GRAY HAIR MAKES YOU LOOK OLD

Use Wyeth's Sage and Sulphur and Your Gray Hair Will Quickly Vanish

Gray hair is a mark of age, and nothing that can be said as to its beauty will offset the disadvantages of this mark of age set upon your brow.

Wyeth's Sage and Sulphur Hair Remedy darkens the hair and restores it to its youthful beauty. Our grandmothers and their grandmothers before them used sage and sulphur for darkening their hair. Nothing has ever been found more effective for this purpose than these two time-honored remedies, but Wyeth, a modern chemist, has combined the two with other ingredients, which makes a delightful dressing for the hair, and which not only removes every trace of dandruff but promotes the growth of the hair. It also stops the hair from falling out, and makes it beautiful.

All druggists are authorized to refund the money if it fails to do its exactly as represented.

Don't neglect your hair and don't resort to old time hair dyes. Get a bottle of Wyeth's Sage and Sulphur from your druggist today, and notice the difference in your hair after a few days' use.

This preparation is offered to the public at fifty cents a bottle, and is recommended and sold by all druggists.

The President and Mrs. Taft will hold their reception in the forenoon, beginning with the reception of the members of the Diplomatic Corps. As there have been numerous important changes in the Diplomatic Corps since the last New Year's Day reception, the number of new faces at Monday's reception will be one of the notable features of the day.

After the Diplomatic reception will follow receptions to the members of the Justices of the Supreme Court, the District Judiciary, Congress, Army and Navy and various district officials. Many members of the Cabinet will keep open house.

An arrangement has been made between the Central Molders' Union of Scotland and the International Molders Union of North America by which the two organizations will in future exchange membership cards.
