Give your servants GOLD DUST to clean with, treat them rightly and you will have few occasions to insert a "help wanted" ad

They say a good workman is known by his tools. You cannot expect your maid to keep everything ship-shape unless you give her every modern help. To keep house without GOLD DUST is to do work by hard, old-fashioned methods. For cleaning everything and anything about the house—from cellar to attic—GOLD DUST is worth its weight in gold. It cuts grease and dirt like magic, does away with scouring and scrubbing, and saves time and tempers.

Your servant can do more and better work and keep sweet with the aid of GOLD DUST in all household cleaning.

## ST. JOHNS WITHDRAW FROM N. B. AND MAINE B.B. LEAGUE

Manager D. B. Donald of Marathons Comes Out Openly As Power Behind St. Johns—Refused to Meet Engagement Here To-Day—League Meeting To Consider Tangle

N. B. & MAINE LEAGUE.			
	W.	L.	P.C.
Fredericton, ..	14	7	.667
Marathons, ..	15	11	.577
Calais, ..	13	10	.565
Woodstock, ..	11	12	.478
St. Stephen, ..	9	13	.409
St. Johns, ..	6	15	.286

The 'at id in the fire as far as the New Brunswick and Maine Baseball League is concerned. The St. Johns are now out of the league and it is not outside the realm of possibility that the Marathons may find themselves on the outside with Calais, Fredericton, Woodstock and St. Stephen playing out a rearranged schedule. Financial loss is the reason for the withdrawal of the St. Johns.

The Fredericton club management is feeling indignant over the treatment received from the St. Johns to play here today means heavy financial loss to the local club. Last night very favorable offers were made to the St. Johns to come up and fill the engagement but without result. They were offered 40 per cent of the receipts and their expenses while in the city but refused to come. Mr. D. B. Donald manager of the Marathons came out openly as the manager of the St. Johns and conducted the negotiations. After they had fallen through Joe Page the nominal manager of the St. Johns offered to bring a team here for \$125 but the local club would not consider the offer.

An attempt will be made to have two teams from the local club play an exhibition game this afternoon. A large meeting will be held at McAdam or Woodstock tonight or Friday night to consider the mix-up. It would not be surprising if the Marathons were requested to leave the league.

### ST. JOHN'S SIDE

The St. Johns papers now openly acknowledge the St. Johns and Marathons were under one management and that baseball at the winterport has not been on the level.

The Telegraph says: "The management of the St. Johns baseball team in the New Brunswick and Maine League, have announced that this team will be withdrawn from the league. The reasons given for this move are that other teams are un-

willing to travel to St. John to play postponed games; and it has been insinuated by another team in the league, that some of the pitchers of the St. Johns have thrown games to the Marathons.

"Pinkerton, White, Callaghan and Page will be added to the Marathons staff."

The St. John Standard has the following: "The St. John baseball team has ceased to exist and last evening the team was disbanded for the season. This news will be heard with regret by the fans, but as it has been found impossible to make the St. Johns a paying proposition there is no other course open to the men behind the team."

"There has also been some unpleasantness in the newspaper criticisms of outside towns and an article published in a newspaper on Tuesday intimated unfairly that the St. Johns were supposed to lay down to the Marathons when the two teams met and thus aid the Greeks to win the league. The utter absurdity of such a statement is apparent to all who witnessed the games when these teams met, and of which the majority were won by the St. Johns. The ball furnished by them has been clean and fast and while there was none of the undignified kicking which marked the visits from some of the teams from smaller towns on the circuit, the article of ball furnished has been fast and the games well fought out."

When the teams were organized in St. John both were managed and owned as separate business ventures. The St. Johns got a bad start and at one time it was thought that they would have to be taken out of the league as they could not be made to pay. Then it was that the men behind the Marathons took the team over and for some weeks both teams have been owned by the same persons, but were kept under separate and distinct management. Managers and owners of the other teams, in the league were aware of this fact and were inclined to approve of this step as the continuance of the St. Johns in the league obviated the necessity of changing the schedule and thereby causing much inconvenience. The St. Johns also kept faith with outside teams in the matter of home games, but were unfortunate in the matter of getting return games on their own grounds. All these things worked together to the end that it was found impossible to continue the St. Johns in the league race hence the action of yesterday.

### "KNOCKOUT" BROWN PUT DOWN AWAY

Webster, Mass., Aug. 17.—"Knock-out" Brown of New York, made short work of Battling Downey, of North Adams, Mass., in what was scheduled as a 12-round bout here last night. It took Brown only two rounds to put away Downey.

Jack (Twin) Sullivan and George Cotton have signed to box in Buffalo the latter part of this month.

### AMES SHAKES OLD HOOBOO.

Leon Ames, the hard luck pitcher of the Yankees, seems to have shaken off all that old hoo-doo. Ames has been in the luck department and he is one of the greatest pitchers in the country.

