BUCKEYE SOLONS IN REUNION

Cedar Point, O., Aug. 3.—Present and past members of the Ohio General Assembly, together with many politicians from over the state, rounded up here today for their eleventh annual reunion. While pleasure and entertainment are supposed to occupy the legislators and after visitors during their outing it is expected they will find time for considerable discussion of political affairs and it is possible that developments of no little importance may result from the gathering.

Much interest centers in the reunion banquet to be held tomorrow night and at which the speakers are

TIME FOR A CHANGE IN YORK COUNTY

(St. John Telegraph)
In York County which was the only one outside of St. John city to return a Conservative candidate, the Conservative forces are undoubtedly strong and yet it is hardly fair to the Liberal party to call the opposition forces all Conservative. Influences which should not be connected with political contests have been worked day after day, month after month by enterprising and unscrupulous politicians of York County to advance the personal and political interests of Messrs Crockett and McLeod et al. York County has in the past shown that it is quite as ready to throw off such cumbersome shackles as it was to be burdened with them. It is one of the finest agricultural sections in the province of New Brunswick and there is an undoubted feeling for better trade relations with the United States. It remains to be seen whether the influences noted above will be successful in clouding this issue, which is of great importance to the people of York. The Liberals of York. The Liberals stand ready to put up a determined fight and have several good candidates in view. It only remains for the party to get together and to nominate so good a man that the Conservatives may be glad themselves to have an opportunity of returning a representative who will have some other stock in trade than abuse and scandals.

BURNT LAND BROOK

July 29—We are having poor hay weather generally, and haying is progressing slowly. Blueberrying is the order of the dull days and berries are reported to be quite plentiful.

John S. Jenkins returned home last week from Bathurst where he had been guiding sportsmen.

Millidge Lockhart and family were visiting at James Jenkins last Sunday.

Mr. Pond of Ludlow returned home last Friday his daughter Mrs. Wm. Johnson accompanied him for a visit in her old home.

Mr. and Mrs. O'Regan returned from their wedding trip on Tuesday. Quite a number gathered in the evening for the usual serenade which was cut short by their being invited in and after introductions and expressions of good wishes all were liberally treated to candy and the gentlemen to cigars.
