TORONTO 'VARSITY WINS  
CANADIAN FOOTBALL TITLE

Doubled Score on Argonauts at Toronto Saturday  
—Superior Condition and Speed gave the College  
Team Tremendous Advantage—Argos Fought  
until last Minute

Toronto, Nov. 26.—Toronto 'Varsity made football history Saturday afternoon when the Blue and White triumphed over the Argos by a score of 14 to 7. The collegians thereby performed the great feat of winning three successive Canadian championships, a record which stands alone in the history of Canadian Rugby. The chief factor in the victory was 'Varsity's preparedness in taking advantage of every mistake made by their opponents. Argos, though playing on grounds not suited to their style, were far from disgraced, and the issue was in doubt until five minutes before the full time whistle. As the Argos were pressing the students on their own 75-yard line and a try would have tied the score, 'Varsity uncoiled a few of their running plays, which were a feature of the game, just when the Argos were becoming dangerous, and carried the ball down to the Argos' end. A rouse resulted amidst the loudest cheers of the day, for that one point put the champions out of danger.

ALWAYS ON THE BALL.

'Varsity won just where it was expected they would, in their runs around the end for considerable gains, and their ability to be on the ball. It was a case of a team always on the ball against one whose players were

struggling. 'Varsity made more mistakes than their opponents, but none of them were dangerous, while on the other hand the scullers had two on which their rivals scored 12 points. Argos had possession of the ball more than 'Varsity, but lacked the speed to do anything with it.

STUBBORNLY FOUGHT.

The game was a stubbornly fought one, but the Blue and White, with their speed and combination, always had a shade on their opponents. They also had the happy faculty to break away for runs just when they were being pressed the hardest, and often these runs were for large gains through broken fields as the tackling of the Argos was very feeble on occasions. The ground, which was coated with spots of ice, made it very slippery for both, but as a lighter and speedier man can negotiate such going better than a heavier and slower person, it was more to 'Varsity's liking than to Argos. The game was very open, with kicking predominating, and here the Argos made their best efforts against the students by getting down under them and getting the man before he had a chance. Argos would make little headway with their plunges, while their runs around the end were mailed before they got started.

YALE AND HARVARD PLAYED  
SCORELESS TIE ON SATURDAY

Cambridge, Mass., Nov. 25.—So powerful was the defence and so neglectful were both teams of their opportunities that Yale and Harvard walked out of the stadium this afternoon amid perfect silence without having scored a point against each other in their thirty-second annual football contest. Yale's opportunity to score came in the first three minutes of play when a Har and fumble gave the ball to the Yale team on Harvard's 17-yard line. After rushing the ball ten yards farther, Captain Howe attempted a field goal but the pass was so poor that Harvard easily recovered the pigskin.

Harvard's chance came at the close of the first period, when on Yale's eleven yard line, Potter attempted a forward pass rather than push his team ten yards to the right and try for a field goal. Twice in the latter part

of the game Potter tried for field goals, only to send the ball wide of the goal posts. It was not until the beginning of the final period that the Harvard offense began to assert itself. Forward passes, double passes, criss-cross runs and plunges into the Yale line by the mighty Wendell, and a cleverly played fake forward pass kept the ball almost continually on Yale's side of the field.

Twice, when the crimson was apparently marching straight for Yale's goal, holding in the line stopped the progress to the discouragement of the crimson stands. Lack of generalship on the part of Potter, the Harvard quarterback, and the aggressiveness of the Yale forwards kept most of the struggle between the two forty yard lines. The crimson always seemed to have the better of the rushing but lacked the "punch" or the direction of it at the proper moment.

N. H. A. WILL HAVE  
PERMANENT REFEREES

(Montreal Star)  
It is understood that when the various clubs of the National Hockey Association of Canada propose their list of available permanent referees it is the intention of President Bennett Quinn to, if possible, allot local referees for local games. The Canadian team is getting on very fine, and George Kennedy expects to capture one of the two men in Ottawa to-day.

Sprague Cleghorn and Parry, of St. Johnsbury, Vermont, are the latest acquisitions of the Wanderers and Mr. W. Bailey is prepared to make an affidavit that Dickey Boone gave out the information, and announced that he had closed with Broadbent and Benedict, also that he would like to secure Carroll, Kendall and Stewart Christie. He stated that he was willing to close a contract with Christie for \$1,000. Boone is after the former Cliffside player and wants him very badly.

Christie stated that he would not play for anyone this season, and that we would not sign up with the Wanderers for any money. Boone said he would go up to Ottawa next week in order to talk the matter over with the four star puck-chasers and that he might manage to change the Cliffside Star's mind about turning out again this season. Kendall of New Edinburgh is not likely to break into the pro. ranks but will have a talk to the Wanderer man when he arrives in the city.

