"When you need it bad you want it good."

You Should Tremble And Shudder

When an unscrupulous druggist offers you a substitute for **DR. FOWLER'S Extract of Wild Strawberry.**

If you are suddenly attacked by DIARRHOEA, DYSENTERY, COLIC, CRAMPS OR PAINS IN THE STOMACH, CHOLERA MORBUS, SUMMER COMPLAINT, or any LOOSENESS OF THE BOWELS, do not experiment with some new and untried remedy, but get one that has stood the test of time.

For 65 years this wonderful medicine has been used in thousands of homes in Canada, and has given universal satisfaction. When you want a bottle of "Dr. Fowler's," insist on being given what you ask for, as these names, no matter in a preparation may be dangerous to your health.

Mr. J. Castle, Toronto Man, writes: "Just a word in praise of Dr. Fowler's Extract of Wild Strawberry, which I used last summer for Cramps in the Stomach and Diarrhoea. I was very sick for a week and not able to do anything until I purchased a bottle of the above remedy, and after three or four doses I was well as ever."

The price is 35 cents per bottle. See that the name, The T. Milburn Co., Limited, Toronto, Ont., appears on the label, as we are the manufacturers and sole proprietors of this remedy.

PROPOSAL TO STRIKE WAS VOTED DOWN

Butts, Mont., July 21.—The proposal to declare a general strike in Canada and the United States on the day the trial of the McNamara brothers in Los Angeles was voted down 872 to 124, after heated discussion at last night's session at the conference of the Western Federation of Miners.

It was finally decided to levy a monthly assessment of 25 cents on each member, the assessments to continue as long as the executive board deems the money necessary for the purpose of a defence.

INTERESTING GOSSIP ON C. P. R. STOCK

A New York despatch says of C. P. R.: The Canadian Pacific directors are scheduled to meet next month for action on the common dividend. In connection with the advance in stock it is rumored that the dividend would be increased again at that meeting.

It is gravely doubted by interests in this city that any change will be made at that time in the disbursement from the earnings of the railway company proper, and while it is admitted that a larger payment might be made from the proceeds of land sales, it is thought that the same rate will be ordered as was paid for the last quarter.

Canadian Pacific interests in this city are inclined to think that the next bonus which the company will receive will be in the form of stock in a company to be organized to handle the company's unsold lands. It is not believed, however, that any action of that kind will be announced at the August meeting.

The latest private advices received by local Canadian Pacific interests regarding the wheat crop in the company's territory indicate a large aggregate yield.

Tips on C. P. R. have been widely circulated with some success. For instance it was predicted that the stock would sell at 250 before it again sold at 240. Again, it was confidently asserted it would be quoted at 300 before 225, with the additional extravagance of fifteen per cent. dividends, of which three per cent only would come from land sales.

CARDINAL GIBBONS IS 77 YEARS OLD

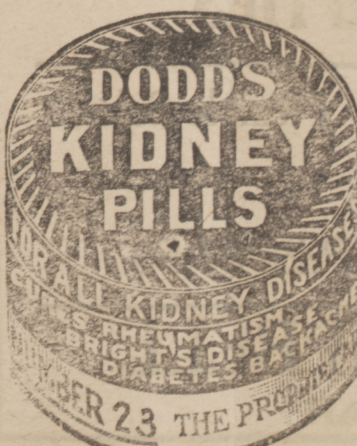

Baltimore, Md July 22.—Letters and telegrams of congratulation have been pouring into the mansion of Cardinal Gibbons who enjoying the rugged health and vigor of a man fully ten years younger than he, will celebrate the seventy-seventh anniversary of his birth tomorrow. There will be no official observance of the anniversary and Cardinal Gibbons will spend the day quietly at his residence receiving only his most intimate friends.

BABY'S OWN TABLETS CURE SUMMER COMPLAINT

Baby's Own Tablets should be kept in every home where there are babies or young children. At no time of the year is baby in such danger as in summer. At the first sign of illness the Tablets should be given to the little one, for summer complaints come on so quickly that unless prompt aid is at hand baby may be beyond help in a few hours. The Tablets never fail to relieve the sick child, and if occasionally given to the well child will keep him well. Mrs. Desire Martin, St. Denis, Que., writes: "I have a baby three months old who suffered from colic and constipation. Castor Oil was of no help at all, but Baby's Own Tablets speedily cured him and now I always keep them in the house." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

The contingent of Canadian Boy Scouts who came over to England for the Coronation were entertained to tea at the Dominion club at the Crystal Palace yesterday by Lady Donegan, Mrs. Twinning (her mother) and Mrs. Ridout a prominent Canadian lady in London.

After tea the boys who numbered 114 and who were under the command of Colonel Cole, witnessed the Imperial Masque, in which one of their hostesses Lady Donegan takes the part of Canada and they showed their appreciation by cheering loudly and giving their various scout calls.

ENGINE AND TENDER FELL INTO CANAL

Port Colborne, Ont., July 21.—A Grand Trunk engine and tender tumbled over the bank of the Welland Canal last night drowning the engineer, Charles Smith of Sarnia. While the train, a freight, was standing the canal bridge was swung open to permit a tug, the Schofield to pass up the channel. Apparently the engineer was not aware of this fact for he slowly started forward. When he reached the bank both engine and tender toppled over carrying the engineer and fireman with them. The fireman jumped wide at the wreck and was rescued without difficulty.
