RING NOTES

Joe Thomas, who showed in his bout at Manchester, N. H., last Wednesday night that he is again back in his old form, is now going to make an effort to win the middle-weight title. Aleck McLean, manager of Thomas, has received a number of offers from New York, Philadelphia, Syracuse and New Bedford promoters, and as the Syracuse and New Bedford offers look best to him, Manager McLean will accept them. The way that Thomas floored Tommy Sullivan several times in that Manchester bout satisfies the promoters he has also got back his old-time punch.

Aleck McLean, manager of Matty Baldwin, is going to send the Charlestown lightweight back to Highland Lake to continue his training. Baldwin does not feel discouraged over his defeat by Pal Moore, and he feels confident that after a month at the Lake he will be ready to go in the ring again. Manager McLean is now aware that he sent Baldwin into the ring too soon after his arm was broken, and he is not going to take any more chances until he is well satisfied that Baldwin's arm can stand the strain of a hard and rugged bout.

PUCKERINGS

The All St. John Hockey team has received an offer from Yarmouth to appear there in the near future. It is likely that they will accept. The St. John team expects to play several outside games this season, in addition to the regular schedule games.

St. John Telegraph—The Halifax Wanderers, who are now leading in the Nova Scotia hockey league race, will likely be seen here before long. They wanted to go up against Captain Clawson and his team in the Queen's rink on Saturday night, but the date was unsuitable to the locals. The idea of getting them here, however, has not been dropped, and it is very probable that St. John fans will see these old rivals pitted against one another.

Toronto News—Poor Bellville made a big splash at the first of the season, and look where the old place is now. The pro. team busted up, the O. H. A. intermediates defaulted, and the juniors were licked by Kingston 24 to 3.

Cliffside, the Interprovincial champions of three years, won from New Edinburgh in the opening game at Ottawa by 10 to 7. The first half was very close. Gerard, who was reported to have gone to Renfrew, was the rover of the losers.

Thomas Phair of Presque Isle, Me., has leased the track and training stalls at Johnson farm, and early in the spring John Willard will come up from Aroostook County with a dozen to train for him.

Hockey
BowlingLIVELY GAME
TONIGHT BETWEEN
CITY AND COLLEGE

Both Teams Had Good Practice Last Night—U. N. B. Forwards Fast and Combination Good.

The liveliest kind of game is expected tonight when the Fredericton and U. N. B. hockey teams meet at the Arctic Rink, and the spectators will get their money's worth. The U. N. B. team worked out last night, and showed that Sandy Staples has got together a line of forwards that can skate, handle their sticks and play combination with the best of them. During the early part of the practice, the college team which played together was the same as that which will go on the ice tonight. During the latter part of the practice, Binney replaced Loggie in the net, Willis went on at point, Jennings at centre, Jack McKay at left wing and Ted VanWart at right wing. The work-out was fast, Coach Staples keeping the men right after the puck all the time. It looks promising for U. N. B. in the Intercollegiate series, but tonight's game will tell definitely how the Red and Black team should shape. Jack Feeney's absence will make the forward line weaker than it would be otherwise, so some allowance can be made.

FREDERICTON TEAM.

The Fredericton team also worked out last night, the players handling themselves in first-class fashion. The forwards seemed to be in better condition than they have been for some time and although fresh men were put on the ice to play against them from time to time, they lasted well. George Walker was at cover point, and played as if he can deliver the goods. Clynick also did very well at point.

Sandy Staples has been agreed upon as referee.

THE LINE-UP.

The line up tonight will be as follows:

Fredericton	Goal	U. N. B.
Titus	Point	Loggie
Clynick	Point	Sterling
Walker	Cover Point	Babbitt
McLean	Rover	Barry
Galloway	Centre	G. Feeney
Duncan	Left Wing	Pugh
Rowan	Right Wing	Machum

U. N. B. will have as substitutes: Willis, Jack McKay and Ted VanWart.

RAMBLERS WALLOPED
HALIFAX WANDERERS

Halifax, Jan. 24.—The Halifax Wanderers were defeated for the first time this winter tonight, when the Amherst Ramblers decisively trimmed them by a score of 7 to 1, contrary to expectations. The game was neither fast nor interesting, and the Ramblers had little difficulty in downing the league winners. Hilton, the Wanderers' goal tender, was the star player of the game. He stopped dozens of difficult shots, and gave a first-class exhibition of net guarding.

The Ramblers have a well balanced team and their forwards were much too fast for the Wanderers. Jack Twaddle played rover, but did not exert himself much. Lowther was the shining light of the visiting septette, scoring six out of their seven goals.

CANADIENS AND
OTTAWA WINNERS
IN PRO LEAGUE

Renfrew Snowed Under at Capital—Quebec Team was Outplayed at Montreal.

Ottawa, Jan. 24.—Scoring four goals in the first seven minutes of play, and maintaining throughout a pace that would have taken the heart out of the fastest septette in the country, the Ottawa hockey team tonight overwhelmed the Renfrew representatives in the fourth local game of the season in the National Hockey Association. The final score was 19 to 5 in favor of the Ottawas.

CANADIANS, 9; QUEBEC, 5

Montreal, Jan. 24.—The Canadiens had a well deserved win over Quebec at the Arena here, tonight; the final score being 9 goals to 5. The match was won on merit, the Canadiens putting up a much better game than the visitors throughout the match.

BANKERS TRIMMED GROCERS 2 TO 0

There was a great struggle between the Bankers and the Grocers at the Arctic Rink between ten and eleven o'clock last night, from which the Bankers emerged victorious by the score of 2 to 0. McLeod making the tallies. It was magnificent, but it was not hockey. The crowd enjoyed it immensely. "Bob Meldrum" Jones was referee and had his hands full. The only serious accident at the game was in the first half, when Hoben got a crack across the nose from Hanlon's stick and had to retire.

