## THE BORDEN CABINET

Personnell of New Administration as Announced by the Premier

Hon. J. D. Hazen Gets Portfolio of Marine and Fisheries--Foster is Minister of Trade and Commerce

Ottawa, Oct. 10--The Borden cabinet will be sworn in this afternoon before Earl Grey. All of the members will go to Quebec to welcome the Duke of Connaught. There will be no business transacted until after the bye-elections.

Ottawa, Oct. 9--Mr. Borden drove out to Rideau Hall and presented the list of his Cabinet to His Excellency.

The Cabinet as submitted to and approved by the Governor General will be sworn in at noon tomorrow and is as follows:

Premier and President of the Council--R. L. Borden.

Minister of Agriculture--Martin Burrell.

Minister of Customs--Dr. J. D. Reid.

Minister of Finance--W. T. White.

Minister of Inland Revenue--W. B. Nantel.

Minister of the Interior--Hon. Robt. Rogers.

Minister of Justice--Hon. C. J. Doherty.

Minister of Labor--T. W. Crothers.

Minister of Marine and Fisheries--Hon. J. D. Hazen.

Minister of Militia--Col. Sam Hughes.

Postmaster General--L. P. Pelletier.

Minister of Public Works--F. D. Monk.

Minister of Railways--Hon. Frank Cochrane.

Secretary of State--Mr. W. J. Roche.

Minister of Trade and Commerce--Hon. Geo. E. Foster.

Without portfolio--Geo. H. Perley, A. E. Kemp, Senator J. H. Loughheed.

A seat in the Cabinet was offered to Rodolphe Forget of Montreal, who declined it for the time being as the granting of the certificate to La Banque Internationale, in which he has a large interest, will come immediately under the consideration of the Government.

An Ottawa despatch to the Telegraph says:

"This has been a day of uncertainties and sudden last-hour changes in regard to Mr. Borden's cabinet. The rival aspirants and factions have been busy all day advising and counter-advicing the harassed and perplexed 'man at the wheel,' as to the selection of his assistant pilots.

The changes from previous forecasts are the taking in of Col Sam Hughes and Dr. J. D. Reid from Ontario instead of Andrew Broder and Mr. Middleboro or Mr. Armstrong. The selection of Col. Hughes, who who will of course go to the militia department, is principally because Mr. Borden found that he could not overlook the colonel's undoubted qualifications for the post. No other among the various aspirants had any military experience, and Col. Hughes' long parliamentary experience and front bench rank demanded some recognition.

The turning down of Andrew Broder for the agricultural portfolio in favor of Dr. Reid is the most surprising development of the day and has received much adverse criticism. Mr. Broder has always been regarded as the natural selection for the portfolio, and is the only real representative of the farmers whom Mr. Borden could choose. However, Mr. Broder has not been urging his claims and Dr. Reid has been insistent. Mr. Broder has all along declared his willingness to serve in the ranks and has apparently been sacrificed to the demands of the importunate member for Grenville, who has the backing of Sir Hugh Graham and Rodolphe Forget.

The strong criticism of the rank and file Tories at the inclusion of Mr. White in the cabinet also probably influenced Mr. Borden to appease the kickers by rewarding such old party fighters as Col Hughes and Dr. Reid.

The Quebec representation was finally decided tonight, only after a series of separate conferences of rival candidates all the morning and afternoon. The Nationalist element of Mr. Borden's support have all along been demanding their pound of flesh. They wanted both Mr. Monk and Mr. Nantel in the cabinet and

## JUDGE LYNCH MAY GET HIM

Brutal Negro Attack- ed Young Girl who was Returning from School

Timely Appearance of a Farmer Prevented Him from Accomplishing His Purpose

(Canadian Press.)

Coatesville, Pa., Oct. 10--Another lynching is threatened within this county as the result of a brutal attack made last night upon Annie McElhaney, a student at the Coatesville High School by an unknown negro. The populace has not been wrought to such a fever of excitement since the lynching of Zack Walker here Sunday August 13.

Miss McElhaney was on her way home from school, when she was attacked by a burly negro on the road leading from Coates to Mortonville. The girl fought, her assailant until half her clothing was torn from her body and just as she was being overpowered, Frank Wynn, a farmer came on the scene. The negro, frustrated by the appearance of Wynn's wagon, hurled his victim to the ground and leaping the fence darted across Wynn's meadow. Wynn gave the alarm and in less than half an hour there were a score of farmers all armed with shot-guns, in full view, but the gathering darkness soon abstrused their vision and the man was lost sight of.

The posse did not give up the pursuit, however, and late last night, were scouring the country in the vicinity of where the attack occurred. The police officials of this borough were notified and were rushed to the scene of the attack in automobiles in an effort to prevent a repetition of the trouble which occurred on August 13.

There open threats that if the assailant of the girl is found he will be shot down in his tracks.

