Two hundred well satisfied eye sufferers, many of whom have consulted opticians and jewellers, many paying as high as \$10 and \$15 for spectacles which were worthless for their particular eye trouble, having consulted us have found relief not before experienced with their previous attempts. These are true facts with two hundred patients to testify to the truth of this statement. Most important of which is, the glasses were obtained at less than half the usual price. This is the genuine truth of the continued story, and verified by the oldest established druggist in Fredericton.

**"ONE MAN" McCLUSKEY
OF P. E. I. KNOCKED
OUT IN FOURTH**

Andy Morris was too much for Husky Young Islander in Thanksgiving Day Bout

Portland, Me., Nov. 30.—This evening at the Auditorium Andy Morris of Boston, knocked out "One Man" McCluskey of New York, in the fourth round of the main bout of the evening.

After the first round Morris had the better of the argument. He sent his right to face with good effect very frequently and McCluskey seemed to be unable to retaliate or do much blocking.

In the fourth round Morris hit him almost at will. McCluskey went down once and then took the count after Morris' caught him on the jaw with his right.

"One Man" McCluskey "of New York," happens to be a Prince Edward Islander, and his father is employed by the P.E.I. Railway. McCluskey has lots of friends in the provinces who would have liked to see him do better at Portland. Local men who have been working on Whitehead Bros. railway contract in the Island, report that "One Man" McCluskey, who was home some time ago, is a husky young chap weighing over 200 pounds.

**TORONTO 'VARSITY
MAY CUT OUT FINAL
FOOTBALL GAMES**

Toronto, Nov. 30.—This year may be the last final that 'Varsity may participate in. Not that the students will be unable to win the Intercollegiate but through growing disfavor of the faculty in regard to these contests. H. C. Griffith, who for so long coached the 'Varsity team, stated that he would not be at all surprised to see the big games discontinued as far as Toronto University was concerned. His reason for this statement is that the game or games keeps the students from their work. Not only do they keep the men on the team and the spurs from their studies but also the whole student body who drop work and think of nothing but football until the contest is over. It is claimed that the heads of the University are beginning to think seriously of stopping the game or at least the finals.

**WANDERERS HAVE
TWELVE MEN SIGNED**

Montreal, Dec. 1.—Wanderers have in all twelve players signed up. The management expects to have fifteen players on the roll before the season starts in earnest—enough players to make two full teams.

"Stoke" Doran, who figured on the Moncton team last year in the Maritime Pro. League, is trying to catch place with the Wanderer team this year.

**DICKIE BOON TO
COACH NEW YORK
A. C. HOCKEY TEAM**

(Montreal Herald.)
Dickie Boon of Montreal, is going to give the benefit of his expert knowledge of the Canadian game of hockey to the New York Athletic Club players for a couple of weeks.

Mr. Boon has a two weeks vacation coming to him, starting tomorrow. The New York Athletic Club has a great hunch that Dickie's expert knowledge might be of great value to the New York A.C. players if imparted at the practice stage of the game, which has just about commenced in New York.

Therefore the N.Y.C.A. has sent the Littlest of the Original Little Men of Ice a very cordial invitation to kill time for a couple of weeks in New York and handle the hockey team at the same time.

Mr. Boon has accepted the invitation and leaves for New York tomorrow.

Promoters Coffroth and O'Day of San Francisco, are hot after Matty Baldwin's services. Aleck McLean, manager of Baldwin, yesterday received letters from both. O'Day wants Baldwin to box Joe Mandot for a bout in January or February with the winner of the McFarland and Brock bout. Manager McLean has said his acceptance of both offers.

**PHILLIES WILL
NOT LET DOON
GO TO BOSTON**

Manager is not Satisfied with Salary and has Ambitions of Partially Controlling Boston Nationals

Detroit, Mich., Nov. 30.—The effort of Manager Charles Doon, of the Philadelphia National League Baseball Club, to secure his release, so that he might acquire at least partial control of the Boston National League club, resulted today in a telegram from President Fogel, of the Philadelphia Nationals, which Doon received here. The message stated that Fogel would consider no deal which would provide for Doon's departure. The Philadelphia cat her, who is laying at a local vaudeville theatre, has made statements since his arrival here to the effect that he is not satisfied with the salary the Philadelphia Club paid him last season. In a published interview he said he expects as much money if he manages the Philadelphia Club as former Manager Murray received.

Joe Jeanette and Billy Watkins are billed for the main bout at Albany this afternoon.

Phil Brock and Harry Donahue have been signed for a bout in Peoria Dec. 15.

**AUSTRIAN BREEDERS BOUGHT
AL STANLEY, STALLION FOR \$5,000**

New York, Nov. 30.—Al Stanley, the roan stallion with a record of 2,081, made this year, was so eagerly sought after by the turfmen at the Old Glory sale in Madison Square Garden today that the bidding soared to \$5,000. He was bought at that figure by E. J. Tranter of this city acting for Austrian breeders of harness horses. The horse will be shipped to Austria in a few days.

This roan stallion will be a big asset to harness racing in Austria. In addition to making a record this year, he hung up as a two-year-old a mark of 2:15, and as a three-year-old trotted a mile in 2:14. It will be seen by this that he has steadily improved his speed.

The sale of importance during the early bidding was that of Baroness Helen (3) 2:18 (half-mile track), a three-year-old bay filly by Baron Review-Durnella. This filly brought \$5,000, which was paid by Charles Dean of Palestine, Ill. Helen was very ill in the spring after making her half-mile record of 1:18, but came around again and in Terre Haute, Ind., she was conspicuous on the track.

One of the greatest disappointments of the sale was the bidding on Kinney Lou, the great brown stallion, brought all the way from San Jose, Cal., by the celebrated driver, Bud Doble. This stallion, with a race record of 2:07, was expected to bring not less than \$10,000.

The holiday buyers were not of this opinion, however, and the best that could be obtained was \$2,500, and that at \$25 rises from the meager start of \$500.

Kinney Lou is no longer a young horse, being foaled in 1897, but his record as a sire, even up to the present time, is an enviable one. His most distinguished progeny is Four Stockings (trial 1911), 2:10. In addition he is sure of the great yearling trotting stallion Wilbur Lou, 2:19.

Fabulous prices were not obtained for the young sons and daughters of General Watts, but the best average thus far bid for any one consignment, and probably what will prove to be the best of the entire sale, was secured. Altogether the 14 head brought \$18,870, or an average of \$776.50 each. A list of the more notable sales is appended:

William Todd, bro. 3, by Todd-De-la-goa, by Arion; Hopkins Bros., Fort Fairfield, Me., \$250.

Ed McGorty and Jimmy Howard will meet in Fond-du-Lac Dec. 1.

Buck Crouse and Leo Houck, rival middleweights, have been scheduled again to box in Philadelphia Dec. 9.

Mike Gibbons, the St. Paul boxer who looks like the coming welter weight champion, has been scheduled to box Walter Coffey in New York next Tuesday night.

They say a good workman is known by his tools. You cannot expect your maid to keep everything ship-shape unless you give her every modern help. To keep house without GOLD DUST is to do work by hard, old-fashioned methods. For cleaning everything and anything about the house—from cellar to attic—GOLD DUST is worth its weight in gold. It cuts grease and dirt like magic, does away with scouring and scrubbing, and saves time and tempers.

Your servant can do more and better work and keep sweet with the aid of GOLD DUST in all household cleaning.
