The Conservatives tried all the time they were in power to get reciprocity in natural products with the United States but were unsuccessful. The Liberals have succeeded in getting better terms than the Conservatives tried to get. Now the Conservatives tell us it is not loyal to accept it. Could anything be more absurd.

ENGLAND THE LEADER.  
There are some nations in the world who have made their wealth by trade and commerce. In this way England is the great commercial nation of the world. (Cheers.) England has her commerce by comparison with which even the commerce of Germany falls into insignificance. She has made certain treaties, certain old treaties with certain nations called the "Favored nation clause" whereby it is agreed that where one of the contracting parties makes an agreement with any other nation then every other nation in the treaties must receive the benefit of that agreement. One of these goes back to the time of Cromwell, another to the time of Charles II. In all there are twelve nations that are going to have the advantage of our market if this agreement is consummated. — Sir Wilfrid Laurier at Halifax.

MARY CROMWELL  
AND PRINCE LOUIE  
WON AT HALIFAX

P. K. Won First Heat of 2.19 Pace but Lost to Boutilier's Mare—An Exciting Contest

Halifax, N.S., Sept. 7.—The provincial exhibition trotting meeting closed today the races being those postponed on account of the rain yesterday. The 2.19 pace stake had eight starters, and four heats were necessary to decide. The bay mare Mary Cromwell, purchased in the United States two years ago won the last three heats and race.

The free-for-all had six starters and was won in straight heats by Prince Louie, a Nova Scotia bred horse. Walter H., another Nova Scotia horse took second place. Stanley Mack owned in Medford Mass., was distanced in the first heat, being a bad actor. The chestnut mare Baby Logan was ruled out in the third heat for interfering with Surveyor, running into him at the first turn and breaking his pike.

LOWELL CLINCHED  
NEW ENGLAND  
LEAGUE TITLE

Wolfgang Won his 27th Victory—Jesse Burkette of Worcester Took Defeat Calmly

Lowell, Spet. 6.—Lowell as good as clinched the New England pennant today by defeating Worcester, its nearest rival 7 to 2.

Granting that Worcester wins all its remaining games, Lowell must win but one more to take the flag. Lowell must meet Lawrence and Brockton while Worcester has Haverhill for its opponent.

More than 3,500 saw the crucial clash here today, applications for tickets coming in from Boston, Worcester, Providence, Lynn, Springfield, Lawrence, Nashua and Manchester. Tomorrow's game with Lawrence which Lowell believes will settle it for the year, also promises to be equally well attended.

Many patrons of the game who had not reserved seats were at the gate at noon and overflows from the bleachers pushed close up to the left fielders. Only once during the game was the Worcester left-fielder prevented by the crowd in the grass from capturing a high foul ball and that did not count against the losers. The fans expected Jesse Burkette to give the umpires trouble but he was tame. He did not don a uniform and near the close of the eighth inning he left the Worcester players' bench, practically conceding the victory to Lowell.

Wolfgang, who has done such splendid work for Lowell, was at his best and marked up his 27th victory out of 32 games.

COX WON WITH  
FOREST PRINCE AT  
HARTFORD FAIR

The Harvester Worked a Mile in 2.01 --Track Was Heavy and not Very Fast

Hartford, Conn., Sept. 6.—The racing at the Connecticut fair this afternoon was considerably the most interesting that the grand circuit horses have furnished since leaving Cleveland. A heavy shower early in the morning made it doubtful whether the horses would get a chance to appear, which kept the crowd down to rather light figures.

The circuit regulars were on hand, taking no chances of missing the 2.11 pace, in which Forest Prince, Longworth B and Fanny Stanton started. The affair the trio took part in at Readville foretold that their meeting here would be something worth seeing.

It surely was, and after five heats the money went to Walter Cox and the Little New Haven pacer, Forest Prince. Fanny Stanton continued her educational career without being a factor, and without her help Tommy Murphy's handsome pony could not handle the son of Cecilian King.

The three-year-old trot went to Peter Thompson, as expected, but the fast son of Peter the Great did not warm up quickly and lost the first heat in slow time to Mamie Guy, a daughter of Guy Axworthy, owned in Holyoke, Mass.

Geers set The Harvester, 2:01, down for the champion's first stiff work since Buffalo, and a mile in 2:03 was the result, the last half being in 1:04. This was a remarkable performance, as the track was heavy underneath from the morning rain and never was the son of Walnut Hall nearer the pole than third-horse place.

President Taft will visit the fair tomorrow, and The Harvester will be stepped through the stretch at speed so that he may see what the American trotter really is. Willy, the fastest European-bred trotter, will also be shown.

For racing, the President will see a trotting handicap in which Joan and Duddie Archdale will start with the 2:13 trotters, and also Bratgam Baughman and Sir R, two of the leading stake pacers of the season.

### COMMISSION TO INVESTIGATE CHARGES AGAINST HOGG

Cincinnati, Sept. 7.—Because Pres. Daniel Ciochey of the Haverhill Club of the New England League, makes the charge that Pitcher C. Bradley Hogg "deliberately laid down to the Lowell Club" in the last game he pitched for Haverhill before he was transferred to the Boston National League Club, the National Baseball Commission today remanded the case to the National Association for investigation.

Pres. Ciochey charges that Hogg had been paid off before he pitched the game against Lowell, but that he was fined \$50 for indifferent pitching. Ciochey asks that he be compelled to pay the fine.

The Commission, in remanding the case to the National Association, said the accusation involved the integrity of the game and instructed a thorough investigation and report within ten days.

### HINDU WOMAN POSED AS A MAN

Ontario, Calif., Sept. 7.—"Tom," a Hindu lumberman employed in an orange grove here, failed to put in an appearance yesterday, and the only information the foreman could obtain from co-workers, was that "Tom ver seet." The foreman investigated Tom's absence and was astounded to learn that "Tom" was the mother of a three days' old baby born since the gang quit work Saturday. The foreman's discovery led to the disclosure that many Hindu women work in men's clothing when they can deceive the foreman. They are nearly as large and as strong as the men, and not greatly unlike them in physical appearance.

## FOSTER FOR RECIPROCITY

"Our reply to Uncle Sam should be: Granted that you fully realize that . . . no scheme of Reciprocity which interferes therewith (i. e., with Canada's autonomy) is desirable; that understood, we welcome the fullest trade and intercourse consistent therewith. Meanwhile, as a neighborly beginning, could you not give our products tariff entrance to your markets on the same terms which we accord to yours in our market? . . . This would be an earnest of good feeling and might dispose us to further converse."

(See article by Hon. G. F. Foster University Magazine, Dec., 1910.)

## Worth Remembering

Reciprocity will mean Cheaper  
Agricultural Implements for the  
Hardworking Farmers of York Co.
