager. Murphy declined to either affirm or deny the report.

MATT WELLS SAILS FOR ENGLAND TODAY

New York, Nov. 2.—Matt Wells, the champion lightweight of England will sail for the other side on Friday this puts an end to the possibility of his meeting Packy McFarland. A match was made for the pair to meet at Madison Square Garden at 135 pounds, but the fight could not be held because the club lost its license. Another manager discovered that 135 pounds would not suit his man and refused to carry out the agreement which was only a verbal one.

HARVARD-PRINCETON GAME

Princeton, N. J., Nov. 3.—This quiet little village is teeming with excitement for tomorrow the local gridiron is to be the scene of the first football game that Harvard and Princeton universities have played in fifteen years. The town is gayly attired, and the streets are thronged with the "early birds." The pennant peddlers are already here with their "winning colors" of either university. Practically all the tickets for the game are sold and record-breaking crowd is assured.

While sentiment in favor of the local university runs strong, the betting odds indicate that the Harvard team will go into the fray a slight favorite. The Crimson has made an excellent showing from the start of the season and it is generally conceded that the Orange and Black will have the hardest kind of a fight to gain the victory.
