## GIANTS DEFEATED ATHLETICS IN TENTH-INNING RALLY

New York Tied Score in Ninth after Oldring's Home-run had Given Philadelphia Three Runs in the Third—Immense Crowd went Wild with Excitement

New York, Oct. 25.—The Giants found their bats today, and with but one game between them and defeat for the world's baseball championship they won that game by the score of 4 to 3 in the tenth inning of a sensational uphill struggle against the Philadelphia Athletics, and again put themselves into the running. Tonight the world's series stands: Philadelphia Americans won 3, lost 2; New York Nationals won 2, lost 3.

While the Giants earned their triumph largely by hard and clean hitting, it was declared tonight by Umpire Klem, the National League official who worked behind the bat during the contest, that had a timely point been taken by the Athletics on the last play of the game, when, with two out, Larry Doyle slid home with the final tally, the runner would have been declared out and the inning ended with the score still a tie, 3 to 3.

Doyle, according to Klem, did not touch the plate in sliding in, and it needed only a protest by the visitors to nullify the run he was supposed to have scored. The technical claim was not made, however, and the game stands as a Giant victory. Nobody in the stands knew anything of this, and the edge of the crowd's enthusiasm was not dulled by the injection of any technicalities.

### CROWD WENT WILD.

Seldom, indeed, if ever, has there been such a scene of excitement witnessed on the historic Polo grounds, as during the sensational ninth and tenth rally of the Giants in the presence of a crowd of nearly 35,000 persons.

Battered by the loss of three straight games to their rivals, with their premier twirling star, Max Baer, twice beaten, their famous left hander, Marquard, for the second time taken out of the box after a home run rap from a Philadelphia's bat, and the score 3 to 0 against them, the New Yorkers swung their bats against "Iron Man" Hack Coombs' curves in the ninth inning to such effect that two tallies came over, tying the score.

Then in their next time up they started in at Ed's Plank, who had relieved the Kennubank star, and pushed another run across the plate for a well earned victory.

New York hopes had been at a low ebb as the game started with Marquard and Coombs as the opposing twirlers, and sank still further, as with two men on bases, Rube Oldring pushed the ball into the left field bleachers for a home run in the third for three of Philadelphia's tallies.

Coombs was his old effective self, meanwhile, the Giants having scored but a solitary run in the "Lucky Seventh" up to their final rally.

### THE TURNING POINT.

Ames had relieved Marquard in the fourth and was pitching scoreless ball when, in the eighth, Crandall was sent in to bat for him. The turning point of the struggle may be reckoned from here, with Crandall's injection into the game. The husky twir-

ler pitched the Athletics into cyphers in the ninth and tenth, and came to time with a cracking double with two men out in the New York's ninth inning. His hit scored Fletcher, who had doubled, and Devare, another of the day's many heroes, lined a safe drive to left for a single that brought Crandall home and tied the score. The scene of enthusiasm that accompanied this feat of the Giants was indescribable. The shouting and cheering from the stands merged into one continuous deafening roar.

The official score:

## ROTHESAY DEFEATED ST. JOHN H. S. 5 TO 0

St. John, Oct. 26.—The Rothesay college pigskin chasers won from the local High School yesterday afternoon on the Marathon grounds by a score of 5-0.

The game, which was one of the interscholastic league fixtures, was won by the good work of the visitors.

At the start the High School rushed the ball to the Rothesay 25 yard line, and for a few minutes things looked serious for the Rothesay players.

Sinclair got the ball on a forward pass and went over the line. Referee Thorne called a five yard scrim, and from then till the finish of the first half neither of the teams did any brilliant playing. Anglin at fullback doing some good punting.

The second half was marked by the rushing of the Rothesay halves. Brown got the ball out of a mixup near the fifty yard line, and by good running and dodging planted it between the posts for the only score of the game.

After this the locals bucked up and rushed the pigskin down the field. At this period of the game McKee was moved from half to full.

Anglin moved up on the half line. The game was then slightly in the High school's favor, the play ending on the Rothesay 25 yard line.

## WHITE SOX TO TAKE ROUND-THE-WORLD TRIP AFTER SEASON OF 1912

Chicago, Oct. 24.—Jimmy Callahan's last season as manager of the White Sox in his renewed capacity is to be an important one, for the team he is to lead will be taken for a trip around the world in the Fall of 1912, according to plans contemplated by Pres. Comiskey.

McAleer, who will then be of Boston, will take charge of the All-Star club that will go around the globe to play the White Sox. It will be the greatest collection of modern stars of the national pastime that was ever brought together. It will be the pick of the American and National Leagues and no favorites will be played, and it probably will be left to the newspapermen of the country to indicate the players entitled to represent America in the All-Star club in foreign territory.

McAleer has had much experience in handling all-star teams and players and so will make an ideal man to cooperate with Pres. Comiskey.

The teams will not go directly to the other side, but will play a series of exhibition games in America first, sailing probably from San Francisco.

When the players started out in

## MOUNT A. CONFIDENT OF SUPERIORITY IN ALL BUT SCRIMMING

Garnet and Gold Team to Arrive Tonight—Maiman will Play Quarter for U.N.B.

The Mt. Allison Rugby Football team which will play U. N. B. here in the intercollegiate series tomorrow afternoon will arrive here tonight. Mr. B. McKay Forbes of Dalhousie who will referee will arrive at the same time. The Garnet and Gold teams comes to Fredericton with the express confidence of being able to out-play U. N. B. in all departments except scrimmaging. This confidence has been expressed by Capt. Buckley of Mt. Allison and is based on the impression Mount A. men received while watching U. N. B. play the St. John Harriers on Saturday last. The Red and Black is not making predictions concerning the result of tomorrow game but will go into the contest determined to win if possible. Organized cheering on the part of the U. N. B. students with "Jannie" Bateman who has attained the dignity of mascot taking an important part, will be a feature of tomorrow's game.

The U. N. B. team held its last practise yesterday afternoon and will rest today. Our change has been made making replacing Loggie at quarter. Coach Church announces the following line-up to oppose Mt. Allison at College Field tomorrow: Fullback, Barry, halves, Willis, McGibbon, Murray, Balkam quarters, and Maiman; forwards, Dixon (captain), Melrose, Duke, Lynch, Patterson, Jewete, O'Halloran, Duguay, substitute forwards, Parker and Vavasour; substitute halves, Murphy and Asker, substitute full back, Laughlin.

## SOME GOOD RACING AT ROCKPORT TRACK

Rockport, Oct. 24.—With Heter B, Peter Chimes and Judge Ward each the winner of one heat, the 2.11 pace was left unfinished here today. On Time, the favorite, finished fourth and then second, but in this round hit his knee when he broke, which made him quite lame. He wobbled considerably in the third heat when Valentine called upon him, and could not outstep Judge Ward or Peter Chimes, who finished ahead of him in the order named.

Mattie Allerton won her third race of the season in the 2.16 trot, defeating Helen Wilstar, even money favorite with Mattie, and the consistent Gertie T. Helen Wilstar could not trot a little bit, while Gertie T. was able to lead Mattie only in the second heat. The Pittsburgh mare trotted agood race and deserved the victory, especially after losing such a hard luck race last week.

Hal Nuthurst won his second race of the meeting by capturing the 2.23 pace, after Lady Gay had won two heats. McClelland, driver of the favorite, was fixed \$50 for laying up the first heat. The summary:

1858 on a trip around the world \$33,000 was gathered from the exhibition games played in America, and as the star is more interest in the game now, probably double that amount will be taken in in 1912, and that is estimated to cover expenses of the foreign trip.
