FORMER FREDERICTON MAN AMATEUR GOLF CHAMPION

George H. Hutton Defeated Bert Austin in Canadian Finals--Was on Bank of B. N. A. Staff Here About Two Years Ago.

Mr. George H. Hutton of Beausfield who won the Canadian Amateur Golf Championship from Bert Austin of Lambton is a former Fredericton man having been a member of the Bank of British North America in this city about two years ago. Mr. Hutton went from Fredericton to Montreal where his ability as a golf player was recognized to such an extent that he was entered in this year's championships with the result that he has won the title. Mr. Hutton is a native of Scotland and was sent to Fredericton shortly after his arrival from the Old Country.

ACCOUNT OF MATCH

Ottawa, July 7--The most sensational final ever played for the amateur golf championship of Canada was decided yesterday over the Ottawa course when George Hutton of Beausfield beat Bert Austin of Lambton, on the thirty-ninth green after two rounds and three extra holes of thrilling golf.

After Hutton was one down and two to go, the match looked practically over at the thirty-fifth hole when Austin laid a long second with in twelve feet of the hole while Hutton's third was on the slope of the green apparently outside holing distance. Austin rolled his putt to the lip of the hole and the large gallery stood with hands ready to applaud a new champion when Hutton electrified the following by holing his difficult putt for a half keeping the match going. The turn of tide appeared to affect Austin for he went all to pieces at the home hole which the Beausfield player easily won, squaring the match.

LOOKED ALL UP IN THIRTY-EIGHTH

The first extra hole was magnificently played by both men, a perfect five resulting. At the second or thirty-eights hole it looked all for Hutton when his tee shot played with a driving mashie failed to get the intended hook and fell in the long grass to the right of the green. Austin was just over at the far corner. Hutton recovered finely considering the position from which he had to play his ball. To all intents and purposes Austin was dead with the like. Hutton ran his approach up to within four feet of the hole, leaving Austin a seven foot putt for the hole. The ball travelled to the brink of the hole and hung over the cup. So close indeed was the ball to going down Hutton rushed his next putt for a half for fear of his opponent's ball dropping in.

THE DECIDING HOLE

Hutton sent away a screaming ball to the third extra hole or the thirty-ninth. Austin also got off a fine straight shot straight on the line. He half topped his second however, over but clearing all trouble lay on the top of the little bank of the green. Hutton was hole high to the left with his second. Austin over-ran the green with his third, while Hutton was within a club length of the hole with the like. Austin was short with the odd and failed to go down in two more.

The contest was kaleidoscopic from start to finish and at various stages looked as if one or the other of the contestants would make a runaway of it. In the morning round Austin went out in thirty-seven and stood three up at the turn, but Hutton turned around and won four of the next five holes having the other and actually took the lead himself. The Lambton player however hit his stride again and taking the seventeenth in four and the eighteenth in five won both holes standing one up on the morning round.

In the afternoon game after halving the first in six, Austin increased his lead to two when he got down in three to four, but Hutton came strong at the fourth and fifth winning both and squaring the match. The sixth was halved in a fine three but the western player got in the bush beyond the green at the seventh and was one down. The eighth was a half in a well played four. At the ninth both played elegant second shots and reached the green. Hutton holed his putt for a sensational three bogey being allowed live strokes at this hole. He turned two up.

HUTTON'S FIRST BAD SHOT AT ELEVENTH

Hutton had a putt for three at the tenth but failed and the half in four was the outcome. At the eleventh a strong head wind was blowing and it was here Hutton played his first bad shot of the day when he sliced his tee shot into the trees on the right and lost his ball. The twelfth saw both men reach the green with driving irons in the teeth of a half gale. A half in three resulted.

Austin squared the match at the thirteenth where Hutton was weak on the green taking three putts. The Lambton man went in front at the fourteenth where he was done in a fine four to five. Hutton failing to hole a six foot putt for a half. It looked as if Hutton would square the match at the fifteenth after Austin topped his second, but the western player sunk a twenty foot putt for a half. The fifteenth was a perfect half in five.

St. John, July 10.--In a game rather loose all the way through, the St. Johns beat the Marathons Saturday afternoon by one run, under the most pathetic circumstances. The score was 11 to 10, and more than 2,500 people saw the game. Winters, Manager Donald's highest priced finger, was on the job, too, and while he was not whaled as hard as Paquette, yet he was touched when hits meant runs.

CALAIS 14, ST. STEPHEN 0.

Calais, July 9.--The Calais ball team took the St. Stephen team into camp on two occasions last week. On Wednesday the two teams went to Lubec, Maine, and Calais defeated St. Stephen by a score of 6 to 5.

On Saturday on the Calais diamond the two teams played a league game and the St. Stephens were snowed under with a score of 14 to 0. Ryan and Watt was the battery for Calais. McGovern caught for St. Stephen and every pitcher on the Canadian team, including a new importation named Butler, was used and batted hard.

BILL SINEY JOINS FREDERICTON CLUB'S SQUAD OF PLAYERS

Joe Farrell Let Go--Sullivan to Play Centre-field--Howe Back on Third Base.

Bill Siney, another new player for the Fredericton Club arrived in the city Saturday night. It is possible that Siney will play the outfield against Woodstock at Scully's Grove this afternoon. The team is to be picked just before the game. Larry Conley will play left field with Sullivan in centre. Duval and Murray will probably be in the battery with the infield as follows: Duggan, 1st base, J. Callahan, 2nd base; Bob Conley, short stop; Howe, 3rd base.

Joe Farrell has severed his connection with the Fredericton team. His release was given him Saturday but is not unconditional as he can be engaged by any other N. B. and Maine League team only with the consent of the local club.

KID BOLT HAD HIS SKULL FRACTURED

New York, July 8--"Kid" Bolte a local welter-weight is in the hospital suffering from a possible fracture of the skull, hemorrhages and other injuries received in a ten round bout last night in the Brighton Beach Athletic Club. His opponent "Fighting Jack" Lundy, a Brooklyn fighter has been taken into custody.

TY COBB BATTED .467 FOR 40 DAYS

May 14, Ray Collins of Boston, pitching against the Tigers, did not allow Ty Cobb a base hit. On July 4, Ed Walsh of Chicago was similarly unkind to the "Georgia Peach." Between these dates, however, Cobb hit safely in every game, just 40 of them in succession, making 76 base hits in 164 times at bat. A little figuring proves that Ty was hitting for .467 for as long a time as Father Noah was cruising about in that ark of his.

TWOMBLY DEVELOPES INTO SOME SHORTSTOP

Freddy Parent is being closely pressed for his position as shortstop on the Baltimore Eastern League team by George Twombly of Medford, Mass., who played on the Medford high school nine that won the championship of the Suburban League in 1910. Twombly joined Dunn's outfit early in the season, has come along splendidly and looks good for next spring.

CAMERON WILL RACE SWEDE AT WINDSOR

Fred Cameron of Amherst, and Johnson, the celebrated Swede, have been matched to run a 12-mile race in Windsor Tuesday. The track at the Windsor Athletic Grounds has been officially measured, and it is exactly five laps to the mile.

Ted Nelson and Frank Mantel will meet in New York next Tuesday night.

such a contest will be good balm for Brown.

Charley Hatvey's claim that Wolgast won from Moran by fouling him will not be taken seriously by the fans, who figure that when a referee is reputed to be honest and capable declares the blow was fair, as Jack Welsh did, there is no ground for a kick.
