Calais, Me., July 15.—The Marathons of St. John, were no match for the Calais team in the N. B. & Maine League game here this afternoon, the visitors losing out by a score of 11 to 2. Although the ball was hit freely on both sides, Calais had the best end of the clean hits, bunching their wallops when they had men on bases. The costly errors behind Sweet, the Marathon twirler, cost them nine runs. The feature was the heavy hitting of Donnelly and Lynch for the Marathons, and of Neptune, Johnston, Iott and Watt for Calais.

Manager Donald entered a protest in the seventh on account of a block ball contending that Fraser, who was running third, should have been allowed an extra base which meant, in this instance, a score as the next base was the home plate, the distance occurring when Watts' throw to Cobb went into the crowd.

The umpire's decision held the runner to third, which was right on account of the ground rules which were a passed ball over third to the crowd or behind home plate all the bases that can be got. In this instance, if Fraser had kept on running to the plate he would have scored, but he hesitated and lost his chance himself.

The following is the box score and summary:

ARIO LEYBURN WAS

DISAPPOINTMENT IN 1910

The remarkable performance at Indianapolis Thursday of the trotter Ario Leyburn who won his race in straight heats, all of which were timed in 2:07, brings to mind that talent must be served.

This horse last year was a great disappointment when in the hands of a semi-professional trainer, but in the fall he was turned over to Geers. Two days ago Ario Leyburn trotted his opening race in the campaign and his performance again demonstrated that it takes human ability as well as animal prowess to make good racehorses.

RAY COLLINS CUTS

OUT SIDE-ARM DELIVERY

Some of Ray Collins' success against the White Sox with Walsh in the firing line was due to his cutting out the side-arm delivery he affected early in the season and going back to the range straight-over-the-shoulder delivery which brought him such fame as a college pitcher and gave him his remarkable start among the big leaguers.

FREDERICTON PLAYED

EFFORLESS GAME

BEATING MONCTON

Moncton, July 16.—Fredericton defeated Moncton 12 to 2 in their second game on Saturday afternoon. Fredericton played an effortless game while the local naps' ten errors were costly and tell the tale. The game was in the box for the visitors and gave the locals 9 hits, while Fredericton got ten hits off McKie. The score by innings was as follows:
 Fredericton, 001502013—12
 Moncton, 000018100—2

LEAGUE EXECUTIVE TO CONSIDER FOUR PROTESTS TOMORROW

Both Saturday Games Protested by Losers—St. Stephen Here for Game this Afternoon

The executive of the New Brunswick and Maine Baseball League will meet at McAdam tomorrow night instead of tonight. Present indications are that the executive will devote most of its time to the consideration of protests, there being no less than four protested games.

Secretary Blair of the League, has received notification by wire that both of Saturday's games have been protested.

The protested games so far are: Calais-St. John, at St. John, July 15th, protested by St. Johns. Calais-Fredericton, at Fredericton July 13th, protested by Calais. Marathons-Calais, at Calais, July 15th, protested by Marathons. St. Johns-Woodstock, at St. John, July 15th, protested by Woodstock. The protest of the game played here on Thursday, it is thought, will not be sustained by the executive.

TODAY'S GAME.
 St. Stephen and Fredericton will meet at Scully's Grove this afternoon, the game beginning at three o'clock. These two teams in the past have put up rattling good games and will this afternoon. St. Stephen has been strengthened and will have two former Fredericton players, George Finnemore and Joe Farrell.

ROD AND GUN

CONTAINS SOME INTERESTING STORIES

"Following the Fur Trails," a story of the far North of interest to every Canadian, opens the July number of Rod and Gun in Canada, published by W. J. Taylor, Ltd., Woodstock, Ont. In this story Mr. R. J. Fraser, who is engaged on the Hydrographic Survey, relates interesting incidents of the eight months' stay of the party engaged in survey work in the neighborhood of Hudson's Bay and tells of an attack upon the Camp of Polar bears! He gives particulars of the fine trapping in which the party engaged and the excellent results of this portion of their work. The strenuous outward journey from Fort Nelson to Winnipeg supplies excellent reading. There is much variety in the other stories, both fishermen and hunters receiving due attention and stories and experiences from the far West are included. They hunt on horseback in British Columbia showing the difference in the conditions between those prevailing in that Province and those existing in Eastern and Central Canada. There is much more of interest to every sportsman in this number. It should be found in every summer camp, no pleasanter companion for whiling away a pleasant hour is needed.

WORCESTER SOLD O'NEIL FOR \$3000

Worcester, July 16.—Catcher Steve O'Neill of the Worcester baseball club who has been sold by Manager John J. O'Donnell to the Cleveland American league team for \$3000 will report to Cleveland at the end of the New England league season in September. Worcester was offered \$4000 for O'Neill's immediate release but refused it.

"SPORTING LIFE"

New York, July 15.—E. McDonald, manager of Matt Wells, the English lightweight champion, has received a cablegram from the London Sporting Life offering a purse of \$20,000 for a fight between Wells and Packy McFarland of Chicago in December. Sporting Life is probably acting for some London boxing club.

BASEBALL NOTES

The Grand Rapids team of the Central League, has been transferred to Newark, O.

It is said that the Cubs are trying to buy Downey from the Cincinnati Club.

Owen Bush, of the Detroit Tigers, is likely to lead both major leagues in the number of runs scored during this season.

Farmer Burns, who brought Frank Gotch to the front as a wrestler, has organized a baseball team and will tour the western states.

Manager Jimmy McAker will pick an all-star team to oppose the Naps in Cleveland in a benefit game for the family of Adlie Joss.

Give your servants GOLD DUST to clean with, treat them rightly and you will have few occasions to insert a "help wanted" ad

They say a good workman is known by his tools. You cannot expect your maid to keep everything ship-shape unless you give her every modern help. To keep house without GOLD DUST is to do work by hard, old-fashioned methods. For cleaning everything and anything about the house—from cellar to attic—GOLD DUST is worth its weight in gold. It cuts grease and dirt like magic, does away with scouring and scrubbing, and saves time and tempers.

Your servant can do more and better work and keep sweet with the aid of GOLD DUST in all household cleaning.