### ANOTHER OUTRAGE

Altoona, Pa., Oct. 10--John Plowden, a negro aged 23 years, was rushed to the Hollidaysburg jail last night to prevent a possible lynching. Early yesterday Plowden entered the home of John Perkins, a short distance west of this city, and after binding and gagging Mrs. Perkins assaulted her. School children seeing the negro running from the house gave the alarm and a posse was soon in pursuit. He kept his pursuers at bay by shooting at them. The police arrested the negro at the home of a colored friend.

Without legal formality, the fiend was rushed to the Hollidaysburg jail. Neighbors who hurried to the Perkins residence found the woman in a terrible condition from shock and the brutal treatment of the negro.

New York, Oct. 10--Despatches from Paris announce that two Frenchmen have succeeded in making pure whiskey from bananas. For the new process they claim two qualities which will appeal to all whiskey drinkers, cheapness and a delicious odor.

## THE LONDON TIMES AND CANADIAN ELECTIONS

London, Oct. 10--The Times this morning says: "A number of Canadian correspondents have written complaining of opinions alleged to have been expressed by the Times on the result of the Canadian elections. They were opinions which not only were never put forward by the Times, but were in direct contradiction of the views put forward by the Times but were in direct contradiction of the views we often have expressed."

"The mistake of our correspondents was caused by an agency telegram published in a Canadian newspaper on September 22, a Canadian Press cable dated London, Sept. 21, and giving as from the London Times a summary of a leading article in the New York Times which described the defeat of reciprocity as 'a triumph of reaction and ignorance,' and as 'setting back the hand of the clock'."

## DAMAGE BY FLOODS

Big Section of Country in the South-western States Flooded

Much Property Destroyed and There are Rumors of Heavy Loss of Life

(Canadian Press.)

Denver, Col., Oct. 10--With telephone and telegraph service crippled, and more than three hundred miles of railroad out of commission only meagre reports are being received from the floodswep district of Southwestern Colorado and North-west New Mexico comprising an area approximately over seventy-five miles. There are more rumors of heavy loss of life, but the verified death list so far, is comparatively small. John Rice was drowned while aiding in the rescue of pupils at the Methodist mission school near Farmington, N. M., and near Blanca Col, a Mexican family of seven are reported drowned and from various other points, come reports of seeing other persons swept away from the flood.

From Alamosa comes a report that twenty Indians at the shipwreck agency of the Navajoes are in the water. All the buildings at the agency erected by the government at a cost of \$200,000 are reported to have been destroyed. Property loss is estimated at approximately \$500,000 a large part of which fall on the Denver and Rio Grande Road. Practically all the narrow gauge system of this road now known as the Rio Grande Southern is out of commission and train service to a number of towns cannot be fixed under six days.

The bridesmaids were Miss Rosa McAvity, May MacLaren, Winnifred Raymond and Vera MacLaren. Mr. Douglas Adams of Toronto was best man. The ushers were John C. Belyea, Clifford McAvity and Walter Emmerson. The happy couple will spend their honeymoon in Canadian and American cities.

## "WHERE WERE THE MEMBERS OF THE POLICE FORCE?"

The city police force and the system under which it is run came in for some very caustic criticism this afternoon, the cause being the inability of anyone to locate a guard of the law for about an hour while a dangerously insane man made an exhibition of himself on Queen Street near Regent. This unfortunate person has been in the Provincial Hospital but was liberated some time ago.

Shortly before two o'clock he appeared on Queen Street hatless and coatless and began to make himself objectionable. He assaulted several persons and was himself severely handled by one who was unaware of the man's condition. He also attempted to take off his clothing but was finally overpowered and carried bodily to the police-station by four citizens. Repeated telephone messages had failed to locate any of the police and there was none at the station when the man arrived there.

The question of the day is, "Where were the police?"

Mrs. W. I. Frankland and daughter Hope, of Boston, Mass. who have been visiting Mrs. Joseph Gill at the Misses Smith's on Brunswick St. left this morning for Campbellton via St. John, where they will be the guests of Mrs. A. Sproul.

## FOUR PERSONS KILLED BY BLACK HANDERS

(Canadian Press.)

Wheeling, W. Va., Oct. 10--Four persons are believed to have perished at Benwood, a suburb, early today, as the result of a black hand outrage when a big frame tenement, housing forty persons, was blown up, and, taking fire, was consumed. The house was conducted by Edward Kolinskey, who, with his family and a large number of boarders, were asleep when a heavy charge of dynamite was exploded at one corner of the building.

The walls fell out and the men were blown from their beds. A woman with two children in her arms, stood for a moment at a window and then fell back into the flames. A similar scene was enacted when a man attempted to escape from one of the upper stories. Kolinsky recently received a demand from the black hand for \$1,500 but refused to place the money in the spot designated.

Mrs. M. Wiley and Mrs. Chas. Wiley of Jacksonville are in the city to attend the funeral of their sister Mrs. John Coombes.
