

ADMITTS A COMPACT WITH BOURASSA

Halifax, N. S., Sept. 13.—At Mr. R. L. Borden's meeting here last night Sir Herbert Tupper made a "break" which has caused a good deal of interest in Liberal circles here, when he practically admitted that an agreement had been formed between Mr. Borden and Mr. Bourassa to put Laurier from power.

Sir Herbert Tupper declared that any means were justified in the defence of the agreement. He confessed that he had spoken very disparagingly of the Bourassa-Monk combination in the course of a speech delivered in this city during the winter, characterizing them as "the scum of the earth." He did not now desire to take back his words on that occasion. The Nationalists were all that he had claimed for them and more. But he welcomed them as friends in the present campaign.

Mr. R. L. Borden invaded his own constituency in last night's meeting. He contributed nothing new to the political discussion now engaging the attention of the Dominion. To such an extent indeed did Mr. Borden rely upon the speeches that he has been delivering throughout Ontario and Quebec (that at one time during his speech he had Halifax and St. John placed on the St. Lawrence river. This little lapse in geography was not appreciated by the crowd. Mr. Borden said nothing of the navy nor of the party alliance with the Nationalists in Quebec.

HOW QUEBEC PROVINCE VOTED THE LAST TIME

(Montreal Witness.)

Confident predictions are heard on all sides as to the results of the elections. The Conservative papers especially have been making statements about sweeping the country from end to end that in the light of a sober study of the political history of each individual constituency would seem to have no basis in fact. It is about Quebec that some of these sweeping statements are made, but the unsubstantial nature of such rosy hopes is evident when one considers that if every Liberal running in a constituency that gave Sir Wilfrid a majority of less than two hundred in 1908 were to be defeated there would still be in Quebec forty-two Liberal candidates to twenty-three opposition members. In such a case, if the Liberals were to maintain their position in the rest of Canada, and they are practically certain to gain, there would still be for the Liberals a representation at Ottawa of 223, and of all the opposition members of 97.

But that all the Liberal candidates in constituencies where less than 200 majority was given in 1908 should be defeated seems an absurd calculation. The settled belief of the electorate comprising both parties for generations that Reciprocity would be a good thing for Canada, that belief even finding its way into the school histories, could hardly be upset in a single campaign even by obscuring the issue with cries of "annexation" perils. Suppose that the Conservatives should gain every Liberal seat in Quebec where the Liberals had less than 100 majority at the last election, the Liberals would still hold 49 seats and the opposition only 16; 129 to 90 would thus be the Liberal representation in the House.

The actual number of seats held by the parties at dissolution were: Liberals 54, Conservatives 11. Nothing is more striking than the immense majorities gained by the Liberals in 1908, in many counties extending into the thousands. It may not be uninteresting to note that the fact that the Liberals have a policy, and the Conservatives have nothing but a negation of the Liberal policy, may mean an increased majority for the Liberals. If they were to gain seats where the Conservatives had less than 100 majority, the latter would have only six seats, and even their worst friends do not want them defeated so badly.

Following is a political history of the individual constituencies in Quebec:

ARGENTEUIL.

Argenteuil, Que., has been evenly divided in its political views since 1867, having since that time returned nine Conservatives and seven Liberals to Ottawa in the sixteen elections or by-elections that have taken place there. In 1867, 1872, 1874, 1880 and 1881 (by-elections) and 1882 Mr. J. J. C. Abbott, Conservative, was the member returned, but at by-elections in 1874 and 1875 a Liberal was returned. Dr. T. Christie, a Liberal, was also returned in 1875 and 1901 in by-elections, as he was also in the general elections of 1891, 1896 and 1900. In 1904 G. H. Perley, Conservative, was elected and again returned in 1908 with a majority of 259.

BAGOT.

