THE YALE STOCK CO.

The Yale Stock Company which has been playing in this city during the week will close a successful engagement tomorrow eve. The company has had bumper houses despite the many other attractions of the week and has given a good class of productions and will be heartily welcomed back at any time.

REPLACING BURNS STATUE

A crew of men is working today replacing the Burns Statue on its pedestal opposite the Parliament Buildings. The statue which was sent to Scotland to be recast on account of the bronze becoming discolored arrived here some days ago. The new casting is expected to show no such flaw.

KINDERGARTEN

Miss Vera Gass of Hampton has arrived in our city and will be ready in a few days to open a kindergarten class here the principles of which institution has been made world wide by its celebrated founder Friedrich Froebel. Miss Gass has studied in New York under Madame Krause-Boelte and has fine testimonials from her pen which will be given to the public at a later date. Look out for add stating time and place.

A GOOD REASON

"Why do you prefer the West to New Brunswick?" I asked a man who had returned from the West on a visit. "Because," said he, "I can raise a crop of wheat, barley or oats, I can take it to the elevator any time I see fit and dispose of it and get my cash. In New Brunswick if I raise a crop I am from one harvest to the next disposing of it because the market is limited. Reciprocity will give the New Brunswick farmer a chance to dispose of his crops from the field in cash.

UNIQUE TODAY

Crawford and Patterson the vaudeville act at the Unique for the balance of this week are especially clever introducing the latest catchy music and dances. The picture program is well looked after including a splendid Biograph feature "The Thief and the Girl" Also a western photo play by Essanay "The Outlaw Samaritan" In this latter production all lovers of real western life will enjoy the fast riding and general western atmosphere which is depicted true to life.

CAMPFORATED

OIL ALMOST CAUSED
DEATH OF CHILD

Little Boy Found Bottle and Drank Contents--Timely Medical Aid Saved Life

Another case of serious but not fatal poisoning took place yesterday afternoon. The victim was the infant son of Mr. and Mrs. P. S. Watson of St. Mary's. The child, which is about three years of age, suffered considerably but medical aid saved its life. The little boy, it is supposed, discovered a bottle containing camphorated oil and drank part of the contents, no one observing the act. The bottle, when found afterward, had very little of its contents missing and it is thought the child drank but a small quantity. It is probably due to that fact that its life was saved.

After swallowing the poison the little boy was taken for a drive and in a short time showed signs of sickness. He grew worse and after some time was in such a condition that it was feared he would die. The party had driven some distance from home but at once returned and a doctor was called. It was then found that the child was a victim of poisoning and steps were taken to relieve his sufferings.

Several cases of poison being taken accidentally have occurred in this vicinity recently.

WELL ATTENDED

RECIPROCITY MEETINGS
HELD LAST NIGHT

Dr. Atherton attended the rally at the local Reciprocity committee rooms last night and delivered a short speech. The candidate was given a hearty reception and his remarks on Reciprocity and the issues of the campaign were cheered to the echo. Dr. Atherton is very much encouraged by the heartiness with which Reciprocity is being received by the electors in all parts of the county.

At McAdam there was a well-attended meeting. The speakers were Rev. J. J. McCaskill and Mr. Michael Kelly. Both speakers were in good form and presented to the large audience many telling arguments in favor of Reciprocity and the return of the Laurier government.

At Pokiook the speakers were Messrs W. B. Fawcett and R. W. McLellan. The meeting was enthusiastic and there is every indication that Pokiook like the rest of the St. John Valley, will be solid for Reciprocity on the 21st.

Several other meetings were held last night at various places. At Campbell Settlement Rev. J. H. Puddington addressed a large gathering of electors. At Fosterville Mr. N. W. Brown was the speaker. At McKee's Corner the speakers were Messrs. J. D. Phinney and P. J. Hughes. Messrs. Elwood Burt and Alex. Brewer addressed a meeting at Dorn Ridge. At all the meetings the attendance was large and the hearing given the speakers most attentive. Reciprocity and Atherton are taking with the electorate everywhere.

MAINE CATTLE WILL

BE EXHIBITED HERE

Ald W. S. Hooper Secretary of the Fredericton Exhibition returned last night from a trip which covered Northern Maine including Presque Isle where a fair was being held. Ald Hooper says that a large number of stock exhibits which were at Presque Isle will come to the local exhibition. Included in the number are a herd of polled Norfolks a herd of Devonshires and another of Herefords. Ald Hooper tried to induce the exhibitor of a herd of Swiss cattle, a noted dairy breed which is practically unknown in this part of the country to exhibit here but was unsuccessful the cattle being booked to be shown at South Paris, Me.