The line-up was:

Bankers	Goal	Grocers.
Turner	Point	Ryan
Vradenburgh	Cover Point	Libbey
Belding	Rover	Hanlon
Hoben	Centre	Scott
McLeod	Right Wing	Wilson
Horneastle	Left Wing	Burns
R. Feeney	Referee	O'Neill

Referee, "Bob Meldrum" Jones.

ABE ATTELL SIGNS
FOR BOUT WITH KILBURN

Cleveland, Ohio, Jan. 24.—Abe Attehl, featherweight champion, has signed articles to box Tommy Kilburne, local featherweight before a club near here on the night of January 30. The men will weigh 124 pounds at 8 o'clock and the bout will be for ten rounds.

MELLODY AND LAVIN
IN DRAW AT BUFFALO

Buffalo, N. Y., Jan. 24.—Honey Melody, of Boston, and Paddy Lavin, of Buffalo, went the limit of ten rounds before the International A. C. here tonight. Lavin out-pointed his opponent but lacked the punch that would give him any decisive advantage.

"FERGGIE" OR BATTER
WILL LEAVE GAME

(Boston Globe)
C. James Connelly, one of the stockholders of the Boston Nationals was reading aloud some of the remarkable records in baseball at the club headquarters the other day. Cecil Ferguson, the pitcher, was one of his auditors. When our friend Connelly read that Bobby Lowe in 1904 at the Congress St. grounds made four home runs and a single, a total of 17 bases, "Ferggie" asked, "Did the pitcher stay in the game?"

When told that the same pitcher was in the box the whole game, Ferguson's dry comment was, "Well if ever a man hits me like that, either he will get out of the game or I will."

HANS HOLMER MATCHED
WITH GUS LJUNGSTROM

New York, Jan. 24.—Hans Holmer is at last matched with that diminutive Swede, Gustav Legungstrom, and they come together in a twenty-mile race on the evening of Feb. 22. Ljungstrom defeated Holmer last spring but the Canadian says he is sure of victory this time.

Jenny W. is winning on the ice in Canada. The little daughter of Alexander is a marvel.

Basket BallHALIFAX PROS
OUTCLASSED MONCTON
ON MONCTON ICE

Score 5 to 3—Haligonians' Defence Superior to That of Moncton—Fast Game.

Moncton, Jan. 24.—Moncton hockey fans are in the dumps. The favorite Vics, who were picked as sure winners of the professional league having been defeated by the Halifax Crescents in a fast game. Moncton was outclassed, especially in its defence. The visitors hugged their goal while the home team left their unprotected also showed well, and all round they played star hockey.

Doran showed up best for the home team. Scott apparently lacked some of the dash shown by him in former contests.

The game ended 5 to 3, the goals being scored as follows:

First Half—Halifax 1, Ekersley, 5 minutes; Moncton 3, Weaver, 16 1/2 minutes; Halifax 4, Condon, 21 minutes.

Second half—Moncton 5, Scott, 15 minutes; Halifax 6, Condon, 5 minutes; Moncton 7, Scott 15 minutes; Halifax 8, Stewart, 18 minutes.

PENALTIES

First half—Kennedy one minute, twice for tripping.
Second half—Brown, two minutes, twice for tripping. The teams lined up as follows:

Moncton	Goal	Halifax
Wortman	Point	Bishop
Brown	Coverpoint	Laing
Doran	Rover	Weaver
Crockett	Centre	Condon
Scott	Right Wing	Stewart
Kennedy	Left Wing	Ekersley
Norman	Referee	Wilkie

Referees—Fred Delahunt and William Stoyles. Timers—Donald of Moncton and Stewart of Halifax. Penalty—timer—Gordon Trites.

Nearly 20,000 spectators witnessed the strength which was between giants for seldom if ever, has more expert work on the ice been seen in these parts. The general verdict was that the Haligonians were fully entitled to the hard earned victory.

A feature of the game that appealed most strongly to the spectators was the clean way in which it was conducted, there being no very objectionable work on either side. The ice was in perfect condition and the local men naturally had the advantage on their own ice, but it was quite apparent that the visitors were too fast for them, getting home some splendid combination work and it was quite evident that the Vics must improve in this respect if they hope to have a look-in for championship.

The blue and white were on the aggressive throughout. Their forward line had a lot of speed and their defence was ever on the alert, checking the many attempts of the locals to rush the puck to their goal. On the Halifax wings Ekersley and Wilkie worked like Trojans and shot with remarkable accuracy. Weaver was at his post as in fact all the visitors seemed to be.

The Moncton men realized that they are up against the real thing, and are likely to put in some hard team work before they again meet the Halifax aggregation.

ENGLAND LOST RUGBY
GAME TO WELSHMEN

On Saturday at Swansea, before a crowd of 30,000 people, England, although making a gallant effort, were unable to beat Wales, in the International Rugby fixture.

England scored the first try through Roberts. Wales replied almost immediately, Gibbs scoring shortly. English forwards began to tire.

Just before the interval Birt scored a splendid goal for Wales, who led at interval by 6 to 3. Almost at the beginning of the second half, eight Welshmen took possession of the game. Morgan, Spiller and Schofield scored. Kenney scored for England, who were defeated 15 points to 11.

The college team has a pair of fast and aggressive wings in Pugh and Machum.

The contest between Binney and Loggie for the goal position on the U. N. B. team is close. Loggie has landed the first place, but Binney is kicking them out in good style and may get there before the season is over.

Marysville had a good practice at the Arctic Rink last night, and is in good condition for Friday's game with Fredericton. There is friction between the management and one of the players, however.
