CANADIAN TRADES

PLEASE TAKE NOTE

John Hays Hammond, on his return from Russia this week, where he went at the request of the Russian Government to ascertain whether there was anything in connection with its industrial commercial development that would interest American capital and American initiative, said, in part:

"I found that there is a great field in Russia if properly taken advantage of, but it must be done through intelligent and persistent effort and not by spasmodic attempts. I also found that American capital and American initiative were very much desired by Russia. It will not suffice to send circulars printed in English, giving the cost of American products, f. o. b., New York. Other nations are sending out circulars in the Russian language giving the cost of goods delivered at the various emporiums.

"One thing greatly needed in this connection is the establishment of direct marine connection with Russia. As it is today, our exportations to Russia are carried either in English or German boats to German ports or by German ships direct and re-exported. This involves unnecessary expense and delay.

"Russia is doubtless a country of unlimited natural resources and of an especially uneducated class of laborers and America is the country preeminently competent to assist in the development of this great empire.

Mr. Hammond said that he could speak optimistically regarding the future in Russia for the investments of American capital.

BUFFALO WILL HOLD WORLD'S RECORD BOWLING TOURNEY

Three Thousand Individuals Will Roll During Tournament—Canadian Teams Will be Prominent.

Buffalo, Feb. 13.—When the entries for Buffalo's big bowling tournament close Tuesday night, February 14th, at midnight it is expected that the greatest number of pin knights that ever submitted their names to a big event of this kind will be enrolled as competitors in the tourney which the Buffalo promoters and business men have labored for months to make the greatest of its kind ever known in the history of bowling. Already every indication is that the largest previous entry will be exceeded by a wide margin and reports received daily from every section fore-shadow that the 11th hour rush will be enough to swamp a less efficient or ill-prepared force.

SUCCESS AT LAST

For years Buffalo has tried for the tournament, and now that success has crowned the efforts of manager John G. Floss and others, they are out to show the bowlers what they have missed by not coming to Buffalo earlier. In this direction they have had the assistance and co-operation of the entire city, every civic body, club, business corporation and industry helping to make it the grand tournament the Buffalo boosters promised it should be. City solicitors have been working energetically all through the vicinity and William Limber, William Pollock and Max Graf, who have had this work in hand, report that Buffalos boasted city entry list of 100 will be exceeded by at least 50 and perhaps 75. Civic and social clubs, business houses, factories, Y. M. C. A. and church teams have entered to help swell the total.

This will mean a greater showing than any city in the country ever made and the entry list will set a herculean task for future tourneys to equal.

WIDE STRETCH COVERED

A wider stretch of country is covered by this year's schedule than by any of the preceding ones. Away from the Canal Zone has come a request for entry blanks and for all the information possible. The south will be represented as well as distant points in Canada. It is expected that 3,000 individuals will roll in the tournament during the twenty-four days, 2,000 of them coming from points outside Buffalo. Champions of past tournaments will be on hand and those in charge of the local N. B. A. affair are predicting new records in all three of the events, the live-man, two-man and singles, on account of the splendid quality of the contestants who will bowl.

DIAMOND DUST

Hughie Jennings is banking upon Jay Kirke, a young infelder, to succeed Matty McIntyre in left field. Kirke was not a howling success as an infelder, but Manager Hughie thinks that the youngster is possessed of enough speed and hitting ability to ably supplant the Staten Islander.

Eastern League scribes believe that Matty McIntyre was claimed by the White Sox so that Duffy might turn him over to Providence, one-third of which club he still controls. Under the circumstances, with the material at hand in the Windy City, Duffy will do well to give his former Tiger star a thorough trial in his outfield.

Pittsburg scribes declare that Hans Wagner will surely be switched to first base during the coming campaign if a new recruit named Hunter falls down on the first corner assignment.

Fred Clarke, manager of the Pirates would give almost anything to capture a first base man of even average type. In the past seven years the pilot of the Buccaneers has tried out no less than thirteen men. Those who could field couldn't hit, and those who could hit couldn't field. Kitty Bransfield would look pretty sweet to Clark right now.

Following the lead of Deacon Phillippi, who signed a blank Pittsburg contract a few weeks ago, Pitcher Harry McIntyre, erstwhile Dodger, who is now with the Cubs, has also penned his name to a blank agreement. After President Murphy had inserted the figures McIntyre remarked: "I am more than satisfied."

Whether or not Patsy Flaherty, the little southpaw with the rapid-fire return delivery, makes good in the box for the Boston Nationals, he is sure to be on the Rustlers' payroll the coming season. If Flaherty fails to uphold his end in the pitching line, he will be used by Manager Tenney as a scout.

FREDERICTON SECOND TEAM SHOWED CLASS IN WORK-OUT

Kept Seniors Busy Last Night—Game With Marysville Midgits Will Be Played Shortly.