### CINCINNATI MEN MAY BUY NEWARK EASTERN FRANCHISE

Cincinnati, Aug. 16.—Sol and Harry Gilsey, who are interested in the Cincinnati Shamrocks, a semiprofessional baseball team, left for New York last night to confer with the owner of a club in the Eastern league with a view to buying a controlling interest. Harry Gilsey today admitted the purpose of his trip, but refused to divulge the name of the club. He also said several Cincinnati business men were willing to put up the capital.

The Newark Club of the Eastern league is known to be for sale. Iron Man McGinnity, after making it a big paying proposition, has seen it go to pieces on his hands, and has announced that he is ready to sell.

### FOUL TIP KILLED

Philadelphia, Aug. 16.—Struck on the back of the neck by a foul tip at the Northeast Manual training school today, Harry Greenwood, 12 years old, died almost instantly. He had been playing in the game and was struck while standing near the catcher.

### HOOF BEATS

Uhlman will be shipped to Goshen this week, where, during the grand circuit meeting, he will try to beat 2:05 over the twice-around.

Tommy Murphy came close to repeating the feat of Hudson at Cleveland several years ago of winning four races in one afternoon.

Hugh Milan won second money at Parkway last week with George Leonard's 4-year-old stallion Krell, giving him a record of 2:22.

## UNCONDITIONAL RELEASE FOR OLD "CY" YOUNG

Veteran Entered Big League Baseball In 1890—Not Through With Game By Any Means

Cleveland, Aug. 15.—Denton P. Young, better known as "Cy," one of the greatest pitchers the game of baseball has ever known, has reached the end of his big league career and tonight was given his unconditional release by Cleveland.

"Cy" Young has been a big league pitcher twenty-two years and is one of the two modern baseball players to hold the record of pitching a no-hit, no-first base game, Addie Joss being the other, and both having been Naps.

Young's release was not unexpected, as such a move has been contemplated for several months. The Cleveland club owners disliked to let Young go before the season closed, but as they are loading up for next season with recruits they needed to get rid of some old timber to keep within the thirty-five player limit.

### NO KICK COMING.

"I have no kick coming," said Cy tonight. "I have never been treated in any way but the best by the Cleveland club owners and fans. I am sorry of course, that things did not break so that I could remain with Cleveland till I was through with baseball, but that was impossible under the circumstances."

"I am not through with baseball. There is still some good work in me when I am in the right condition and I don't intend to go to the farm yet awhile. I am going to stay right here, working out with the boys each day until I find a place elsewhere."

### WILL STILL PITCH.

Asked if he would invest some of his money in a minor league club he replied:

"I am content to pitch a few more years."

Judging from "Cy's" talk he has an idea that he may still be a member of the big league, though that is doubtful, as none of the clubs put in a claim when waivers were asked.

The release of Young leaves the Naps with but one veteran pitcher, Fred Falkenberg. Young did not start to pitch this season until the middle of June, when he won from Washington, where he won his 500th victory a year ago. He pitched in Boston and again he won. Next came a defeat, but he came back against Washington at League Park here a month ago and nearly scored a shutout. Since then he has been an easy victim.

### TWENTY-ONE YEARS.

Cy Young began in big leagues in Cleveland with the National league in 1890, remained here till 1899, going then to St. Louis for two years. Then he went to the Boston American league team, where he did great work through championship times, until 1909, when he came to Cleveland, by a trade and money deal.

In his twenty-one years he has won 507 games and lost 310, making a percentage during his career of .621.

### BASEBALL NOTES

President Comiskey of the White Sox, has signed "Flame" DeLo, a California pitcher. Must be easy for a pitcher with that name to warm up.

New York was the only soft picking for the White Sox during the Eastern trip. The Chicago crew was badly scorched in Boston, Philadelphia and Washington.

With Dooin, Magee and Titus out of the game, the Philadelphia Nationals have been going fast—like a one-cylinder go-cart going over the Rocky Mountains.

Bill Deffen's Brooklyn team made a swell showing on the western trip. With a little better break in the close ones Bill and his Dodgers would have made a clean-up.

The Detroit Tigers lost seven out of ten games in Philadelphia and Boston, but took home a barrel of money. The total attendance for four days in each city was 186,000.

### RING NOTES

Matt Wells and Phil Brook will meet in Philadelphia Aug. 18.

Kid McCoy, who says that he is a genuine "come back" will meet "Gunboat" Smith in San Francisco if some promoter will stage the bout.

Jimmy Clabhy will make another trip to Australia under the management of Hugh McIntosh. He will leave for that country next month.

## McLEAN MATCH SHOT AT SUSSEX-THURSDAY

Sussex, N. B., Aug. 16.—Only one match, the McLean, was shot off today of 800 yards, ten shots. The weather was as bad as could be and after the first pair had shot it was hard to keep on the target with the rain pouring down and the wind shifting. There was a tie for the cup between Captain Golding, who took first money, and Major Perley. They were the first pair up and kept right together. David Freeze had hard luck. He started with a bull, got an inner for second, then seven bulls and missed shot. The scores were:
