WOODSTOCK BEAT CALAIS

Woodstock, N. B., Aug. 4.—The locals grabbed a nine run lead in the three first innings this afternoon from Calais and won the game by a score of 12 to 2. At critical times the Calais pitcher had very poor support the greatest offenders being John son, Watt and Rutherford. Manager Iott did not play as he has a bad looking arm from blood poisoning. WARWICK PITCHED

GREAT BALL AT
ST. JOHN FRIDAY

Fredericton Won from St. Johns 5 to 1—Woodstock Snowed Calais Under 12 to 2

St. John, Aug. 5.—The Fredericton team were victorious over the St. Johns in a league game yesterday afternoon on the Marathon grounds, by a score of five to one, and the game was a battle of pitching. The St. Johns had their new find in Callahan, who was there every minute with his south paw working well. Five singles were all that the heavy Fredericton players could manage to get off his delivery, and he struck out twelve men during the game.

For the Capitals Warwick was the pitcher and the large twirler was also on the job with excellent control. Only five hits were made off him and he struck out nine men. There were no runs in the first two innings, although Siney of the St. Johns, made a two bagger and reaching third on a sacrifice, tried on a hit to shortstop to score, but was caught at the plate.

The damage was done in the third inning when with two men out, a fly went to Dever in right, and he dropped it, allowing a run to get in. Then came a single, and the second run was made.

The fourth inning was one without runs, but in the fifth the Fredericton men managed to get in three more runs. Callahan singled and Murray also singled. Warwick sacrificed and Ganley singled, which were responsible for three runs.

It was not until the eighth inning that the St. Johns got their only run and saved themselves from a shutout. With one out, Siney was pichen a base on balls and advanced to third on Pinkerton's single to centre field. The next two men to bat were

Rapidity Owned by J. E. Sullivan Won in Straight Heats--Time 2.28 1-4--Mary Cromwell Won Mixed Classes

St. John, Aug. 5.—With the 2:14 and 2:30 classes as the drawing card Moosepath Park was the scene of some interesting races yesterday afternoon. While there were no records broken the time made, the condition of the track being taken into consideration, was very fast. The track was heavy and showed to be

retired quickly. This finished the scoring and the game was one that was enjoyed by all of the thousand or more people who were present at the contest.

greatly in need of a sprinkling. The attendance was only fair, about 500 being present. Rapidity, owned by John E. Sullivan, of Fredericton, and Mary Cromwell, owned by Frank Boutillier, of Halifax, carried off the honors of the day, the former winning out in the 2:30 trot and the latter in the 2:14 trot and 2:17 pace.

Both races were very closely contested, an extra heat having to be run in the 2:14 trot and 2:17 pace. In this race Mary Cromwell, Prince Louie and Leonard Wilton all showed up in fine style. Oswego Boy, which finished fifth, also made a good showing and there is no doubt that he had not been the victim of hard luck he would have carried off some of the money. Rapidity, owned by John Sullivan, of Fredericton, showered himself with glory, winning the 2:30 in straight heats. The second place in this event went to Royal Pandect, owned by James Flood, of this city, which was the only St. John horse entered.

Arthur Irwin says he finds baseball scouts everywhere he goes as thick as crows in a corn field. Jim McGuire, Sam Kennedy, Tom Daly and Bob Gilks are out for the Cleveland Club and according to Asthur, Detroit has eight gumshoe men around the circuits, while Connie Mack has too many to count. Business is so good that some scouts are taking chances to work on commission, and yet some jewels, like Alexander, escape detection until someone makes a gamble by drafting them.
