

WE LIKE TO TALK KODAK

We are always best satisfied when our customers are best satisfied. That's one reason why we like particularly to talk about the goods in

our photographic department. The Kodak goods have quality written all over them.

They are our kind of goods because our kind of customers, the quality kind, can appreciate them.

KODAKS made and popularized amateur photography. They have always led in improvements, in new ideas. But what is of equal importance is the careful workmanship and the superb lens and shutter equipments. Yet they are not expensive - - **\$5 up.**

SHORT and SNAPPY

The secret of the success of our Want Ads. is that they are short and snappy. People like a plain business story told in a few words and if they want anything they refer to the place where they will find it with the least trouble, viz., the Classified Want Ads. Is your business represented there.

WHAT RECIPROCITY MEANS TO THE CANADIAN PEOPLE

(Toronto Globe)

Reciprocity has now passed at Washington. Whether it becomes law or not rests with the Canadian Parliament and people. It is worth recalling the terms of the agreement and pointing out in a general way its meaning to the two countries affected. The bill is a tariff amendment, divided into three scheduled, embodying a large free list on natural products, and reduced duties on food products and certain manufactures.

For farmers there will be distinct advantage in free access to the United States market for the following, among other articles, upon which duty is now levied:—

Cattle	Onions
Horses and Mules	Apples
Swine	Pears
Sheep and Lambs	Peaches
Poultry	Grapes
Wheat	Butter
Rye	Cheese
Oats	Fresh Milk
Barley	Fresh Cream
Beans	Eggs
Potatoes	Hay
Corn	Straw

Canadian fishermen will be rewarded by free access to the United States market for the following products of the rich waters of the Dominion:—

Mackerel	Herrings
Halibut	Salmon
Cod	Oysters

Lobsters

Canadian lumbermen will gain by the free admission to the United States of the following standard products:—

Timber, hewn, sided or squared
Sawed boards, planks, deals
Paving posts, railroad ties and poles
Wooden staves
Pickets and palings

The mining man will find better sale for his goods by free access to United States markets for:—

Feldspar, Mica, Tale, Salt, Asbestos

Consumers on both sides will thank the negotiators of this agreement for reduced duties on many articles now bearing varying taxes, and among them:—

Meats, fresh or refrigerated; bacon and hams; beef and pork, salted; canned meats and poultry; lard, tomatoes and other vegetables, wheat flour and oatmeal; prepared cereal food; bran, middlings and other offals of grain; macaroni and vermicelli; biscuits, wafers and cakes; canned fruits; agricultural implements; cutlery; paving stones; clocks and watches; canoes; motor vehicles.

Canada is now the third best customer of the United States. Under reciprocity we will sell more to the United States of the things we do not need and which the United States does need; we will buy more of what they have to sell and what we want to buy. We will continue to buy from Great Britain the fabrics and other articles with which she can best supply us. But instead of free access only to the British market for natural products we will have also the increasing demands of the United States.

Laurier and the larger markets is the policy for Canada.

THE CONSERVATIVE PARTY AND RECIPROCITY

The following standing offer of reciprocity with the United States in natural products was embodied in the National Policy of the Conservatives brought down in Parliament, 1879:

"Any or all of the following articles, that is to say: animals of all kinds, green fruit, hay, straw, bran, seeds of all kinds, vegetables, including potatoes and other roots, plants, trees and shrubs, coal and coke, salt, hops, wheat, peas and beans, barley, rye, oats, Indian corn, buckwheat and all other grain, flour of wheat and flour of rye, Indian meal and oatmeal and flour of meal of any other grain, butter, cheese, fish, salted or smoked, and lumber, may be imported into Canada, free of duty, or at a less rate of duty than is provided by this Act, upon proclamation of the Governor-in-Council, which may be issued whenever it appears to his satisfaction that similar articles from Canada may be imported into the United States free of duty."