A large number of poultry exhibits will also come here from the Presque Isle fair.

DISFIGURED SCHOOL ROOM

After an anti-Reciprocity meeting held recently in the school house at Myshraal Settlement it was found that a picture of Sir Wilfrid Laurier which was on the wall had been torn down and an anti-Reciprocity cartoon substituted. The people of the place are very indignant on account of the disfigurement.

Rev. J. H. MacDonald and Mrs. MacDonald, after spending a vacation of several weeks at Duck Cove, returned home last night.

Mr. E. A. Smith of St. John, is in the city.

NON-RESIDENT

SPORTSMEN ARRIVE
FOR GAME SEASON

Three Parties of Americans Leave this Evening for Miramichi--Big Game Reported Plentiful

The big game season will open on September 15th, with the prospects from the viewpoint of the sportsman never better. Reports from all sections of the province are to the effect that moose, caribou and deer are very plentiful. Moose have been seen frequently lately close to this city and deer also. From the Miramichi have come reports during the summer of extensive damage done to crops by game.

MAKING EARLY START.

Although the opening of the season is still a week away, individual sportsmen and parties have already gone into the woods for the purpose of being prepared when the 15th inst. arrives. Some of these parties have gone to the Miramichi district by way of Chatham, others through Fredericton.

PARTIES ARRIVE TODAY.

Several parties of Americans, who will hunt in the Miramichi country, arrived here today. Mr. and Mrs. J. H. P. Howard and son of San Mateo California, are at the Queen. They will leave this evening for the Miramichi district and while in the woods will have Wm. Griffin, Jr., of Cross Creek, as guide. Another party composed of Dr. and Mrs. A. Carleton Potter of Boston, and Mr. and Mrs. R. V. Joyce of the same city, is at the Barker House. They will go to Doaktown this evening, where they will meet Frank Russell, who will be their guide while they are on the hunting trip. Mr. T. J. O'Donoghue, Jr., of New York, is also at the Barker House. He will have Tom Canadian as guide.

It was feared by some of the guides that there would be a heavy falling off in the number of non-resident sportsmen who would hunt in New Brunswick this fall but indication is now that the season will be an average one.

ASSAULT CASE.

A dispute over the charge for a livery-stable rig was aired in the police court today. The man who hired the horse charges the proprietor of the stable with assault. The evidence was lengthy.

KING ARION

VALUABLE STALLION
DIED IN HALIFAX

Ald. Jewett's Horse Forced to Leave Track Yesterday by Nervous Indigestion--Died This Morning

Ald. H. C. Jewett and the Maritime Provinces track sustained a heavy loss this morning in the death of the valuable trotting stallion, King Arion, which happened at Halifax. Telegrams to the effect that the horse was dead was received shortly before noon. The illness of King Arion was known here last night, but it was not thought to be so serious as to cause death in a few hours.

King Arion was being raced at the Halifax Exhibition races and was displaying good form. Yesterday he showed signs of sickness and his driver, Mr. Jack Leonard, almost decided not to enter him in the free-for-all. He was prevailed upon to start and the horse raced two heats of the race. In the second he became so ill that he could not finish and was taken to the stable. It was found that the stallion was suffering from nervous indigestion, which finally caused his death.

IMPORTED FROM KENTUCKY.

King Arion was imported five years ago as a two-year-old by Ald. H. C. Jewett, the well-known local horseman, who bought him in Lexington, Kentucky, at the same time he bought Axbell. Ald. Jewett has owned or had an interest in the horse since that time. The stallion was of good breeding and Ald. Jewett valued him at \$2,500. King Arion made a mark of 2:17 at the Fredericton track in July, 1910, and it was expected that the stallion would eventually be marked considerably better as he gave every indication of being a fast trotter. His time is the Maritime Province record for a trotting stallion.

Much sympathy is felt for Ald. Jewett on account of his loss.

ROOSEVELT Jr. AT ST. JOHN

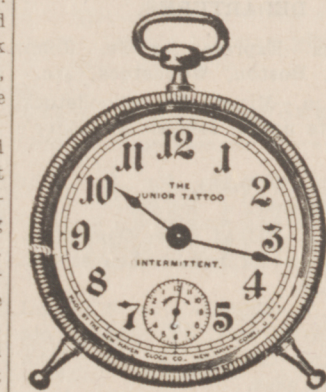

(Special to The Mail)

St. John, Sept. 8--Kernat Roosevelt, son of ex-President Roosevelt arrived here today with a party of friends. They are en route to Bathurst to hunt big game with William Grey as guide. Mr. Roosevelt accompanied his father on his hunting trip to Africa.