Jimmie Jones, trainer of the Fredericton Hockey team, had his second team working out against the Fredericton N.B.H.L. team last night. The work-out was one of the best of the season, the Juniors with "Tart" Titus in the net behind them, kept the Seniors busy and did most of the scoring. Trainer Jones expects to have the Juniors play against the Midgits of Marysville on Thursday. The line-up of Fredericton II will be something like this:

Goal, Binney.
Point, Greg Feeney.
Cover Point, L. Carten.
Centre, P. Gouge.
Rover, Earle Chappell.
Ring Wing, Bob Chappell.
Left Wing, Blaine Pugh.

That protested Fredericton-St. John game is likely to be considered by the N.B.H.L. executive at St. John tomorrow afternoon.

MONCTON PROS EXPECTED TO PLAY FOR STANLEY CUP

Ottawa, Feb. 13.—Chairman "Dave" Mulligan of the player's committee of the Ottawa Hockey Club, stated last night that the Ottawa team would not play any Stanley Cup matches this season unless the trustees insisted on it.

Mr. Mulligan says that as soon as the season is over the team will go immediately to New York and by the time they complete their engagements there the players will have had enough hockey for the season. It is probable there will be two challenges, one from the Ontario professional league and one from the Maritime Province league.

They will probably be held over until the start of the season of 1911-12, when they will be better for both teams financially.

HOCKEY ATTENDANCE.

Ottawa is the greatest hockey town in the world, if the attendance figures of Teddy Dey, the manager of the Arena, can be taken as a criticism, the local ice palace breaking all Canadian records for hockey matches in the senior games that have been played here this winter. Only five games in the National Hockey Association have been played to date but the turnstiles show that over 32,000 paid admissions have been taken in at the Laurier Avenue rink, with three more games yet to be played.

JUNIORS WON FROM SENIORS IN CLOSE GAME

Return Game Will be Played on Monday Next—Oldtimers Can "Come Back" as Curlers.

The Oldtimers and the Youngsters played at the Curling Rink last night and the veterans lost in a three-rink game, 35 to 29. It was not a bad beating, by only 9 points, and when a return game is played next Monday night, the Seniors expect to retrieve their lost honors.

Some of the Oldtimers had not been curling for some years but managed to hold their opponents down well. Messrs. J. S. Neill and E. H. Allen have determined, as a result of last night's game, to again become active members of the Curling Club.

The scores of the rinks playing last night were as follows:

Seniors	Juniors
A. H. Randolph	Jack Neill
L. C. Macnutt	A. A. Shute
F. L. Fowler	C. F. Randolph
J. S. Neill	A. S. McFarlane

skip 7	skip 13
H. V. Bridges,	Dr. Holden
R. S. Barker	D. J. Shea
J. H. Hawthorn	W. A. B. McLellan
E. H. Allen,	F. P. Hatt
skip 9	skip 10
D. L. Babbitt	F. W. Porter
W. R. Dunbar	N. Dougherty
R. F. Randolph	T. A. Wilson
T. G. Loggie,	S. D. Simmons
skip 13	skip 15
Total, 38	29

At the conclusion of the match a "beeswing" was held, at which complimentary references were made by one side to the other. Mr. J. S. Neill proposed the health of the Juniors. Mr. C. F. Randolph replied, and proposed the health of the Seniors. Mr. E. H. Allen made a suitable reply to the toast.

U. N. B. AND ACADIA MADE NEW RECORD FOR OVERTIME PLAY

(Halifax Herald)
Acadia and the University of New Brunswick made a new world's record for playing overtime in their grueling game at Wolfville Friday night. Never before in the history of hockey have two teams played eighty minutes overtime. The close score of 2-2 proves that it must have been a great struggle, with excitement at fever heat all the time.

Those who witnessed the struggle, say that the players could not have continued any longer as the most of them were "all in." Sixty minutes is enough for any player, but two hours and a third is too much of a good thing.

Professional coaches have made a remarkable change for the better in these two college teams, and this should be a banner year for Intercollegiate hockey in the Maritime Provinces. The U. N. B.-Acadia game will have to be played off.

It was seventy minutes overtime that was played at Wolfville last Friday. The first period was of thirty minutes, the second of twenty-five, the two teams making that arrangement as each wished to play a different length of time for the halves. The actual time of play was two hours and five minutes. That constitutes a record however.

JIMMIE GEORGE, RUNNER, BECOMES PROFESSIONAL

Beaverton, Ont., Feb. 13.—Jimmie George, the local Indian foot runner, has been training in the snow since February 1, and it is rumored that he intends to turn professional. This will be a serious disappointment to his admirers, who wished to see him enter the Boston Marathon next spring, and the games in Sweden in 1912.

While the ceremony of crowning the King and Queen in Westminster Abbey on June 22 will be almost identical in form with that which has been followed in the investiture of British sovereigns since William IV and Queen Adelaide, the auxiliary functions are expected to exceed in pageantry and magnificence anything that the nation has witnessed in the past. These will include the progress of the court through London on the day after the coronation and a visit