The Ottawa section of the Inter-provincial Union will consist probably of four teams, New Edinburgh, Glades, Renfrew and Ottawa College.

NITCHIE EASY MARK  
FOR HILLIARD LANG

Toronto, Nov. 24.—Young Nitchie, of Philadelphia, with a record of 300 fights without a knockdown, was one easy mark for Hilliard Lang at the Olympic A. C. entertainment last night. They went ten rounds, in every one of which the Philadelphia was outclassed. He remained on the defensive practically throughout, being apparently determined to stay the limit no matter what the local boy did to him.

Alf. Palmer disposed of Sam Kemp of Brantford, in less than one round of boxing, putting him clean out.

Frank Carroll, of this city, and "Kid" Alberts of New York, went the limit of 10 rounds at 133 pounds and gave the crowd its full money's worth.

Billy Turley, of Toronto, and Darkey Daniels, of England, furnished a rattling good "go" for eight rounds at 124 pounds, the affair being declared a draw.

## FRESHMEN WON AGAIN

In the second game of the Interclass League at the University Saturday, the Freshmen defeated the Seniors by a score of 59 to 28. The first game was also won by the Freshmen, when they piled up a 60 to 20 score against the Juniors in last Thursday's contest.

Pat Rocco, the Lawrence boxer was outpointed by Harry Tracey in a sixteen round bout at Albany the other night.

Ed McGorty who was to meet Jimmy Howard at Fond-du-lac Dec. 4, has had his bout postponed on account of an injury to his hand.

'KNOCKOUT' BRENNAN  
MADE GOOD SHOWING  
AGAINST GAVIGAN

Buffalo Fighter Looks like Corner--  
Many thought Brennan was Entitled to Decision

Cleveland, Nov. 24.—A demon with a devilish grin is 'Knockout' Brennan of Buffalo. This intamed creature from Buffalo tonight fought Tommy Gavigan, the most popular fighter in Cleveland outside of Johnny Kilbane, and got a draw with him.

In the opinion of many Brennan should have secured the verdict, for he landed the more clean blows and administered by far the more punishment. Gavigan put up a good fight, but it was not his best. He did some good blocking, showed good headwork and dispensed some peppery clouts. But he couldn't make use of his long reach on Brennan.

Brennan was a difficult man to fight. His position was queer and Tommy was puzzled how to get to him. Jabs would not touch him, nor would hooks and Tommy took few chances with that right poker from long range until the affair was nearly over.

ANNAPOLIS BEAT  
WEST POINT SATURDAY

Philadelphia, Nov. 25.—Fighting as though their country's honor rested upon the outcome, the navy met the army on the football battlefield here this afternoon and when the strife was over victory perched on the blue and gold banner of the midshipmen of Annapolis. Three to one was the score and the figures about represented the playing ability of the teams. Neither good luck nor an error contributed to the result. The navy's three points were made by the good right foot of Captain "Jack" Dalsen of Broken Bow, (Neb.), who sent the slippery ball true between the upright posts for a goal from a placement on the army's thirty yard line.

COTTON KNOCKED  
OUT AL KUBIAK  
IN FIFTH ROUND

Pittsburg, Nov. 25.—Al Kubiak, the Polish giant from Michigan, was knocked out in the fifth round of a six-round bout here tonight by George Cotton of Pittsburg, a well known negro heavyweight. The punch that put Kubiak out of commission was apparently a lucky one, as up to the time of its delivery, Kubiak had all the best of Cotton.

RECORD FOR THREE  
STRINGS NOT BROKEN

The statement was given publication a few days ago in a local journal to the effect that the three strings with a total pin-fall of 301 put on by Mr. Sandy Staples of the Hardware Men's team, beat all records for the same number of consecutive strings by a local bowler. The statement was not correct. The matter has been looked into and it is learned that Mr. N. Dougherty, a present bowler with Sans Souci, some two years ago placed the record at 312 for three consecutive strings in a roll-off on the Arctic Allys.

## HOCKEY NOTES

Ottawa Citizens: Many fear that the Ottawas will have a walkover, and that interest will not be maintained as in other years. The Canadians if they land Lalonde, as expected, will be dangerous, but Wanderers have lost the greater part of their team. Johnston and Glass were not up to their best form last winter, but it will take President Lichtenbain a long time to build up a pair to beat them, Russell has quit and Hearn may also retire.

There has been nothing done to stir up the "pro" game in Galt, and, since Brantford's rink has been burned and Berlin is going to take a chance again at amateur hockey, this action was taken by Waterloo also.

Tommy Dunderdale says he has been offered a thousand dollars to play this winter for one of the Patrick teams in Vancouver or Victoria.

It was Darkey Griffin and not Phil McGovern who was bested by Faulkner at Albany last Tuesday night. The club has blacklisted McGovern for running out of the match.