Bagot, Que., from being a Conservative stronghold from 1867 to 1896, changed at the by-election of 1898, when it returned J. E. Marcell, Liberal, who has been kept at Ottawa ever since in the last two elections of 1904 and 1908, by majorities of 343 and 333 respectively. The other representatives from Bagot have been: In 1867 and 1872 P. S. Gendron; 1874, 1878, 1880 and 1882 the Hon. J. A. Mousseau. In 1882, 1887, 1891 and 1896, F. Dupont.

BEAUFORT.

Beaufort, Que., returned a Liberal in the person of Mr. L. J. Papineau at the election of 1908, but previous to that time and as far back as 1867, the constituency had voted Conservative on all but two occasions, and one of these was a by-election. Mr. G. M. Loy, Liberal, was elected in 1900 and again at the by-election in 1902. With these exceptions and the election of Mr. Papineau in 1908 by 29 votes, the Conservative party has dominated this constituency.

BELLECHASSE.

Bellechasse, Que. Mr. O. E. Talbot has represented Bellechasse in the Liberal cause ever since 1896, being returned at the last election by a majority of 1,361, the largest ever given in the constituency. In 1881 and 1882 Mr. C. Aymot represented Bellechasse as a Conservative, and at the elections of 1887 and 1891 the same gentleman was chosen as a Nationalist to represent the constituency in Ottawa. In 1870, 1872, 1874 and 1878 a Liberal was chosen, but

as far back as 1867 Mr. N. Casault was chosen on the Conservative ticket.

BERTHIER.

Berthier, Que., has been a consistent Liberal constituency since 1867, with the exception of the elections held in 1878 and 1882, and a by-election held in 1875, when in each case Mr. E. O. Cuthbert, a Conservative, was elected. Mr. A. Eremont is the present member, having been elected in 1908 with a majority of 265.

BEAUCHE.

Beauce, Que., has been a Liberal stronghold ever since 1887, in which year J. Godbout was returned, as also in 1891, 1896 and 1900. In 1867, 1872 and 1874 C. H. Pozer, a Liberal, was the member, while in 1878, 1882 and in the by-elections of 1876 and 1884 a Conservative was returned by the electors. Dr. H. S. Bland, the present Liberal member, had a majority in 1908 of 3,899, the largest ever recorded in Beauce.

**BANK ROBBERS
MAKE BIG HAUL**

New Westminster, B. C., Sept. 15.—Three hundred and fifteen thousand dollars was stolen early today from the branch of the Bank of Montreal in this city. Five burglars entered the bank by the front door, broke through the metal coating of the vault, blew the safe by charges of nitroglycerine and got clear away with their booty without being seen except by a Chinese caretaker. They probably escaped down the Fraser River in a launch or else by automobile toward Vancouver.

There was in all \$350,000 in the bank safes. Chief of Police Bradshaw believes the men would have taken it all if they could have carried it. As it was, they took all they could carry away leaving all the silver and notes of small denominations as well as damaged \$5 and \$10 bills lying around the floors and tables of the room of one of the clerks.

The first known of the robbery was when the Chinese caretaker appeared at the police station at 5.30 o'clock and gave the alarm. He had managed to work loose from the bonds with which he had been tied when the robbers departed. Chief of Police Bradshaw hurried to the scene and all the available officers were pressed into service but the only obtainable clue was that given by the Chinaman.

From the thoroughness of the job and the tools with which the work was done the local officers believe the same gang which has been working in Vancouver turned the trick here.

WEDDED IN THE BERKSHIRES

Pittsfield, Mass., Sept. 16.—The most notable wedding of the season in the Berkshires took place today, when Miss Marion Burbank, daughter of General and Mrs. James Brattle Burbank of New York, became the bride of Ellis Knowles of Pensacola, Fla. The ceremony was performed at Brattle Farm, the summer home of the bride's parents, by the Rev. Chas. C. Arnold of New Lenox.

Every agricultural paper in the United States is opposed to the pact which shows that it is a pretty good measure for the Canadian farmer.
